RESOLUTION NO. 2022-67

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA, ORDERING THE PREPARATION AND FILING OF A REPORT REGARDING THE FISCAL YEAR 2022-23 ASSESSMENT TO BE LEVIED IN CONNECTION WITH THE CITY'S CITYWIDE LIGHTING AND MAINTENANCE DISTRICT

WHEREAS, the City's Citywide Lighting and Maintenance District (the "District") has been established pursuant to the Landscaping and Lighting Act of 1972 (Streets and Highways Code Section 22500 et seq.) (the "Act") to fund the maintenance and servicing of certain public street lighting and street trees throughout the City and

WHEREAS, in connection with the District, the City annually levies an assessment against real property; and

WHEREAS, the City Council desires to initiate proceedings to levy the assessment for Fiscal Year 2022-23 in connection with the District; and

WHEREAS, no new improvements nor substantial changes in existing improvements within the District are proposed.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. The above recitals are true and correct.

SECTION 2. The City Council orders Willdan Financial Services, as assessment engineer, to prepare and file with the City Clerk a report on the assessment in connection with the District for Fiscal Year 2022-23. Such report shall include all information required by Section 22565 *et seq.* of the Act.

SECTION 3. The City Clerk shall certify to the adoption of this resolution and shall enter the same in the book of original resolutions and it shall become effective immediately.

APPROVED AND ADOPTED this 5th day of July, 2022.

ATTACHMENT NO. 5

RESOLUTION NO. 2022-68

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA, PRELIMINARILY APPROVING THE ENGINEER'S REPORT FOR THE CITY'S CITYWIDE LIGHTING AND MAINTENANCE DISTRICT, DECLARING ITS INTENTION TO LEVY AND COLLECT ASSESSMENTS WITHIN SAID DISTRICT FOR FISCAL YEAR 2022-23 AND SETTING A PUBLIC HEARING REGARDING SUCH ASSESSMENTS

WHEREAS, the City's Citywide Lighting and Maintenance District (the "District") has been established pursuant to the Landscaping and Lighting Act of 1972 (Streets and Highways Code Section 22500 *et seq.*) (the "Act") to fund the maintenance and servicing of certain public street lighting and street trees in the City; and

WHEREAS, in connection with the District, the City annually levies an assessment against real property; and

WHEREAS, by its Resolution No. 2022-67, adopted July 5, 2022, the City Council directed Willdan Financial Services, as assessment engineer (the "Engineer"), to prepare and file a report regarding the District; and

WHEREAS, the Engineer has filed said report, entitled "City of West Covina, Citywide Lighting & Maintenance District, Fiscal Year 2022/2023 Engineer's Report" (the "Report") and the Report is on file and available for public inspection in the Office of the City Clerk and is incorporated herein by reference; and

WHEREAS, the City Council desires to continue with proceedings to levy the assessment in connection with the District for Fiscal Year 2022-23 as described in the Report.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. The Report is preliminarily approved.

SECTION 2. The City Council declares its intention to levy and collect assessments within the District for Fiscal Year 2022-23 and notes that:

(a) The distinctive name of the District is the "City of West Covina Citywide Lighting and Maintenance District."

(b) The boundaries of the District are the same as the boundaries of the City.

(c) The existing and proposed improvements are generally described as street lights, street trees, and appurtenant facilities throughout the City. No substantial changes are proposed to the nature of the improvements.

(d) Reference is made to the Engineer's Report, on file with the City Clerk, for a full and detailed description of the improvements, the boundaries of the assessment district and any zones therein, and the proposed assessments upon assessable lots and parcels of land within the District.

(e) The rate of the assessment is proposed to adjust upwards by 2.00% from the rate levied in Fiscal Year 2021-22. Such adjustment is made according to a schedule of adjustments approved by property owners in a mail ballot proceeding pursuant to Article XIII D of the California Constitution and, therefore, does not constitute an "increase" requiring additional mail ballot proceedings.

SECTION 3. A public hearing is set for Tuesday, July 19, 2022, at 7:00 p.m. in the City Council Chambers located at 1444 West Garvey Avenue South in the City of West Covina, to take the testimony on the issue of whether or not the assessments should be approved.

SECTION 4. The City Clerk shall give notice of said public hearing in the time, form, and manner as required by law, including but not limited to publication of this resolution in accordance with Streets and Highways Code Sections 22552 and 22553.

SECTION 5. The City Council finds that the levy and collection of these assessments is statutorily exempt from the California Environmental Quality Act (CEQA) under Section 15273 of the CEQA Guidelines, as none of the proceeds will be used for capital expenses, but will be used instead for operation and maintenance.

SECTION 6. The City Clerk shall certify to the adoption of this resolution and shall enter the same in the book of original resolutions and it shall become effective immediately.

APPROVED AND ADOPTED this 5th day of July, 2022.

AGENDA ITEM NO. 6

AGENDA STAFF REPORT

City of West Covina | Office of the City Manager

DATE: July 5, 2022

TO: Mayor and City Council

FROM: David Carmany
City Manager

SUBJECT: CONSIDERATION OF WEST COVINA CITYWIDE SEWER SERVICE CHARGE SETTING A PUBLIC HEARING DATE ON THE METHOD OF COLLECTION

RECOMMENDATION:

It is recommended that the City Council adopt the following resolution:

RESOLUTION NO. 2022-69 – A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA, DECLARING ITS INTENTION TO COLLECT SEWER SERVICE CHARGES ON THE COUNTY TAX ROLL FOR FISCAL YEAR 2022-23 AND SETTING JULY 19, 2022 FOR A PUBLIC HEARING REGARDING THE CHARGES TO BE SO COLLECTED

BACKGROUND:

From 1968 to 1978, the City of West Covina funded the costs of sewer maintenance and operation through the Improvement Act of 1911, which provided an ad valorem (according to value) levy used to pay for these costs. With the passage of Proposition 13, the revenues generated from the 1911 Act were reduced considerably which made it necessary to find an alternative method of funding sewer maintenance and operation costs. In Fiscal Year 1978-1979, the City Council established the Citywide Sewer Service Charge pursuant to Section 38902 of the Government Code as that alternative method.

The Sewer Service Charge funds the maintenance and operation of the City's sewer system assuring that lines are clear and flowing properly. This includes routine video inspections, jetting, and cleaning of sewer lines. The fees also fund capital improvements including purchase of sewer equipment and rehabilitation/replacement of sewer mainlines and appurtenances.

The Sewer Service Charge is based on general land use categories: residential and non-residential. A fixed fee is charged for each dwelling unit for residential property and every 667 square feet of floor area for other types of non-residential developments. Additionally, properties not connected to the sewer main lines are exempt from the charge.

DISCUSSION:

State law requires that a specific procedure be followed to collect the Citywide Sewer Service Charge on the annual property tax bill. The initial step is to adopt a resolution setting a date for a public hearing on the proposed rates and method of collection. The process requires that a public notice be published in a locally circulated newspaper announcing the public hearing. Mailing notices to each property owner is only required when the charges are increased above the current sewer service rate.

Although sewer charges are exempt from voter approval under Proposition 218, if a new or increased sewer charge is to be imposed, the City Council must conduct a protest hearing 45 days after mailed notice to property owners. If more than 50% of the property owners protest against the fees, the fees may not be imposed. In addition, the property owners are given an opportunity to voice their concerns on the method of collection. The most efficient and least costly method of collecting the Citywide Sewer Service Charge is to place it on the annual property tax bill. The Citywide Sewer Service Charge will then be collected at the same time and in the same manner as the general property taxes.

The proposed Sewer Service Charge will remain the same as Fiscal Year 2021-22 at $82.02 per unit.

LEGAL REVIEW:

The City Attorney's Office has reviewed and approved the resolution as to form.

OPTIONS:

The City Council has the following options:

1. Approve staffs recommendation; or
2. Provide alternative direction.

Prepared by: Michael Ackerman, PE, City Engineer

Fiscal Impact

FISCAL IMPACT:

For Fiscal Year 2022-23, the Citywide Sewer Service Charge rates are proposed to remain at $82.02 per unit per year. The previous fiscal year fund balance is $6,657,721. The total proposed sewer rate is projected to generate a total of $3,884,892. In addition, $254,200 is projected to be received from the pre-existing ad valorem (according to value) and $15,330 from cash balance interest. The total funds available is $10,812.143.

The adopted operating budget for Fiscal Year 2022-23 is $4,507,951 This includes an administration and overhead charge of $104,186. The administration and overhead costs are derived from support services provided by various departments including: City Manager’s office, City Attorney’s office, City Clerk’s office, Finance Department, and Human Resources Department. Support services include, but not limited to payroll, personnel recruitment, insurance claims, audits, budgets, and purchasing.

Sewer Maintenance District	Amount
Estimated Beginning Fund Balance	6,657,721
Projected Revenue	4,154,422
FY2022-23 Budgeted Expenditures	4,507,951
Estimated Ending Fund Balance	**$6,304,192**

For Fiscal Year 2022-23, below is the Capital Improvement Projects scheduled:

Project	Project 2022-23 Budget

Sewer Main Replacement - Portions of Glenview Rd, Michelle St, and Azusa Ave	$2,000,000

Below are Capital Improvement Projects currently in progress:

Project	**Project Budget**	**FY 2022-23 Status**

Outstanding Debt Service

Based on review of the City's financial documents, as well as discussions with the City, it is our understanding that the City does not have any outstanding sewer related debt. For the purpose of this Analysis, any forecasted future debt is assumed to have a 1.50X debt service coverage requirement.

General Assumptions

In order to develop the financial and rate projections, certain assumptions were made with regard to elements of the Analysis. A summary of those assumptions is presented below.

Growth

Based on discussion with the City, the Utility is mostly built-out. As such, it was assumed that growth in the Utility's customer base, and requisite flows, would be 0.0% per year during the forecast period.

Operating Projections

For the purposes of forecasting Operating requirements of the Utility, the following escalation factors are use for the various budget line-items.

- Personnel Services – 5.0%
- Materials & Services – 3.0%
- Capital Assets – 2.0%
- Allocations – 3.0%

ATTACHMENT NO. 4

RESOLUTION NO. 2022-69

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA, DECLARING ITS INTENTION TO COLLECT SEWER SERVICE CHARGES ON THE COUNTY TAX ROLL FOR FISCAL YEAR 2022-23 AND SETTING JULY 19, 2022 FOR A PUBLIC HEARING REGARDING THE CHARGES TO BE SO COLLECTED

WHEREAS, on June 26, 1978, in accordance with Section 38902 of the California Government Code, the City Council adopted Resolution No. 5726, establishing a sewer service charge exclusively for sewer operation, maintenance, and capital costs. The City collects the sewer service charge as part of the property tax roll; and

WHEREAS, on April 27, 1987, the City Council adopted Resolution No. 8019, amending Resolution No. 5726 to adjust the schedule of charges so that the fees collected bear a reasonable relationship to the cost of providing the services; and

WHEREAS, on June 6, 2017, the City Council adopted Resolution No. 2017-55, adopting a five-year schedule of annual sewer service charges for Fiscal Years 2017-18, 2018-19, 2019-20, 2020-21, and 2021-22; and

WHEREAS, the five-year schedule was adopted following proceedings conducted pursuant to Article XIII D, Section 6(a) of the California Constitution, which was added to the California Constitution in 1996 as part of Proposition 218; and

WHEREAS, a report has been filed with the City Clerk containing a description of each parcel of real property receiving sewer services and the amount of the charge for each parcel for the year, computed in conformity with the charges adopted by the City Council (the "Report"); and

WHEREAS, the City Council desires to initiate proceedings to collect the sewer service charges on the property tax roll for Fiscal Year 2022-23.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. Pursuant to Health and Safety Code section 5471 and other applicable law, the City Council intends to collect its sewer service charges for Fiscal Year 2022-23 at the following rate:

Rate:	$82.02 per unit
Residential:	One dwelling unit equals one unit
Commercial:	667 sq. ft. of floor area equals one unit

SECTION 2. As authorized by Health and Safety Code section 5473 or other applicable law, the City Council elects to have the City's sewer service charges collected on the tax roll in the same manner, and by the same persons, and at the same time as, together with and not separately from, the City's general taxes.

SECTION 3. On July 19, 2022, at 7:00 p.m. in the City Council Chambers located at 1444 West Garvey Avenue South in the City of West Covina, the City Council will conduct a public hearing on the Report (the "Hearing"). At the Hearing, the City Council will hear and consider all objections or protests, if any, to the Report.

SECTION 4. The City Clerk shall give notice of said Hearing in the time, form, and manner as required by law.

SECTION 5. The City Clerk shall certify to the adoption of this resolution and shall enter the same in the book of original resolutions and it shall become effective immediately.

APPROVED AND ADOPTED this 5th day of July, 2022.

Dario Castellanos
Mayor

APPROVED AS TO FORM

Thomas P. Duarte
City Attorney

ATTEST

Lisa Sherrick
Assistant City Clerk

I, LISA SHERRICK, ASSISTANT CITY CLERK of the City of West Covina, California, do hereby certify that the foregoing Resolution No. 2022-69 was duly adopted by the City Council of the City of West Covina, California, at a regular meeting thereof held on the 5th day of July, 2022, by the following vote of the City Council:

AYES:
NOES:
ABSENT:
ABSTAIN:

Lisa Sherrick
Assistant City Clerk

Appendix 'O'

City of West Covina
SEWER SYSTEM CAPACITY EVALUATION
2008-2009, Edited October 2016

The City's previous system capacity analysis was completed in 2009. Since there have been no significant capital improvements since then, the hydraulic model was not updated in this SSMP report. The primary purpose of this Appendix is to capture the methodology that was used in developing the 2009 sewer capacity analysis. The primary update of this Appendix is the cost of the recommended Capital Improvement Projects. The updated (2016 dollars) estimate project costs are provided in Appendix 'P'. These estimates reflect the cost to replace select pipe segments at certain locations as determined by operating condition. Appendix 'P' includes a more detailed list of recommended CIP projects that considers both calculated pipe operating condition as well as feasibility of updating adjacent pipe segments of differing capacity thresholds as part of the same project rather than as separate projects. The exhibits of the recommended project locations provided in Appendix 'O-1' have not been updated in this report as the hydraulic model has not changed.

Introduction and Summary

The City owns and operates its local wastewater collection system consisting of approximately 227 miles of gravity flow sewer pipelines and two segments of force main (varying in size from 4-inch to 18-inch pipe) and 5,187 manholes. The existing sewer system discharges to trunk sewers that are owned and operated by the County Sanitation Districts of Los Angeles County and to the adjacent Cities of Baldwin Park and Covina, and some areas of unincorporated county.

The purpose of this evaluation is to identify deficiencies in the existing sewer mainline system, recommend alternatives to eliminate the deficiencies, prioritize the deficient reaches, and provide the City with a basis on which to build a future infrastructure management system.

The 227 miles of local sewer were modeled using HYDRA® 6.4 by PIZER. Of the total length, approximately 19,096 feet of the existing system were identified as being critically capacity deficient (Greater than 85% full). These are grouped as priority-one projects requiring timely resolution. The deficient reaches of sewer mainlines are located within SMZs 4, 62, 80, 82, 116, 117, 132 and 161. Please refer to exhibit maps A, B, & C in this Appendix 'O-1' for the deficient reach locations. The cost to repair the deficient reaches is estimated to be $8,820,000. Those pipe segments classed as seriously capacity deficient, approximately 30,048 feet of the existing system (between 64% and 85% full), are grouped as priority-two projects requiring resolution in the near future. The deficient reaches of sewer mainlines are located within SMZs 2, 4, 5, 62, 74, 75, 80, 81, 82, 83, 105, 116, 117, 132, 139, 140, 151, 153 and 161. Please refer to exhibit maps A, B, & C in this Appendix 'O-1' for the deficient reach locations. The cost to repair the deficient reaches is estimated to be $11,840,000.

The modeling function was performed utilizing generally accepted sewage generation coefficients in the Los Angeles county region, and land use zoning as shown on a CAD file map identified as: "annZoning CAD Map 04-06" received on December 29, 2008. The zoning map was utilized as representative of the City's current development condition. This map was overlaid on the sewer system map, developed as part of this project, thereby allowing the modeler to apply the sewage generation coefficients for the respective land zoning within each SMZ throughout the City. This method resulted in defining the cumulative sewage generated and carried through the piping within each SMZ and delivered to the receiving system. However, there was no flow monitoring performed to otherwise validate the modeling data result. In months and years ahead, as maintenance inspections are performed, the modeled areas nearing capacity should be closely monitored for signs of exceeding capacity in order to avoid SSOs, and to refine design parameters for replacement.

As future land use changes occur in the General Plan, the model should be updated to reflect consequences of such changes. The model should also be updated to reflect flow monitoring results as well as the construction of new relief facilities, upgrades, and/or the construction of new sewer lines in order to be fully representative of the community sewer system.

Study Approach

The following tasks were performed in the preparation of this Sewer System Capacity Evaluation Report.

1. The City provided copies of existing sewer system as-built construction plans for use in preparing the initial GIS sewer system mapping and attributes base and for the exhibit maps A, B & C of this Appendix 'O-1'.
2. The City provided an electronic CAD file of its land use zoning map for use in creating an overlay map of the parcels and sewer maintenance zones in the city system.
3. Willdan developed a computer model (Pizer Hydra) of the City wastewater collection system utilizing the above data.
4. Analysis of the existing wastewater collection system capacity and determination of any capacity deficiencies (refer to the deficiency criteria section of this report and see the exhibit maps in this Appendix 'O-1').
5. Development of recommendations for system improvements to correct deficiencies.
6. Preparation of cost estimates for the recommended improvements.
7. Preparation of evaluation findings and recommendations to correct identified deficiencies in a Sewer System Capacity Evaluation Report (this Appendix).

System Criteria and Alternatives

In designing or evaluating a wastewater collection system, the engineer must establish certain criteria upon which to base the design. These include such things as available pipe sizes,

materials, slope, bury or cover, connections, etc. Such criteria are established to ensure that the wastewater collection system can operate effectively under all flow conditions. Each pipe segment must be capable of carrying the peak flows without surcharging the system. Surcharging the system occurs when the pipe is flowing under pressure. However, many of the initial design assumptions are unnecessary in the analysis of a collection system when the pipe already exists and its diameter and slope are fixed.

In the analysis of an existing sewer system, the Hydra program compares the capacity of each pipe in the system with the peak wastewater flow projected for that particular link or reach of pipe. If the existing pipe size is surcharged, the Hydra program automatically increases the pipe diameter to the next largest standard pipe size that will carry the design flow without being surcharged. At a minimum, all pipes should be 8 inches or larger in diameter and the velocity of flow in the pipe should be greater than 2 feet per second (ft/s). This velocity will prevent deposition of solids in the sewer and help to re-suspend any materials that may have already settled in the pipe. The minimum corresponding slopes to maintain 2 ft/s for various pipe sizes are shown in Table 1.

Table 1
Minimum Pipe Slopes ft/ft

Sewer Size	Slope
8"	0.0028
10"	0.0021
12"	0.0016
15"	0.0012
18"	0.0010

It is important to note that the slopes listed above assume the depth of flow in the pipe is 0.64 percent full. If there is insufficient flow to create this condition, greater slopes than those shown may be required in order to maintain the minimum self cleaning velocity condition.

The design and analysis of gravity sewer pipes is typically based upon the depth to diameter ratio (d/D). Common design criteria for proposed new sewer design is 0.50 (50% full) for 8 to 15-inch diameter pipes and 0.75 (75% full) for 18-inch and larger pipes. The area above the water surface (residual capacity) helps to keep the sewage aerated, reducing the possibility of septic conditions and odors. Existing wastewater systems are typically allowed to flow with less residual capacity because development and redevelopment has occurred or is foreseeable in the near future.

This report establishes the hydraulic design criteria for existing sewer pipes by classifying "over capacity" pipes as any with a d/D greater than 0.64. This d/D ratio was arrived at by taking 75 percent of the depth to diameter ratio of a pipe having maximum stable flow capacity, which is at a d/D of 0.85 (75% of 85% is 64%). The area above a d/D of 0.85 is considered hydraulically unstable. This reduction results in approximately 35 percent of the pipe's full flow capacity being reserved for variations in discharges, periodic peaking of

flow, seasonal variations and minor or temporary obstructions. Again, this residual capacity helps to keep the sewage aerated, reducing the possibility of septic conditions and odors.

The residual capacity allows for the possibility that actual wastewater flows may be slightly higher than anticipated, especially during the hours when instantaneous or intermittent peaks may occur. These peaks are generally observed between the hours of 6:00 a.m. and 8:00 a.m. Monday thru Friday and between the hours of 9:00 a.m. and 11:00 a.m. Saturday and Sunday. Peak flows may also be observed during rainfall events due to inflow and infiltration conditions.

Exhibit maps A, B, & C in Appendix 'O-1' shows the pipes that are capacity deficient per the 0.64 criteria and also shows the pipes that are deficient per the 0.50 criteria. Only the pipes that exceed the 0.64 criteria are recommended for correction projects.

The design capacity of a gravity pipeline is the calculated capacity of the pipeline based on the Manning formula:

$Q=1.486\ R^{2/3}\ S^{1/2}\ /n$ where, Q = flow in cubic feet per second
R = hydraulic radius in feet = A/ P
A = cross-sectional area of the pipe in square feet
P = wetted perimeter in feet
S = slope of the pipe in feet of rise per foot of length
n = Manning's friction factor

Sewer system capacity is established using a Manning's fiction factor of 0.013 for vitrified clay pipe.

Alternatives

The following alternatives were considered in developing the recommended schedule of deficiency correction projects.

1. Construction of a parallel sewer facility to carry the excess sewage flow is an obvious solution to most of the deficiencies; however, this solution is not necessarily the most economical or practical approach. In some instances rerouting of tributary areas or the construction of a single relief sewer line can be planned in such a way that it will relieve several main sewer lines thereby avoiding the construction of parallel or replacement facilities and the related cost.

2. In other instances, replacement of the existing sewer with a larger size may be the preferred alternative. The replacement or upsizing of the line may include open trench installation or pipe bursting (if surrounding condition are conducive), and the use of temporary bypass pumping. The decision as to which correction alternative to construct is typically made just prior to the design phase after careful consideration of all design constraints such as existing utilities and the costs associated with potential

utility relocation to provide additional space for the construction of a replacement sewer line.

The engineer's opinion of budget figures (See Appendix 'P') was prepared based on the cost to remove and replace the existing sewer with a larger size, as this is the most conservative cost approach.

It is suggested the where the depth of flow exceeds the design criteria of 0.64 d/D, but does not exceed the maximum stable flow capacity of 0.85 d/D, that consideration be given to allowing these sewers to flow in a slightly overloaded condition in lieu of building a more costly relief facility. This overloading occurs only during peak flow conditions that are short in duration. However, the City should frequently monitor these sewers in order to under take a future corrective action as the overloading problem becomes worse.

Analysis of Existing Sewer System

The City's sewer system was modeled using Pizer Hydra Ver. 6.4. The Hydra program is designed to provide analysis of both the existing sewer system and the design of any new sewer lines.

After defining (laying out) the existing sewer system, the network was divided into 179 SMZ's or sewer drainage areas, based upon city sewer records, for input into the computer model. The input data consisted of a numerical designation for each manhole and length of sewer pipe between manholes, the slope of the line, and flow line elevation of each manhole.

Computation of Wastewater Inflows

Once the schematic of the sewer system network was established, data was compiled on each SMZ, General Plan land uses (zoning), and related factors that affect the volume of wastewater generated. Next, it was necessary to compute the area of each type of land use; e.g., low-density residential, medium-density residential, high-density residential, commercial, industrial, schools, etc., within each drainage boundary. The unit flow coefficients (see Table 2) were then applied to the computed areas of land use within each SMZ. The unit flow coefficients, when applied to the land use areas, provide peak flow rates for each particular land use category. The wastewater inflows calculated for the various land use categories within the SMZ were then accumulated to provide the calculated peak flow for the entire drainage area. The accumulation of estimated wastewater flow is accomplished totally within the computer program.

Table 2
Unit Flow Coefficients for Peak Flow Rates

Zone	Cu. Ft. per sec. per acre	Gallons per day per acre
R-1	0.004	2585
R2	0.008	5171
R3	0.012	7756

R-P, Commercial	0.015	9695
Manufacturing	0.021	13573
Institutional	0.015	9695

Flow Monitoring

There was no flow monitoring performed under the contract services for preparation of this SSMP. However, flow confirmation work can be undertaken at any time in the future. Typically, as maintenance inspection findings indicate changed pipeline capacity conditions for those pipe segments near capacity as indicated in the modeling evaluation results. Flow monitoring results can be used to verify and/or calibrate the sewer flow modeling work for a SMZ as affected by changes in development or observed manhole inspections of flow conditions. Also, additional future flow monitoring is recommended at near capacity locations, during periods of rain, to verify or deny potential inflow and infiltration problems, and to refine design parameters, especially for the higher density residential zones.

For each site monitored, the flow data should be reviewed and compared to the contributing SMZ area. The peak monitored flow rate must be compared to the design flow rate and the shape of the outflow curve compared to the SMZ modeled result. An expected difference between the monitored flow and the design flow is between 150 to 250 percent. This difference is expected because the design flow rate includes the maximum flow rate expected from each development type which contains both wet weather inflow/infiltration and design peaking safety factors.

Summary of Findings and Recommendations

Within the initial introduction and summary section, both the critically deficient (> 85% full) and seriously deficient (between 64% and 85% full) pipe segments were described and referenced. Before undertaking design and construction or identifying further project priorities, the performance of select flow monitoring is recommended at crucial locations, especially during periods of rain to verify or deny any potential inflow and infiltration problems. Also to confirm the actual in-system flow conditions which can and do vary do to water usage and customer practices in waste disposal. The findings identified in this evaluation and report are for planning guidance in addressing the sewer system capacity conditions. Further pre-design refinement and analysis will be necessary before initiation of a final design of improvements for the facilities is under taken.

In the event of any land use changes to the General Plan, upon which this study was based, the model should be updated to reflect the consequences of such changes. The model should also be updated to reflect the construction of new sewer lines.

Recommended Deficiency Correction Projects

Presented in the engineer's opinion of cost (Appendix 'P') is a remove and replace approach to correct the identified deficient pipe segments. This is usually a conservative approach to costing and should be refined by thorough engineering evaluation and assessment of the specific conditions and replacement options before proceeding with a specific correction project.

The following criteria for defining and prioritizing relief facility need was used:

Priority 1

Sewers with critical deficiencies of $d/D > 0.85$, are recommended for correction first. Sewers meeting these criteria are ranked highest.

Priority 2

Sewers with critical deficiencies of $0.64 < d/D < 0.85$ are recommended for correction second. Sewers meeting these criteria are ranked lower.

Priority 3

Sewers with a $d/D < 0.64$ are not capacity deficient; therefore, are not ranked here.

Sewer System Improvements Costs

The unit prices shown in the engineer's opinion of cost (see Appendix 'P') represent the anticipated construction cost only as applicable for mid 2016. Bid prices received on jobs of similar nature in Southern California area were one source of information used to derive the cost figure. In addition, manufacturers, suppliers of material and equipment, and local contractors were consulted on various cost items. An additional 35% of construction cost is added to cover the cost of contingencies, design engineering, contract administration and construction observation.

The engineer's opinion of cost does not include an adjustment for inflation. Construction costs can be expected to fluctuate as corresponding changes occur in the national or local economy. One available indicator of these changes is the Engineering News-Record Construction Cost Index for the Los Angeles metropolitan area. This index is compiled from actual construction cost data for materials and labor and is reported in Engineering News-Record magazine. It is suggested that this index be used to update the unit prices presented in Appendix 'P' and in adjusting the estimate from the date of the initial estimates.

Financing of Improvements

General

Funding considerations are often the deciding factor in scoping and implementation of a project. There are, of course, numerous methods or mix of methods, which could be used to finance the implementation of a sewer system capital improvement plan (CIP), and the ongoing operations and maintenance activities. Among these methods are:

1. Pay-as-You-Go Financing (rates, fees and charges based)
2. State Assistance Programs
3. Municipal Securities
4. Improvement Districts
5. Federal Assistance Programs

In the discussion that follows, the above funding options are briefly described and their adaptability to specific circumstances of a sewer system CIP are noted. In evaluating specific funding programs, services of financial and legal experts in such issues are recommended.

Methods of Financing

1. Pay-as-You-Go Financing:

   Development of cash reserves or capital improvement funds, from an agency's revenue base, is often referred to as "pay-as-you-go" funding. This method avoids interest payments on other types of debt financing. Under this form of financing, the initial capital cost of a project must be accumulated in advance of construction, which can cause a delay in project implementation. If delay is not a crucial factor, this is a cost effective method due to the absence of debt financing costs. This method has sometimes been used together with various forms of short-term financing to construct needed sewer infrastructure.

2. State Assistance Programs:

   Under the rules and regulations of the Federal Water Pollution Control Act (Clean Water Act or CWA) and the Federal Safe Drinking Water Act (SDWA), the State has enacted the Clean Water State Revolving Fund (CWSRF) and the Drinking Water Revolving Fund (DWSRF), respectively. These programs are funded by Federal grants, State funds and Revenue bonds. The CWSRF Loan Program provides low-interest loan funding for construction of publicly-owned wastewater treatment facilities, sewers, sewer interceptors, water recycling facilities, as well as implementation of non-point source (NPS) projects or programs. There are different types of funding assistance available under these programs.

www.waterboards.ca.gov/water_issues/programs/grants_loans/srf/

The Department of Water Resources administers the State bond law programs for Water supply/Water quality, Water conservation, Flood management and Regional water management. www.grantsloans.water.ca.gov

The State Water Resources Control Board administers the State revolving fund loans, Water recycling grants & loans, Small community grants, Agricultural drainage loans, Agricultural drainage management loans, Clean beaches initiative grants, Agricultural water quality grants, Areas of special biological significance (ASBS) grants, Storm water grants, and Santa Monica bay restoration commission grants. www.waterboards.ca.gov

The State Department of Public Health administers the DWSRF, Proposition 84 funding for public water systems, and Proposition 50 for the water security, clean drinking water, coastal and beach protection act of 2002 loans. www.cdph.ca.gov

Various types of infrastructure improvement/construction loans can be arranged through the California Infrastructure and Economic Development Bank (IBank)
www.ibank,ca,gov

Limited amounts of public works grant funds have been available to agencies from the State Office of Economic Development. Use of such grant funds must result in the creation of new, permanent jobs in the private sector. In order to ensure that the funds are ultimately assisting those in most need, projects eligible for consideration must be those in areas designated eligible for HUD Urban Development Action Grants (UDAG), EDA Sudden or Long-term Economic Deterioration, or EDA Designated Special Impact Area.

3. Municipal Securities:

Historically, general obligation bonds (GOB's) had been a prevalent method of financing various public works improvements. They are secured by an agency's total assets and payable from ad valorem taxes levied on all taxable properties within the agency's boundary. However, the Jarvis-Gann Amendment (Proposition 13 of 1978) prohibits the levying of ad valorem property taxes beyond pre-existing authorizations and levels (pre-July 1, 1978). Therefore, authorization and issuance of GOB's is not considered feasible under current law.

An option to GOB's is the issuance of a specific type note or bond form, such as a revenue anticipation note (RAN) or a tax anticipation note (TAN) or a certificate of participation (COP) or various combinations of available authorities that can be used to fund public infrastructure needs. These types of municipal securities (Munis) are generally tax-exempt and commonly used to fund public works infrastructure and facilities. Many states also exempt their securities from their own taxes, which makes those securities particularly attractive investments for their own residents.

TAN's and RAN's are instruments backed by anticipated taxes or revenues respectively. When these types of notes are considered for funding of needed infrastructure, a specified source of tax or revenue stream is identified and pledged for repayment of the debt. For example, with sewer facilities, all or a portion of the sewer service revenue fees/charges could be used as backing for the debt instrument selected. Then other local revenue sources could be considered for ongoing operations and maintenance (O&M) or some acceptable mix and match of funds specified to secure the debt and accomplish the O&M.

COP's are another form of municipal funding instrument available. These generally require the facility improvement being funded to be named as security for the investment with a lease back of the facility by the municipality. In turn, the municipality pledges some revenue stream(s) that would be used to repay the investor held notes.

When Munis are being considered for funding of improvements, consultation with an experienced and qualified financing consultant and bond counsel are a must.

4. Improvement Districts:

In general, special assessment district procedures have been established by statute to provide for financing of construction and/or acquisition of public works improvements, such as sewer systems, and for assessing the cost of such improvements to the benefiting properties. Under all assessment proceedings, the cost of the work is assessed against properties within the benefited area. The assessments are levied in specific amounts against each individual property on the basis of the benefit each parcel receives. The property owner may pay the assessment in cash during the cash collection period of 30 days. But, if any assessments are not paid in cash during that period, bonds are usually issued to represent the unpaid assessments and the benefited properties are assessed on their annual property tax bill over a usual period of 10 to 20 years.

The City of West Covina utilizes Government Code Section 38902 to establish sewer service charges. While an assessment district proceeding may be a reasonable and equitable means for financing sewer system improvements, further evaluation and stakeholder involvement is a usual practice to determine the viability and practicality of utilizing such financing method.

5. Federal Assistance Programs:

There are, and have been, a series of federal grant and loan programs which may be applicable to public infrastructure projects. However, the qualification criteria for such programs vary from time to time and their funding or continuation is subject to congressional appropriations. Therefore, such programs should not be considered as a likely source of funds unless a funding commitment letter has been received.

Historically, federal programs administered by the Economic Development Administration (EDA) provide financial and technical assistance to aid the economic development of areas with high unemployment or low family income levels. Communities must make long-range plans for economic growth in order to be eligible for EDA financial assistance, in the form of grants and loans for public works and

development that generates jobs and economic opportunity. Typical public works projects include construction of roads, water and sewer lines, and public facilities. To determine the status requires timely monitoring.

Under the rules and regulations of the Housing and Community Development Act of 1974, the Community Development Block Grant (CDBG) program can fund housing and community development needs. This includes part or all of improvements necessary to upgrade existing sewer facilities. Those qualifying geographic areas within the City that have the greatest overall deficiency in physical infrastructure receive the highest priority according to CDBG criteria. When the sewer system has a defined deficiency, then it is appropriate to use CDBG funds to meet health and safety standards as well as to encourage up-grading of abutting housing and physical environment.

The primary statutory objective of the CDBG program is to develop viable communities by providing decent housing and a suitable living environment and by expanding economic opportunities, principally for persons of low- and moderate-income. Communities receiving CDBG funds through the State may use the funds for many kinds of community development activities including, but not limited to:

- acquisition of property for public purposes;
- construction or reconstruction of streets, water and sewer facilities, neighborhood centers, recreation facilities, and other public works;
- demolition;
- rehabilitation of public and private buildings;
- public services;
- planning activities;
- assistance to nonprofit entities for community development activities; and
- assistance to private, for profit entities to carry out economic development activities (including assistance to micro-enterprises).

www.hcd.ca.gov/ca/cdbg/about/html

The United State Department of Agriculture Rural Development Program provides communities with population less than 50,000 a variety of direct-guaranteed-loans and /or grants. These include water and wastewater system improvement funding.

AGENDA STAFF REPORT

City of West Covina | Office of the City Manager

DATE: July 5, 2022

TO: Mayor and City Council

FROM: David Carmany
City Manager

SUBJECT: RENEWAL OF LANDSCAPE MAINTENANCE DISTRICT NO. 4 — ORDERING OF ENGINEER'S REPORT AND PRELIMINARY APPROVAL OF THE ENGINEER'S REPORT

RECOMMENDATION:

It is recommended that the City Council take the following actions:

1. Adopt the following resolution:

   RESOLUTION NO. 2022-70 — A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA, ORDERING THE PREPARATION AND FILING OF A REPORT REGARDING THE FISCAL YEAR 2022-23 ASSESSMENT TO BE LEVIED IN CONNECTION WITH LANDSCAPE MAINTENANCE DISTRICT NO. 4

2. Following adoption of Resolution No. 2022-70, adopt the following resolution:

   RESOLUTION NO. 2022-71 – A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA, PRELIMINARILY APPROVING THE ENGINEER'S REPORT FOR LANDSCAPE MAINTENANCE DISTRICT NO. 4, DECLARING ITS INTENTION TO LEVY AND COLLECT ASSESSMENTS WITHIN SAID DISTRICT FOR FISCAL YEAR 2022-23 AND SETTING A PUBLIC HEARING REGARDING SUCH ASSESSMENTS

BACKGROUND:

The Landscaping and Lighting Act of 1972 (California Streets and Highways Code section 22500 et seq.) (the "Act") specifies the procedures for renewal of landscape maintenance districts. Landscape Maintenance District No. 4 (LMD4) was established in accordance with the Act in 1975. This district is located in the southeasterly part of the City. The assessments collected are used to maintain landscaping, irrigation, hardscape (e.g. sidewalks, walls, etc.), and area lighting on 130 acres of public open space within the boundaries of the district. To encourage innovative housing types and neighborhood designs and to preserve the ridgelines in the San Jose Hills, this area was originally developed with relatively narrow street rights-of-way and small lot sizes. The resulting surplus land was converted to landscaped slope areas and park like "green belt" areas containing walkways, landscaping, and lighting.

DISCUSSION:

The initial step of the renewal process is to adopt the resolution ordering the Engineer's Report.

This report has been completed and includes plans and specifications for improvements, estimated costs, assessment diagrams, and assessments spread to cover the estimated costs. The report was prepared in accordance with the Act.

The next step in the renewal process is the preliminary approval of the Engineer's Report and adoption of the Resolution of Intention concerning the levy and collection of assessments for LMD4. The Act also requires the Resolution of Intention to give notice of, and fix a time and place for, a public hearing regarding the proposed assessments. Staff is recommending setting a public hearing date of July 19, 2022. At the public hearing, the City Council will consider all written and oral comments regarding the level of assessments, and the maintenance and capital improvement work proposed for LMD4. The renewal process requires that a public notice be posted and published in a locally circulated newspaper, but does not require notices be mailed to each resident. Upon the conclusion of the hearing, the City Council should adopt a resolution confirming the diagram and assessment levy either as proposed or as changed by the City Council.

At this time, staff recommends that the assessment rates be maintained at their current levels for Fiscal Year 22-23. The annual assessment rates for LMD4 will be maintained at $348.02 for a single dwelling unit and $464 for a duplex unit.

It should be noted that, for various reasons, rates have not been increased since 2009, which has led to reduced services and increased concerns by residents. Maintenance districts are supposed to be self-funded and not rely on general fund contributions. The City intends to conduct a full study of what a proper level of maintenance would cost and explore how to set the assessment rate accordingly. If rates are to be increased, the City will be required to comply with the requirements of Proposition 218.

LEGAL REVIEW:

The City Attorney's Office has reviewed and approved the resolutions as to form.

OPTIONS:

The City Council has the following options:

1. Approve staffs recommendation; or
2. Provide alternative direction.

Prepared by: Michael Ackerman, City Engineer

Fiscal Impact

FISCAL IMPACT:

The Fiscal Year 2022-23 Engineer's Report for LMD4 recommends that the assessment rates be maintained at their current levels. The annual assessment rates for LMD4 will be maintained at $348.02 for a single dwelling unit and $464 for a duplex unit. The projected income from the recommended rates is $996,266. In addition, $9,000 is projected to be received from Landscape Maintenance District No. 2 (LMD2) for costs of maintenance in an overlap area between LMD2 and LMD4. The total projected revenue is $1,008,616 including $3,350 in interest. With the $2,270,104 balance from the previous year, the total funds available is $3,278,270.

The adopted operating budget for LMD4 for Fiscal Year 2022-23 is $1,160,285, which is an decrease of -7.01% compared to the approved/amended budget for Fiscal Year 2021-22. The operating budget funds only the regular landscape maintenance. Ongoing improvements such as irrigation system improvements, enhancement to existing landscaping, tree trimming, and other extras are being eliminated to maintain the operating budget within projected revenues from the capped assessment rates.

LMD4	Amount
Estimated Beginning Fund Balance	2,270,104
Projected Revenue	1,008,616
FY2022-23 Budgeted Expenditures	1,160,285
Estimated Ending Fund Balance	**$2,118,435**

OVERVIEW

The City of West Covina ("City"), annually levies and collects assessments in order to provide and maintain facilities, improvements and services within Landscape Maintenance District No. 4 ("District"). The District was established in 1975 pursuant to the *Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code* ("1972 Act"). The District was created at the request of the owner of the developments in lieu of forming a Homeowner's Association. The funds collected are used to maintain landscaping, irrigation, hardscape, and paseo lighting on 130 acres of public open space within the boundaries of the District.

The Engineer's Report ("Report") has been prepared pursuant to Chapter 1, Article 4 and Chapter 3 of the 1972 Act, and presented to the City Council for their consideration and approval of the proposed improvements and services to be provided within the District and the levy and collection of annual assessments for Fiscal Year ("FY") 2022/2023.

This Report describes the District, the improvements and the proposed assessments to be levied against properties in connection with the benefits the properties will receive from the maintenance and servicing of the District improvements for FY 2022/2023. The annual assessments to be levied on properties within the District provide a funding source for the continued operation and maintenance of local landscape improvements installed in connection with the development of properties within the District. Each FY, the City establishes the District's assessments based on an estimate of the costs to maintain, operate and service the landscape improvements and based upon available revenues including fund balances, City contributions and assessment limits. The costs of the improvements and the proposed annual assessments budgeted and assessed against properties within the District may include: the estimated expenditures for regular annual maintenance and repairs; incidental expenditures related to the operation and administration of the District; deficits or surpluses from prior years; revenues from other sources; and the collection of adequate funds for operational reserves or periodic expenditures including installments collected for long-term improvement projects. Each parcel is assessed proportionately for only those improvements, services and expenses for which the parcel will receive special benefit.

The word "parcel," for the purposes of this Report, refers to an individual property assigned its own Assessor's Parcel Number ("APN") by the Los Angeles County ("County") Assessor's Office. The County Auditor/Controller uses Assessor's Parcel Numbers and specific Fund Numbers to identify properties to be assessed on the tax roll for the special benefit assessments.

At a noticed annual Public Hearing, the City Council will accept all public comments and written protests regarding the District and the annual levy of assessments. Upon conclusion of the Public Hearing, the City Council will consider all public comments and review the Report. The City Council may order amendments to the Report or confirm the Report as submitted. Following final approval of the Report and

confirmation of the assessments the Council will, by Resolution, order the improvements to be made and confirm the levy and collection of assessments pursuant to the 1972 Act. The assessments as approved will be submitted to the County Auditor/Controller to be included on the property tax roll for each parcel.

While the budgets outlined in this Report reflect the estimated costs necessary to fully and adequately provide for the maintenance and operation of the improvements within the District, many of these estimated costs and associated services cannot be funded by the current assessment revenues. To fully fund the improvements, it will be necessary to increase assessment revenues which will require the support of the property owners for new or increased assessments through a ballot proceeding conducted under the provisions of the California Constitution Article XIIID. Although such proceedings are not being conducted this FY and the proposed District assessments for FY 2022/2023 are not being increased over the assessments levied in the prior FY, such assessment increases may be considered in the future due to the rising costs associated with the maintenance of District improvements.

As required by the 1972 Act, this Engineer's Report describes the improvements to be operated, maintained and serviced by the District, an estimated budget for the District improvements, and the proposed assessments to be levied upon each assessable lot or parcel within the District for FY 2022/2023.

This Report consists of five (5) parts:

Part I

Plans and Specifications: A general description of the District and the improvements for which parcels are assessed. The proposed assessments as outlined in this Report are based on the improvements that provide a special benefit to the properties within the District. The plans and specifications contained in this Report generally describe the nature, location and extent of the improvements.

Part II

Method of Apportionment: A description of how the proportionate amount of the assessments is to be charged in proportion to the benefits received by each lot or parcel within the boundaries of the District.

Part III

Estimate of Costs: An estimate of the annual costs to properly operate, maintain, and service the landscape improvements and appurtenant facilities. This budget includes an estimate of the maintenance costs and incidental expenses including, but not limited to: labor, materials, equipment and administration expenses as well as the collection of appropriate funding necessary to properly support the improvements. Not all services and costs identified in these budgets can be supported by the current assessment revenues and City contributions, and as such, City staff shall make the

determination of which services and activities shall be provided based on available revenues.

Part IV

Boundary Map: A diagram showing the boundaries of the District is provided in this Report and includes all parcels determined to receive special benefits from the improvements. Parcel identification, the lines and dimensions of each lot, parcel and subdivision of land within the District are shown on the Los Angeles County Assessor's Parcel Maps, and shall include any subsequent lot line adjustments or parcel changes therein. Reference is hereby made to the Los Angeles County Assessor's Parcel Maps for a detailed description of the lines and dimensions of each lot and parcel of land within the District. A diagram showing the overall boundaries of the District is on file with the City Clerk and the Office of the City Engineer, and by reference is made part of this Report.

Part V

Assessment Roll: A listing of the assessment amount associated with each parcel within the District. The assessments presented herein are unchanged from the previous FY.

PROPOSITION 218 COMPLIANCE

On November 5, 1996, California voters approved Proposition 218 ("Prop 218"). This Proposition amended the California Constitution and was the latest in a series of initiatives reducing the revenue-raising discretion of California local governments. The provisions of the Proposition, now California Constitution Articles XIII C and XIII D, can be summarized in four general areas:

1. Strengthens the general and special tax provisions of Proposition 13 and Proposition 62.
2. Extends the initiative process to all local taxes, assessments, fees, and charges.
3. Adds substantive and procedural requirements to assessments.
4. Adds substantive and procedural requirements to property-related fees and charges.

Prop 218 required that beginning July 1, 1997, all new and existing assessments (with some exceptions) must conform to new substantive and procedural requirements. However, certain assessments are exempted from these requirements until they are increased.

Generally, these exemptions include:

(a) Assessments used exclusively to fund sidewalks, streets, sewers, water, flood control, drainage systems, or vector control.

(b) Assessments imposed pursuant to a petition signed by the persons owning all of the parcels subject to the assessment at the time the assessment is initially imposed.

(c) Assessments used exclusively for bond repayments, the cessation of which would violate the Contract Impairment Clause of the U.S. Constitution.

(d) Assessments previously approved by a majority of voters.

Since the District and the related assessments were established in 1975 at the request of the owner of the property, the initial District assessments were not required to conform with the Article XIIID substantive and procedural requirements. The maximum assessment rate for the District at the time of the passage of Prop 218 was $464.00 previously approved by the City Council in FY 1989-90. Any subsequent increases in the assessments above the maximum rate previously approved by City Council prior to November 5, 1996 will be subject to the procedures and approval process of Section 4 of Article XIIID of the California Constitution.

I. PLANS AND SPECIFICATIONS

A. ZONES OF BENEFIT

For FY 2022/2023, the parcels, lots, subdivisions and developments within the District are identified and grouped into nine (9) zones of benefit referred to as “Zones”. Each Zone reflects the landscape improvements associated with the development of properties in that Zone, in order to fairly and equitably apportion the net cost of providing those improvements to the properties that receive special benefits from the service and activities associated with those improvements. Most of the parcels in the District are identified as single-family and multi-family residential properties. All parcels receive special benefits from the improvements because of the increased desirability of a parcel that is located in an area with landscaping, and open space areas. Public agency parcels within the District will not be used for residential occupancies or commercial/industrial workplaces, and therefore, do not receive special benefit and will not be assessed. The assessments proposed to be levied on each property do not exceed the reasonable cost of proportional special benefit conferred on each property from the funded improvements.

The following is a brief description of the District Zones:

Zone A1:

Parcels in this zone are commercial properties, which are located at the intersections of major arterial roadways. These parcels are benefited by the District improvements to a lesser degree due to their proximity to the open space areas. Nonetheless, the parcels are benefited by aesthetically pleasing landscaping and open space areas which enhance the desirability of living in the District, because its promotion of evening business and industry vitality, and contribution to a positive nighttime visual image.

Zone A2:

Parcels in this zone are condominium type homes with open space areas located along the fringes of the zone. Due to the nature and higher density of the parcels and the higher intensity of the property use, the parcels derive benefits such as providing a more peaceful and relaxed lifestyle due to the surrounding open space areas.

Zone A3:

Parcels in this zone are made up of condominiums and apartment complexes with smaller areas of open space within the zone. Due to the denser housing within this zone, Zone A3 is distinctly benefited by the interspersed open space areas within the zone. Although open space areas are smaller than in other zones, the incorporation of such areas into Zone A3’s higher-intensity property uses peculiarly benefits Zone A3’s parcels by providing aesthetically pleasing landscaping and enhancing the desirability of living in Zone A3.

Zone A4:

Parcels in this zone are condominium type homes. The open space areas are in close proximity to the condominiums in this zone, thus providing the zone's parcels with benefits such as the enhancement of quality of life within the community characterized by openness, landscape and natural vistas, wildlife and relaxed, peaceful living.

Zone A5:

Parcels in this zone are made up of detached single-family homes with large open space areas in close proximity. Zone A5 parcels derive a benefit particular to their zone, based on the significant size and proximity of the open space areas to the parcels. The large open spaces in the vicinity of the parcels contribute to lower housing density due to the dedication of acreage for landscaping and natural areas, which thereby reduce the number of buildable parcels.

Zone A6:

Parcels in this zone are made up of detached single-family homes with open space areas located along the fringes of the zone. Having the open space areas along the perimeter of the zone is advantageous to the parcels within Zone A6 due to the open space areas' positive results on the parcels, such as attracting natural flora and fauna, providing a more peaceful and relaxed lifestyle.

Zone A7:

Parcels in this zone are made up of detached single-family homes. The open space areas are in close proximity to the single-family homes. These open space areas are connected with paseos that include concrete walkways and lights. These paseos provide for safe pedestrian travel within the zone and into adjacent Zone A9.

Zone A8:

Parcels in this zone are made up of four-plexes with open space areas located along the fringes of the zone that provide a barrier from the major arterial roadway. The strategic location of open space areas at the fringe create an aesthetically pleasing yet practical perimeter around the zone, which provides a more peaceful and relaxed lifestyle by attracting natural flora and fauna to Zone A8 parcels which, because of the close proximity to major arterial roadways, would not otherwise receive such benefit. Moreover, the higher-intensity property use receives a significant benefit from the natural vistas and landscaping provided by the open space areas.

Zone A9:

Parcels in this zone are made up of duplexes. The open space areas are in close proximity to the duplexes and are connected by paseos. The paseos are improved with concrete walkways and lights. These paseos provide for safe pedestrian travel within the zone and into adjacent Zone A7, and promote social interaction.

B. DESCRIPTION OF WORK

The existing facilities to be maintained and serviced include public open space area, lighting, parkway, and manufactured slopes and appurtenant facilities. There are approximately 130 acres of open space within the District.

The District will fund the costs in connection with the district maintenance and servicing including, but not limited to, personnel, electrical energy, water, materials, contracting services, and other expenses necessary for the satisfactory operation of these facilities. The facilities and improvements which have been constructed within the District and which will be maintained and serviced are described as follows:

Landscaping and Appurtenant Facilities
Facilities include but are not limited to: landscaping, planting, shrubbery, trees, irrigation system, hardscape, fixtures, sidewalk maintenance resulting from landscape growth and appurtenant facilities, in public right-of-way, parkways, and dedicated easements within the boundaries of said District.

Lighting and Appurtenant Facilities
Facilities include but are not limited to: poles, fixtures, bulbs, conduits, conductors, equipment including guys, anchors, posts and pedestals, metering devices and appurtenant facilities as required to provide lighting in the public right-of-way and dedicated easements within the boundaries of said District.

“Maintenance” means, as defined in the 1972 Act, the furnishing of services and materials for the ordinary and usual operation, maintenance and servicing of the landscaping, public lighting facilities and appurtenant facilities, including repair, removal or replacement of all or part of any of the landscaping, public lighting facilities or appurtenant facilities; providing for the life, growth, health, and beauty of the landscaping, including cultivation, irrigation, trimming, spraying, fertilizing and treating for disease or injury; the removal of trimmings, rubbish, debris and other solid waste; and the cleaning, sandblasting and painting of walls and other improvements to remove or cover graffiti.

“Servicing” means the furnishing of water for the irrigation of landscaping and the maintenance of any of the public lighting facilities and furnishing of electrical energy for the public lighting facilities or for the lighting or operation of landscaping or appurtenant facilities.

C. IMPROVEMENTS AUTHORIZED BY THE 1972 ACT

As applicable or may be applicable to this proposed District, the 1972 Act defines improvements to mean one or any combination of the following:

- The installation or planting of landscaping.
- The installation or construction of statuary, fountains, and other ornamental structures and facilities.
- The installation or construction of public lighting facilities.
- The installation or construction of any facilities which are appurtenant to any of the foregoing or which are necessary or convenient for the maintenance or servicing thereof, including, but not limited to, grading, clearing, removal of debris, the installation or construction of curbs, gutters, walls, sidewalks, or paving, or water, irrigation, drainage, or electrical facilities.
- The maintenance or servicing, or both, of any of the foregoing.
- The acquisition of any existing improvement otherwise authorized pursuant to this section.

Incidental expenses associated with the improvements including, but not limited to:

- The cost of preparation of the report, including plans, specifications, estimates, diagram, and assessment;
- The costs of printing, advertising, and the publishing, posting and mailing of notices;
- Compensation payable to the County for collection of assessments;
- Compensation of any engineer or attorney employed to render services;
- Any other expenses incidental to the construction, installation, or maintenance and servicing of the improvements;
- Any expenses incidental to the issuance of bonds or notes pursuant to Section 22662.5.
- Costs associated with any elections held for the approval of a new or increased assessment.

D. DESCRIPTION OF IMPROVEMENTS AND SERVICES

The District is located in the southeasterly part of the City of West Covina. To encourage innovative housing types and neighborhood designs, and to preserve the ridgelines of the San Jose Hills, this area was developed with relatively narrow street right-of-way's and small lot sizes. The resulting surplus of land was converted to landscaped slope areas and park-like "green belt" areas containing walkways, landscaping, and lighting.

The detailed plans and specifications of the District improvements are on file in the office of the City Public Works Department and by reference are made part of this Report.

Ongoing and Completed Capital Improvement Projects:

FY 2022/2023, improvements include:

- There are currently no ongoing and completed capital improvement projects for FY 2022/2023.

FY 2021/2022, improvements included:

- There are currently no ongoing and completed capital improvement projects for FY 2021/2022.

II. METHOD OF APPORTIONMENT

The 1972 Act permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements which include the construction, maintenance, and servicing of public lights, landscaping and appurtenant facilities. The 1972 Act further requires that the cost of these improvements be levied according to benefit rather than assessed value:

"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements."

Because assessments are levied on the basis of benefit, they are not a tax, and, therefore, are not governed by Article XIIIA of the California Constitution.

Section 22574 of the 1972 Act permits the designation of zones of benefits within any individual assessment district if "by reason of variation in the nature, location, and extent of the improvements, the various areas will receive different degrees of benefit from the improvements." Thus, the 1972 Act requires the levy of a true "assessment" rather than a "special tax."

The 1972 Act also permits certain parcels to be exempt from assessment. Excluded from these assessments are areas of all publicly owned property such as: public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, all public easements, and right-of-way's, all public parks, public greenbelts and parkways, and all public property being used for public purposes. However, per Proposition 218, any publicly owned property that benefits from District improvements shall be assessed its proportional share of District costs.

The formula used for calculating assessments in this District reflects the composition of the parcels, and the improvements and services provided in order to fairly apportion the costs based on estimated benefit to each parcel.

A. BENEFIT ANALYSIS

All parcels in the District derive benefit from the open space maintenance. The intent of this Report is to establish a methodology that fairly distributes the cost of the system in relation to the benefit received.

The assessment ratio for all properties is based on dwelling units. Each single-family residential parcel, condominium complex, apartment, duplex, multi-family residential, and other developed land, is assessed per dwelling unit. This pro-ration accounts for an adjustment for street right-of-way's and public easements.

B. ASSESSMENT METHODOLOGY

The methods of apportionment utilized for the District calculates the receipt of special benefit from the respective improvements based on the actual or proposed land use of the parcels. The special benefit received by each lot or parcel is equated to the overall land use of the parcel based on the parcel's actual land use or proposed planned development and is reliant upon the special benefit received from the improvements within the District.

To identify and determine the special benefit to be received by each parcel, it is necessary to consider the entire scope of the improvements. The costs associated with the improvements shall be fairly distributed among the parcels based upon the special benefit received by each parcel. Additionally, in compliance with Section 4 of Article XIIID, each parcel's assessment may not exceed the reasonable cost of the proportional special benefit conferred to that parcel. The benefit formula used to determine the assessment obligation is therefore based upon both the improvements that benefit the parcels of the District as well as the proposed land use of each property as compared to other parcels that benefit from those specific improvements.

The assessment methodology and assessment rates proposed for FY 2022/2023 determined that all parcels receive special benefit for the landscape and lighting maintenance. In order to continue to provide the current level of maintenance services, the budget is proposed to be maintained at the FY 2021/2022 level. Therefore, the assessment rates for the FY 2022/2023 are not proposed to be increased.

The District was established in 1975 prior to Proposition 218 requirements, and the assessment for all properties is based on dwelling units. Each single-family residential parcel, condominium complex, apartment, duplex, multi-family residential, and other developed land, is assessed per dwelling unit. The land-use classification for each parcel is based on the Los Angeles County Auditor/Controller's Assessment Roll.

The specific percent budget allocations, which were previously established for each zone, will not be increased in FY 2022/2023. To calculate the Assessment Rates, the budget for each zone is divided by the total number of Equivalent Dwelling Units ("EDU") in the zone.

The following table summarizes the different assessment rates for the different zone classifications and compares the proposed assessment with the prior year's assessment.

City of West Covina
Landscape Maintenance District No. 4
FY 2022/2023 Preliminary Assessment Summary and Comparison

Zone	% of Budget	Parcel Count	EDU	FY 2021/22 Assessment Rates	FY 2022/23 Proposed Assessment Rates	Total Assessment

A6 Single Family Medium Maintenance Benefit
A7 Single Family Maximum Maintenance Benefit
A8 Four-plex Minimum Maintenance Benefit
A9 Duplex Minimum Maintenance Benefit

III. ESTIMATE OF COSTS

The total estimate of costs for maintenance of the proposed improvements for FY 2022/2023, as defined under Section 22569 of the 1972 Act, are those as hereinafter set forth. Said cost estimates include the total District costs for constructing or installing any proposed improvements and for maintenance and servicing the existing improvements including incidental expenses; the amount of any surplus or deficit in the maintenance fund to be carried over from the previous year; any annual installments to be collected over more than a single year; as well as the amount of any contributions to be made from any other sources.

A. CAPITAL IMPROVEMENT PROJECT FUND

For FY 2022/2023, there are no capital improvement projects.

B. PROPOSED INCREASE SCOPE OF WORK AND SUMMARY OF COSTS

The City's budget for the operation and service costs detail the estimated costs and fund balances for FY 2022/2023 as available at the time of preparation of this Report. The 1972 Act provides that the total cost can be recovered in the assessment spread including incidental expenses. The latter can include engineering fees, legal fees, printing, mailing, postage, publishing, and all other related costs identified with the District proceedings.

The 1972 Act requires that a special fund be set-up for the revenue and expenditures of the District. Funds raised by the assessment shall be used only for the purpose as stated herein. A contribution to the District by the City may be made to reduce assessments, as the City Council deems appropriate. Any balance or deficit remaining on July 1st must be carried over to the next FY.

Also located in the budget is the proposed increase in scope of maintenance work at optimal levels. The District contains lighted paseos and approximately 30 to 50-foot landscaped hillside slopes vegetated with plants, shrubbery, and trees. The current scope of work for the operations, maintenance, and care of these areas include 3 to 5-feet of fire clearing at the tops and toes of slopes and irrigation maintenance repairs. Increased scope of work for the District is recommended to include the modification of the Paseo Lighting to LED for energy cost savings, repair and replacement of light standards, hardscape repair and replacement of off-grade, cracked and broken areas, tree trimming of the hillside trees on a trimming cycle, and landscape maintenance including trash removal and clearing of the hillside plants and shrubbery. It is estimated that the budget required for the increased lighting, hardscape, and landscaping scope is approximately double the existing District budget.

City of West Covina Landscape Maintenance District No. 4 Fiscal Year 2022/2023 Estimated Costs for Landscape Maintenance				
	Existing Maintenance		***Optimal Maintenance***	
Previous Fiscal Year Fund Balance		***$2,270,104***		***$2,270,104***
Revenues

Total Operating and Capital Budget		**$1,160,285**		**$2,320,570**
Ending Fund Balance		***$2,118,435***		***$958,150***

(1) See Capital Project Fund Section III. A.

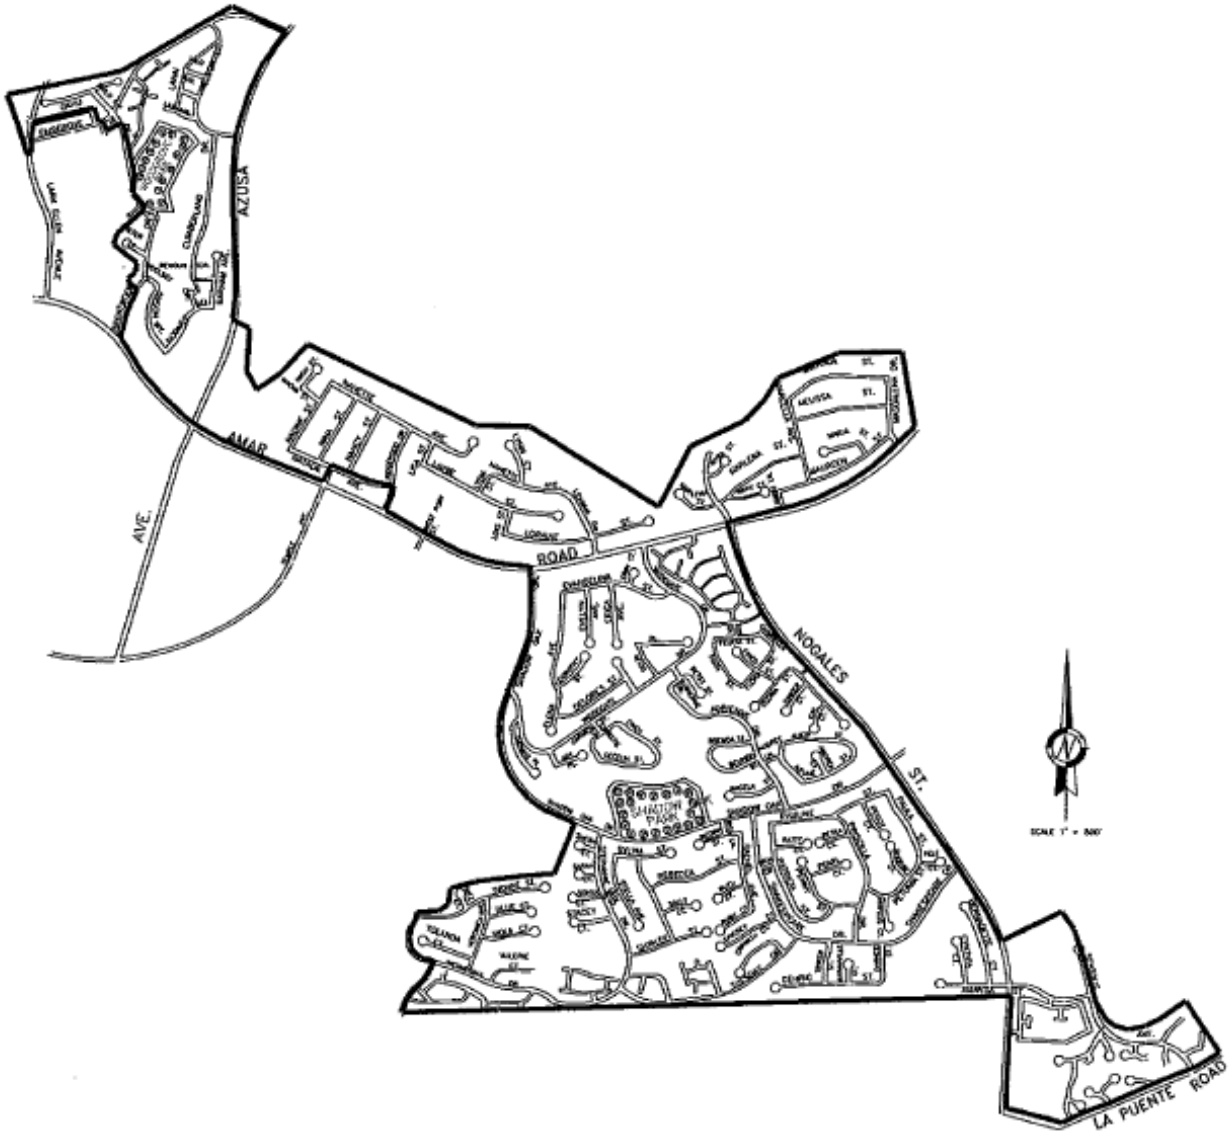
Note: The variance in existing and optimal maintenance is the amount needed to support the recommended increased scope of work for Landscape Maintenance District 4. The recommended scope of work includes the modification of the Paseo Lighting to LED for energy cost savings, repair and replacement of light standards, hardscape repair and replacement of off-grade, cracked and broken areas, tree trimming of the hillside trees on a trimming cycle, and landscape maintenance including trash removal and clearing of the hillside plants and shrubbery.

National Pollutant Discharge Elimination System (NPDES) is a federal mandated program established under Section 402 of the Clean Water Act.

IV. BOUNDARY MAP

A diagram showing the exterior boundaries of the District, boundaries of any zone within the District and the lines and dimensions of each lot or parcel of land within the District is on file in the Office of the City Engineer and incorporated herein by reference. The lines and dimensions shown on the Los Angeles County Assessor's parcel maps for the current year are incorporated by reference and made part of this Report.

CITY OF WEST COVINA
LANDSCAPE MAINTENANCE DISTRICT NO. 4



V. ASSESSMENT ROLL

Parcel identification for each lot or parcel within the District shall be the parcel as shown on the Los Angeles County Secured Roll for the year in which this Report is prepared and reflective of the Assessor's Parcel Maps. A listing of the proposed lots and parcels to be assessed within this District along with the assessment amounts shall be submitted to the City Clerk, under a separate cover, and by reference is made part of this Report.

RESOLUTION NO. 2022-70

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA, ORDERING THE PREPARATION AND FILING OF A REPORT REGARDING THE FISCAL YEAR 2022-23 ASSESSMENT TO BE LEVIED IN CONNECTION WITH LANDSCAPE MAINTENANCE DISTRICT NO. 4

WHEREAS, the City's Landscape Maintenance District No. 4 (the "District") has been established pursuant to the Landscaping and Lighting Act of 1972 (Streets and Highways Code Section 22500 et seq.) (the "Act") to fund the maintenance and servicing of certain public landscaping and appurtenant facilities in the City; and

WHEREAS, in connection with the District, the City annually levies an assessment against real property; and

WHEREAS, the City Council desires to initiate proceedings to levy the assessment for Fiscal Year 2022-23 in connection with the District; and

WHEREAS, no new improvements nor substantial changes in existing improvements within the District are proposed.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. The above recitals are true and correct.

SECTION 2. The City Council orders Willdan Financial Services, as assessment engineer, to prepare and file with the City Clerk a report on the assessment in connection with the District for Fiscal Year 2022-23. Such report shall include all information required by Section 22565 *et seq.* of the Act.

SECTION 3. The City Clerk shall certify to the adoption of this resolution and shall enter the same in the book of original resolutions and it shall become effective immediately.

APPROVED AND ADOPTED this 5th day of July, 2022.

ATTACHMENT NO. 5

RESOLUTION NO. 2022-71

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA, PRELIMINARILY APPROVING THE ENGINEER'S REPORT FOR LANDSCAPE MAINTENANCE DISTRICT NO. 4, DECLARING ITS INTENTION TO LEVY AND COLLECT ASSESSMENTS WITHIN SAID DISTRICT FOR FISCAL YEAR 2022-23 AND SETTING A PUBLIC HEARING REGARDING SUCH ASSESSMENTS

WHEREAS, the City's Landscape Maintenance District No. 4 (the "District") has been established pursuant to the Landscaping and Lighting Act of 1972 (Streets and Highways Code Section 22500 *et seq.*) (the "Act") to fund the maintenance and servicing of certain public landscaping and appurtenant facilities in the City; and

WHEREAS, in connection with the District, the City annually levies an assessment against real property; and

WHEREAS, by its Resolution No. 2022-70, adopted July 5, 2022, the City Council directed Willdan Financial Services, as assessment engineer (the "Engineer"), to prepare and file a report regarding the District; and

WHEREAS, the Engineer has filed said report, entitled "City of West Covina, Landscape Maintenance District No. 4, Fiscal Year 2022/2023 Engineer's Report" (the "Report") and the Report is on file and available for public inspection in the Office of the City Clerk and is incorporated herein by reference; and

WHEREAS, the City Council desires to continue with proceedings to levy the assessment in connection with the District for Fiscal Year 2022-23 as described in the Report.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. The Report is preliminarily approved.

SECTION 2. The City Council declares its intention to levy and collect assessments within the District for Fiscal Year 2022-23 and notes that:

(a) The distinctive name of the District is the "City of West Covina Landscape Maintenance District No. 4."

(b) The District is generally located in the southeasterly part of the City.

(c) The existing and proposed improvements are generally described as landscaping, irrigation, hardscape, and paseo lighting on 130 acres of public open space within the boundaries of the District. No substantial changes are proposed to the nature of the improvements.

(d) Reference is made to the Engineer's Report, on file with the City Clerk, for a full and detailed description of the improvements, the boundaries of the assessment district and any zones therein, and the proposed assessments upon assessable lots and parcels of land within the District.

(e) The rate of this assessment is not proposed to increase from the rate levied in Fiscal Year 2021-22.

SECTION 3. A public hearing is set for Tuesday, July 19, 2022, at 7:00 p.m. in the City Council Chambers located at 1444 West Garvey Avenue South in the City of West Covina, to take the testimony on the issue of whether or not the assessments should be approved.

SECTION 4. The City Clerk shall give notice of said public hearing in the time, form, and manner as required by law, including but not limited to publication of this resolution in accordance with Streets and Highways Code Sections 22552 and 22553.

SECTION 5. The City Council finds that the levy and collection of these assessments is statutorily exempt from the California Environmental Quality Act (CEQA) under Section 15273 of the CEQA Guidelines, as none of the proceeds will be used for capital expenses, but will be used instead for operation and maintenance.

SECTION 6. The City Clerk shall certify to the adoption of this resolution and shall enter the same in the book of original resolutions and it shall become effective immediately.

APPROVED AND ADOPTED this 5th day of July, 2022.

AGENDA STAFF REPORT

City of West Covina | Office of the City Manager

DATE: July 5, 2022

TO: Mayor and City Council

FROM: David Carmany
City Manager

SUBJECT: RENEWAL OF LANDSCAPE MAINTENANCE DISTRICT NO. 6 — ORDERING OF ENGINEER'S REPORT AND PRELIMINARY APPROVAL OF THE ENGINEER'S REPORT

RECOMMENDATION:

It is recommended that the City Council take the following actions:

1. Adopt the following resolution:

   RESOLUTION NO. 2022-74 — A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA, ORDERING THE PREPARATION AND FILING OF A REPORT REGARDING THE FISCAL YEAR 2022-23 ASSESSMENT TO BE LEVIED IN CONNECTION WITH LANDSCAPE MAINTENANCE DISTRICT NO. 6

2. Following adoption of Resolution No. 2022-74, adopt the following resolution:

   RESOLUTION NO. 2022-75 – A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA, PRELIMINARILY APPROVING THE ENGINEER'S REPORT FOR LANDSCAPE MAINTENANCE DISTRICT NO. 6, DECLARING ITS INTENTION TO LEVY AND COLLECT ASSESSMENTS WITHIN SAID DISTRICT FOR FISCAL YEAR 2022-23 AND SETTING A PUBLIC HEARING REGARDING SUCH ASSESSMENTS

BACKGROUND:

The Landscaping and Lighting Act of 1972 (California Streets and Highways Code section 22500 et seq.) (the "Act") specifies the procedures for renewal of landscape maintenance districts. Landscape Maintenance District No. 6 (LMD6) was established in accordance with the Act in 1980 at the request of the owner of the development in lieu of forming a Homeowners' Association. LMD6 is generally located in the easterly end of the City known as South Hills. The funds collected by the district are used to maintain landscaping and irrigation in public open space areas within its boundaries. LMD6 contains 238 single-family dwellings, approximately 12 acres of landscaped and irrigated areas, and approximately 65 acres of natural area.

DISCUSSION:

The initial step of the renewal process is to adopt the resolution ordering the Engineer's Report.

This report has been completed and includes plans and specifications for improvements, estimated costs, assessment diagrams, and assessments spread to cover the estimated costs. The report was prepared in accordance with the Act.

The next step in the renewal process is the preliminary approval of the Engineer's Report and adoption of Resolution of Intention concerning the levy and collection of assessments for LMD6. The Act also requires the Resolution of Intention to give notice of, and fix a time and place for, a public hearing regarding the proposed assessments. Staff is recommending setting a public hearing date of July 19, 2022. At the public hearing, the City Council will consider all written and oral comments regarding the level of assessments, and the maintenance and capital improvement work proposed for LMD6. The renewal process requires that a public notice be posted and published in a locally circulated newspaper, but does not require notices be mailed to each resident. Upon the conclusion of the hearing, the City Council should adopt a resolution confirming the diagram and assessment levy either as proposed or as changed by the City Council.

At this time, staff recommends that the assessment rates be maintained at their current levels for Fiscal Year 2022-2023. The annual assessment rates for LMD6 will be maintained at $650 per lot annually ($54.16 per month).

It should be noted that, for various reasons, rates have not been increased since 2009, which has led to reduced services and increased concerns by residents. Maintenance districts are supposed to be self-funded and not rely on a general fund contribution. The City needs to conduct a full study of what a proper level of maintenance would cost and explore how to set the assessment rate accordingly. If rates are to be increased, the City will be required to comply with the requirements of Proposition 218.

LEGAL REVIEW:

The City Attorney's Office has reviewed and approved the resolutions as to form.

OPTIONS:

The City Council has the following options:

1. Approve staffs recommendation; or
2. Provide alternative direction.

Prepared by: Michael Ackerman, City Engineer

Fiscal Impact

FISCAL IMPACT:

The Fiscal Year 2022-23 Engineer's Report for LMD6 recommends that the assessment rates be maintained at their current levels. The assessment rate for LMD6 is based on a special uniform benefit to the property owners and is recommended to remain at its current level of $650 per lot annually ($54.16 per month). The total projected revenue from the recommended rates and interest is $155,080. Including the balance of $271,780 from the prior year, the total funds available is $426,860.

The adopted budget for LMD6 is $179,271, which is an increase of 0.21% when compared to the approved/amended budget for Fiscal Year 2021-22. The operating budget funds only the regular landscape maintenance services.

LMD6	Amount
Estimated Beginning Fund Balance	271,780
Projected Revenue	155,080
FY2022-23 Budgeted Expenditures	179,271

Estimated Ending Fund Balance	**$247,589**

OVERVIEW

The City of West Covina ("City"), annually levies and collects assessments in order to provide and maintain facilities, improvements and services within Landscape Maintenance District No. 6 ("District"). The District was established in 1980 pursuant to the *Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code* ("1972 Act"). The District was created at the request of the owner of the development in lieu of forming a Homeowner's Association. The funds collected by the District are used to maintain landscaping and irrigation in public open space areas within its boundaries.

The Engineer's Report ("Report") has been prepared pursuant to Chapter 1, Article 4 and Chapter 3 of the 1972 Act, and presented to the City Council for their consideration and approval of the proposed improvements and services to be provided within the District and the levy and collection of annual assessments for Fiscal Year ("FY") 2022/2023.

This Report describes the District, the improvements and the proposed assessments to be levied against properties in connection with the benefits the properties will receive from the maintenance and servicing of the District improvements for FY 2022/2023. The annual assessments to be levied on properties within the District provide a funding source for the continued operation and maintenance of local landscape improvements installed in connection with the development of properties within the District. Each fiscal year, the City establishes the District's assessments based on an estimate of the costs to maintain, operate and service the landscape improvements and based upon available revenues including fund balances, City contributions and assessment limits. The costs of the improvements and the proposed annual assessments budgeted and assessed against properties within the District may include: the estimated expenditures for regular annual maintenance and repairs; incidental expenditures related to the operation and administration of the District; deficits or surpluses from prior years; revenues from other sources; and the collection of adequate funds for operational reserves or periodic expenditures including installments collected for long-term improvement projects. Each parcel is assessed proportionately for only those improvements, services and expenses for which the parcel will receive special benefit.

The word "parcel," for the purposes of this Report, refers to an individual property assigned its own Assessor's Parcel Number ("APN") by the Los Angeles County ("County") Assessor's Office. The County Auditor/Controller uses Assessor's Parcel Numbers and specific Fund Numbers to identify properties to be assessed on the tax roll for the special benefit assessments.

At a noticed annual Public Hearing, the City Council will accept all public comments and written protests regarding the District and the annual levy of assessments.

Upon conclusion of the Public Hearing, the City Council will consider all public comments and review the Report. The City Council may order amendments to the Report or confirm the Report as submitted. Following final approval of the Report and confirmation of the assessments the Council will, by Resolution, order the improvements to be made and confirm the levy and collection of assessments pursuant to the 1972 Act. The assessments as approved will be submitted to the County Auditor/Controller to be included on the property tax roll for each parcel.

While the budgets outlined in this Report reflect the estimated costs necessary to fully and adequately provide for the maintenance and operation of the improvements within the District, many of these estimated costs and associated services cannot be funded by the current assessment revenues. To fully fund the improvements, it will be necessary to increase assessment revenues which will require the support of the property owners for new or increased assessments through a ballot proceeding conducted under the provisions of the California Constitution Article XIIID. Although such proceedings are not being conducted this fiscal year and the proposed District assessments for FY 2022/2023 are not being increased over the assessments levied in the prior fiscal year, such assessment increases may be considered in the future due to the rising costs associated with the Maintenance District improvements.

As required by the 1972 Act, this Engineer's Report describes the improvements to be operated, maintained and serviced by the District, an estimated budget for the District improvements, and the proposed assessments to be levied upon each assessable lot or parcel within the Maintenance District for FY 2022/2023.

This Report consists of five (5) parts:

Part I

Plans and Specifications: A general description of the District and the improvements for which parcels are assessed. The proposed assessments as outlined in this Report are based on the improvements that provide a special benefit to the properties within the District. The plans and specifications contained in this Report generally describe the nature, location and extent of the improvements.

Part II

Method of Apportionment: A description of how the proportionate amount of the assessments is to be charged in proportion to the benefits received by each lot or parcel within the boundaries of the District.

Part III

Estimate of Costs: An estimate of the annual costs to properly operate, maintain, and service the landscape improvements and appurtenant facilities. This budget includes an estimate of the maintenance costs and incidental expenses including,

but not limited to: labor, materials, equipment and administration expenses as well as the collection of appropriate funding necessary to properly support the improvements. Not all services and costs identified in these budgets can be supported by the current assessment revenues and City contributions, and as such, City staff shall make the determination of which services and activities shall be provided based on available revenues.

Part IV

Boundary Map: A diagram showing the boundaries of the District is provided in this Report and includes all parcels determined to receive special benefits from the improvements. Parcel identification, the lines and dimensions of each lot, parcel and subdivision of land within the District are shown on the Los Angeles County Assessor's Parcel Maps, and shall include any subsequent lot line adjustments or parcel changes therein. Reference is hereby made to the Los Angeles County Assessor's Parcel Maps for a detailed description of the lines and dimensions of each lot and parcel of land within the District. A diagram showing the overall boundaries of the District is on file with the City Clerk and the Office of the City Engineer, and by reference is made part of this Report.

Part V

Assessment Roll: A listing of the assessment amount associated with each parcel within the District. The assessments presented herein are unchanged from the previous fiscal year.

PROPOSITION 218 COMPLIANCE

On November 5, 1996, California voters approved Proposition 218 ("Prop 218"). This Proposition amended the California Constitution and was the latest in a series of initiatives reducing the revenue-raising discretion of California local governments. The provisions of the Proposition, now California Constitution Articles XIII C and XIII D, can be summarized in four general areas:

1. Strengthens the general and special tax provisions of Proposition 13 and Proposition 62.
2. Extends the initiative process to all local taxes, assessments, fees, and charges.
3. Adds substantive and procedural requirements to assessments.
4. Adds substantive and procedural requirements to property-related fees and charges.

Prop 218 required that beginning July 1, 1997, all new and existing assessments (with some exceptions) must conform to new substantive and procedural

requirements. However, certain assessments are exempted from these requirements until they are increased.

Generally, these exemptions include:

(a) Assessments used exclusively to fund sidewalks, streets, sewers, water, flood control, drainage systems, or vector control.

(b) Assessments imposed pursuant to a petition signed by the persons owning all of the parcels subject to the assessment at the time the assessment is initially imposed.

(c) Assessments used exclusively for bond repayments, the cessation of which would violate the Contract Impairment Clause of the U.S. Constitution.

(d) Assessments previously approved by a majority of voters.

Since the District and the related assessments were established in 1980 at the request of the owner of the property, the initial District assessments were not required to conform with the Article XIIID substantive and procedural requirements. The maximum assessment rate for the District at the time of the passage of Prop 218 was $650.00 previously approved by the City Council in Fiscal Year 1984/'85. Any subsequent increases in the assessments above the maximum rate previously approved by City Council prior to November 5, 1996 will be subject to the procedures and approval process of Section 4 of Article XIIID of the California Constitution.

I. PLANS AND SPECIFICATIONS

A. DESCRIPTION OF WORK

The existing facilities to be maintained and serviced include public open space, manufactured slopes, and appurtenant facilities. There are approximately 12 acres of landscaped and irrigated area and 65 acres of natural open space within the District.

The District will fund the costs in connection with the District maintenance and servicing including, but not limited to, personnel, electrical energy, water, materials, contracting services, and other expenses necessary for the satisfactory operation of these facilities. The facilities are described as follows:

> Landscaping and Appurtenant Facilities
> Facilities include but are not limited to trees, irrigation system, hardscape, fixtures, sidewalk maintenance resulting from landscape growth and appurtenant facilities, in open spaces and dedicated easements within the boundaries of the District.

"Maintenance" means the furnishing of services and materials for the ordinary and usual operation, maintenance and servicing of the landscaping, and appurtenant facilities, including repair, removal or replacement of all or part of any of the landscaping or appurtenant facilities; providing for the life, growth, health, and beauty of the landscaping, including cultivation, irrigation, trimming, spraying, fertilizing, and treating for disease or injury; the removal of trimmings, rubbish, debris and other solid waste; and the cleaning, sandblasting and painting of walls and the improvements to remove or cover graffiti.

"Servicing" means the furnishing of water for the irrigation of landscaping and the maintenance or operation of landscaping or appurtenant facilities.

B. IMPROVEMENTS AUTHORIZED BY THE 1972 ACT

As applicable or may be applicable to this proposed District, the 1972 Act defines improvements to mean one or any combination of the following:

- The installation or planting of landscaping.
- The installation or construction of statuary, fountains, and other ornamental structures and facilities.
- The installation or construction of public lighting facilities.
- The installation or construction of any facilities which are appurtenant to any of the foregoing or which are necessary or convenient for the maintenance or servicing thereof, including, but not limited to, grading, clearing, removal

of debris, the installation or construction of curbs, gutters, walls, sidewalks, or paving, or water, irrigation, drainage, or electrical facilities.

- The maintenance or servicing, or both, of any of the foregoing.
- The acquisition of any existing improvement otherwise authorized pursuant to this section.

Incidental expenses associated with the improvements including, but not limited to:

- The cost of preparation of the report, including plans, specifications, estimates, diagram, and assessment;
- The costs of printing, advertising, and the publishing, posting and mailing of notices;
- Compensation payable to the County for collection of assessments;
- Compensation of any engineer or attorney employed to render services;
- Any other expenses incidental to the construction, installation, or maintenance and servicing of the improvements;
- Any expenses incidental to the issuance of bonds or notes pursuant to Section 22662.5.
- Costs associated with any elections held for the approval of a new or increased assessment.

The 1972 Act defines "Maintain" or "Maintenance" to mean furnishing of services and materials for the ordinary and usual maintenance, operation, and servicing of any improvement, including:

- Repair, removal, or replacement of all or any part of any improvement.
- Providing for the life, growth, health, and beauty of landscaping, including cultivation, irrigation, trimming, spraying, fertilizing, or treating for disease or injury.
- The removal of trimmings, rubbish, debris, and other solid waste.
- The cleaning, sandblasting, and painting of walls and other improvements to remove or cover graffiti.

C. DESCRIPTION OF IMPROVEMENTS AND SERVICES

The District is located in the easterly end of the City known as South Hills on the westerly-facing slopes of the San Jose Hills. The District contains 238 single-family dwellings, approximately 12 acres of landscaped and irrigated area, and approximately 65 acres of natural area.

The following outlines the various improvements associated with the properties and developments throughout the District. The detailed plans and specifications of the District improvements are on file in the office of the City Public Works Department and by reference are made part of this Report.

FY 2022/2023, improvements include:

- There are currently no ongoing and completed capital improvement projects for FY 2022/2023.

FY 2021/2022, improvements included:

- There are currently no ongoing and completed capital improvement projects for FY 2021/2022.

II. METHOD OF APPORTIONMENT

The 1972 Act permits the establishment of assessment Districts by agencies for the purpose of providing certain public improvements which include the construction, maintenance, and servicing of public lights, landscaping and appurtenant facilities. The 1972 Act further requires that the cost of these improvements be levied according to benefit rather than assessed value:

"The net amount to be assessed upon lands within an assessment District may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements."

Because assessments are levied on the basis of benefit, they are not a tax, and, therefore, are not governed by Article XIIIA of the California Constitution.

Section 22574 of the 1972 Act permits the designation of zones of benefits within any individual assessment District if "by reason of variation in the nature, location, and extent of the improvements, the various areas will receive different degrees of benefit from the improvements." Thus, the 1972 Act requires the levy of a true "assessment" rather than a "special tax."

The 1972 Act also permits certain parcels to be exempt from assessment. Excluded from these assessments are areas of all publicly owned property such as: public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, all public easements, and right-of-way, all public parks, public greenbelts and parkways, and all public property being used for public purposes. However, per Proposition 218, any publicly owned property that benefits from District improvements shall be assessed its proportional share of District costs.

The formula used for calculating assessments in this District reflects the composition of the parcels, and the improvements and services provided in order to fairly apportion the costs based on estimated benefit to each parcel.

A. BENEFIT ANALYSIS

All parcels in the District derive benefit from the maintenance and servicing of trees, landscaping, hardscaping and appurtenant facilities. The intent of this Report is to establish a methodology that fairly distributes the cost of the system in relation to the benefit received.

The assessment ratio for all properties is based on dwelling units. Each single family residential parcel, condominium complex, apartment, duplex, triplex, mobile home park, and other developed land is assessed per dwelling unit. This pro-ration accounts for an adjustment for street right-of-way and public easements.

B. ASSESSMENT METHODOLOGY

The methods of apportionment utilized for the District calculates the receipt of special benefit from the respective improvements based on the actual or proposed land use of the parcels. The special benefit received by each lot or parcel is equated to the overall land use of the parcel based on the parcel's actual land use or proposed planned development, and is reliant upon the special benefit received from the improvements planned or existing within the District.

To identify and determine the special benefit to be received by each parcel, it is necessary to consider the entire scope of the improvements. The costs associated with the improvements shall be fairly distributed among the parcels based upon the special benefit received by each parcel. Additionally, in compliance with Section 4 of Article XIIID, each parcel's assessment may not exceed the reasonable cost of the proportional special benefit conferred to that parcel. The benefit formula used to determine the assessment obligation is therefore based upon both the improvements that benefit the parcels of the District as well as the proposed land use of each property as compared to other parcels that benefit from those specific improvements.

All properties in the District benefit from the maintenance and servicing of trees, landscaping, hardscaping and appurtenant facilities. There are 238 parcels within the District equaling 238 dwelling units.

Therefore, the assessment rate for the District is proposed to be maintained as:

$$\frac{\$154,700.00}{238} = \$650.00 \text{ DU}$$

The following table summarizes the assessment rates and compares the proposed assessment with last year's assessment.

City of West Covina
Landscape Maintenance District No. 6
FY 2022/2023 Preliminary Assessment Summary and Comparison

Assessment Year	# of Parcels	Dwelling Units	FY 2021/2022 Assessment Rate	FY 2022/2023 Proposed Assessment Rate	Total Assessment
2022/2023	238	238	$650	$650	$154,700

III. ESTIMATE OF COST

The total estimate of costs for maintenance of the proposed improvements for FY 2022/2023, as defined under Section 22569 of the 1972 Act, are those as hereinafter set forth. Said cost estimates include the total District costs for constructing or installing any proposed improvements and for maintenance and servicing the existing improvements including incidental expenses; the amount of any surplus or deficit in the maintenance fund to be carried over from the previous year; any annual installments to be collected over more than a single year; as well as the amount of any contributions to be made from any other sources.

A. CAPITAL IMPROVEMENT PROJECT FUND

For FY 2022/2023, there are no capital improvements.

B. PROPOSED INCREASE SCOPE OF WORK AND SUMMARY OF COSTS

The City's budget for the operation and service costs detail the estimated costs and fund balances for FY 2022/2023 as available at the time of preparation of this Report.

The 1972 Act provides that the total cost can be recovered in the assessment spread including incidental expenses. The latter can include engineering fees, legal fees, printing, mailing, postage, publishing, and all other related costs identified with the District proceedings. The 1972 Act requires that a special fund be set-up for the revenue and expenditures of the District. Funds raised by the assessment shall be used only for the purpose as stated herein. A contribution to the District by the City may be made to reduce assessments, as the City Council deems appropriate. Any balance or deficit remaining on July 1st must be carried over to the next FY.

Also located in the budget is the proposed increase in scope of maintenance work at optimal levels. The District contains lighted paseos and approximately 30 to 50-foot landscaped hillside slopes vegetated with plants, shrubbery, and trees. The current scope of work for the operations, maintenance, and care of these areas include 3 to 5-feet of fire clearing at the tops and toes of slopes and irrigation maintenance repairs. Increased scope of work for the District is recommended to include the modification of the Paseo Lighting to LED for energy cost savings, repair and replacement of light standards, hardscape repair and replacement of off-grade, cracked and broken areas, tree trimming of the hillside trees on a trimming cycle, and landscape maintenance including trash removal and clearing of the hillside plants and shrubbery. It is estimated that the budget required for the increased lighting, hardscape, and landscaping scope is approximately double the existing District budget.

City of West Covina Landscape Maintenance District No. 6 Fiscal Year 2022-2023 Estimated Costs for Landscape Maintenance				
	Existing Maintenance		***Optimal Maintenance***	
Previous Fiscal Year Fund Balance		***$271,780***		***$271,780***
Revenues				
Assessment Income (Total Balance to Levy)	$154,700		$154,700	
Interest	380		380	
Total Projected Revenue		**$155,080**		**$155,080**

Total Operating and Capital Budget		**$179,271**		**$358,542**
Ending Fund Balance		***$247,589***		***$68,318***

[(1)] See Capital Improvement Project Fund Section III. A.

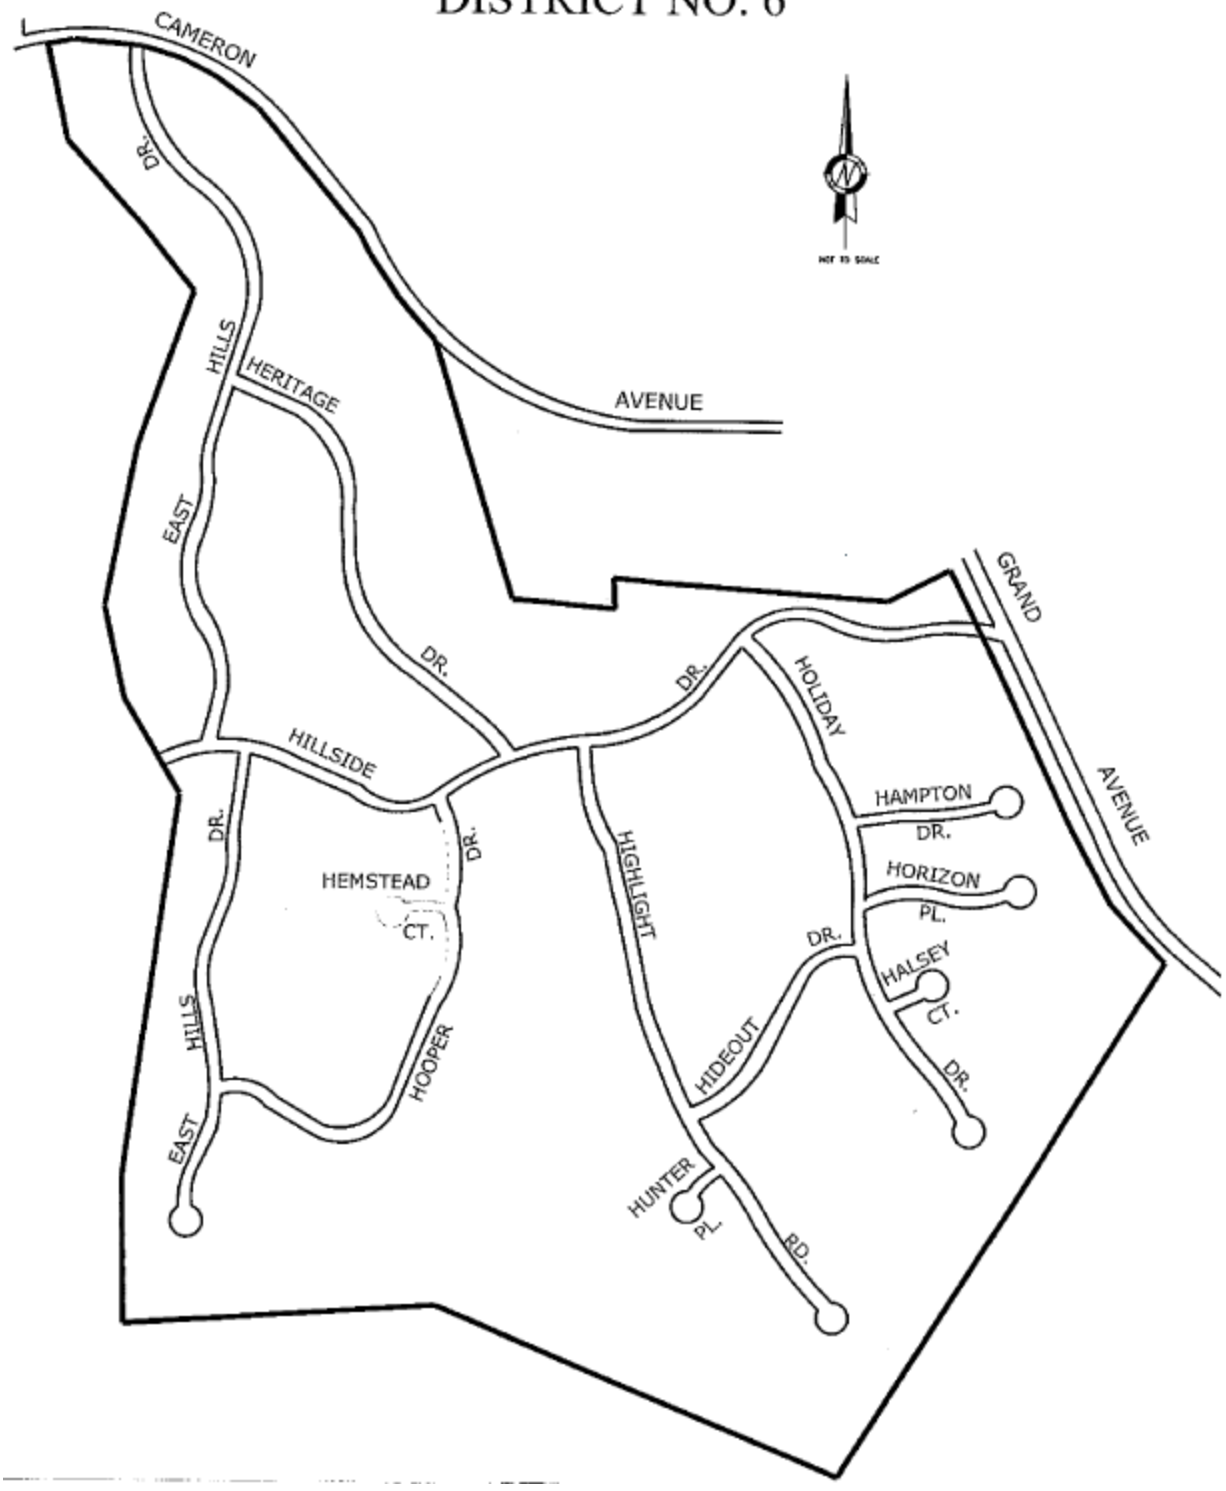
Note: The variance in existing and optimal maintenance is the amount needed to support the recommended increased scope of work for Landscape Maintenance District 6. The recommended scope of work includes the modification of the Paseo Lighting to LED for energy cost savings, repair and replacement of light standards, hardscape repair and replacement of off-grade, cracked and broken areas, tree trimming of the hillside trees on a trimming cycle, and landscape maintenance including trash removal and clearing of the hillside plants and shrubbery.

The National Pollutant Discharge Elimination System (NPDES) is a federally mandated program established under Section 402 of the Clean Water Act.

IV. BOUNDARY MAP

A diagram showing the exterior boundaries of the District and the lines and dimension of each lot or parcel of land within the District is on file in the Office of the City Engineer and incorporated herein by reference. The lines and dimensions shown on the Los Angeles County Assessor's parcel maps for the current year are incorporated by reference and made part of this Report.

CITY OF WEST COVINA
LANDSCAPE MAINTENANCE DISTRICT NO. 6



V. ASSESSMENT ROLL

Parcel identification for each lot or parcel within the District shall be the parcel as shown on the Los Angeles County Secured Roll for the year in which this Report is prepared and reflective of the Assessor's Parcel Maps. A listing of the proposed lots and parcels to be assessed within this District along with the assessment amounts shall be submitted to the City Clerk, under a separate cover, and by reference is made part of this Report.

RESOLUTION NO. 2022-74

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA, ORDERING THE PREPARATION AND FILING OF A REPORT REGARDING THE FISCAL YEAR 2022-23 ASSESSMENT TO BE LEVIED IN CONNECTION WITH LANDSCAPE MAINTENANCE DISTRICT NO. 6

WHEREAS, the City's Landscape Maintenance District No. 6 (the "District") has been established pursuant to the Landscaping and Lighting Act of 1972 (Streets and Highways Code Section 22500 *et seq.*) (the "Act") to fund the maintenance and servicing of certain public landscaping and appurtenant facilities in the City; and

WHEREAS, in connection with the District, the City annually levies an assessment against real property; and

WHEREAS, the City Council desires to initiate proceedings to levy the assessment for Fiscal Year 2022-23 in connection with the District; and

WHEREAS, no new improvements nor substantial changes in existing improvements within the District are proposed.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. The above recitals are true and correct.

SECTION 2. The City Council orders Willdan Financial Services, as assessment engineer, to prepare and file with the City Clerk a report on the assessment in connection with the District for Fiscal Year 2022-23. Such report shall include all information required by Section 22565 *et seq.* of the Act.

SECTION 3. The City Clerk shall certify to the adoption of this resolution and shall enter the same in the book of original resolutions and it shall become effective immediately.

APPROVED AND ADOPTED this 5th day of July, 2022.

RESOLUTION NO. 2022-75

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA, PRELIMINARILY APPROVING THE ENGINEER'S REPORT FOR LANDSCAPE MAINTENANCE DISTRICT NO. 6, DECLARING ITS INTENTION TO LEVY AND COLLECT ASSESSMENTS WITHIN SAID DISTRICT FOR FISCAL YEAR 2022-23 AND SETTING A PUBLIC HEARING REGARDING SUCH ASSESSMENTS

WHEREAS, the City's Landscape Maintenance District No. 6 (the "District") has been established pursuant to the Landscaping and Lighting Act of 1972 (Streets and Highways Code Section 22500 *et seq.*) (the "Act") to fund the maintenance and servicing of certain public landscaping and appurtenant facilities in the City; and

WHEREAS, in connection with the District, the City annually levies an assessment against real property; and

WHEREAS, by its Resolution No. 2022-74, adopted July 5, 2022, the City Council directed Willdan Financial Services, as assessment engineer (the "Engineer"), to prepare and file a report regarding the District; and

WHEREAS, the Engineer has filed said report, entitled "City of West Covina, Landscape Maintenance District No. 6, Fiscal Year 2022/2023 Engineer's Report" (the "Report") and the Report is on file and available for public inspection in the Office of the City Clerk and is incorporated herein by reference; and

WHEREAS, the City Council desires to continue with proceedings to levy the assessment in connection with the District for Fiscal Year 2022-23 as described in the Report.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. The Report is preliminarily approved.

SECTION 2. The City Council declares its intention to levy and collect assessments within the District for Fiscal Year 2022-23 and notes that:

(a) The distinctive name of the District is the "City of West Covina Landscape Maintenance District No. 6."

(b) The District is generally located in the easterly part of the City of West Covina on the westerly-facing slopes of the San Jose Hills.

(c) The existing and proposed improvements are generally described as landscaping and irrigation in public open space areas within the boundaries of the District. No substantial changes are proposed to the nature of the improvements.

(d) Reference is made to the Engineer's Report, on file with the City Clerk, for a full and detailed description of the improvements, the boundaries of the assessment district and any zones therein, and the proposed assessments upon assessable lots and parcels of land within the District.

(e) The rate of this assessment is not proposed to increase from the rate levied in Fiscal Year 2021-22.

SECTION 3. A public hearing is set for Tuesday, July 19, 2022, at 7:00 p.m. in the City Council Chambers located at 1444 West Garvey Avenue South in the City of West Covina, to take the testimony on the issue of whether or not the assessments should be approved

SECTION 4. The City Clerk shall give notice of said public hearing in the time, form, and manner as required by law, including but not limited to publication of this resolution in accordance with Streets and Highways Code Sections 22552 and 22553.

SECTION 5. The City Council finds that the levy and collection of these assessments is statutorily exempt from the California Environmental Quality Act (CEQA) under Section 15273 of the CEQA Guidelines, as none of the proceeds will be used for capital expenses, but will be used instead for operation and maintenance.

SECTION 6. The City Clerk shall certify to the adoption of this resolution and shall enter the same in the book of original resolutions and it shall become effective immediately.

APPROVED AND ADOPTED this 5th day of July, 2022.

AGENDA STAFF REPORT

City of West Covina | Office of the City Manager

DATE: July 5, 2022

TO: Mayor and City Council

FROM: David Carmany
City Manager

SUBJECT: RENEWAL OF LANDSCAPE MAINTENANCE DISTRICT NO. 7 — ORDERING OF ENGINEER'S REPORT AND PRELIMINARY APPROVAL OF THE ENGINEER'S REPORT

RECOMMENDATION:

It is recommended that the City Council take the following actions:

1. Adopt the following resolution:

   RESOLUTION NO. 2022-76 — A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA, ORDERING THE PREPARATION AND FILING OF A REPORT REGARDING THE FISCAL YEAR 2022-23 ASSESSMENT TO BE LEVIED IN CONNECTION WITH LANDSCAPE MAINTENANCE DISTRICT NO. 7

2. Following the adoption of Resolution No. 2022-76, adopt the following resolution:

   RESOLUTION NO. 2022-77 – A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA, PRELIMINARILY APPROVING THE ENGINEER'S REPORT FOR LANDSCAPE MAINTENANCE DISTRICT NO. 7, DECLARING ITS INTENTION TO LEVY AND COLLECT ASSESSMENTS WITHIN SAID DISTRICT FOR FISCAL YEAR 2022-23 AND SETTING A PUBLIC HEARING REGARDING SUCH ASSESSMENTS

BACKGROUND:

The Landscaping and Lighting Act of
1972 (California Streets and Highways Code section 22500 et seq.) (the "Act") specifies the procedures for renewal of landscape maintenance districts. Landscape Maintenance District No. 7 (LMD7) was established in accordance with the Act in1980 at the request of the owner of the development in lieu of forming a Homeowners' Association. LMD7 is generally located in the easterly end of the City on the north-facing slopes of the San Jose Hills. The funds collected by the district are used to maintain landscaping and irrigation in public open space areas within its boundaries. Currently, LMD7 contains 372 improved and 8 unimproved single-family residential parcels. When development is 100 percent complete, LMD7 will contain 380 developed single-family residential parcels, 25 acres of landscaped and irrigated area, and 105 acres of natural area.

DISCUSSION:

The initial step of the renewal process is to adopt the resolution ordering the Engineer's Report.

This report has been completed and includes plans and specifications for improvements, estimated costs, assessment diagrams, and assessments spread to cover the estimated costs. The report was prepared in accordance with the Act.

The next step in the renewal process is the preliminary approval of the Engineer's Report and adoption of the Resolution of Intention concerning the levy and collection of assessments for LMD7. The Act also requires the Resolution of Intention to give notice of, and fix a time and place for, a public hearing regarding the proposed assessments. Staff is recommending setting a public hearing date of July 19, 2022. At the public hearing, the City Council will consider all written and oral comments regarding the level of assessments, and the maintenance and capital improvement work proposed for LMD7. The renewal process requires that a public notice be posted and published in a locally circulated newspaper, but does not require notices be mailed to each resident. Upon the conclusion of the hearing, the City Council should adopt a resolution confirming the diagram and assessment levy either as proposed or as changed by the City Council.

At this time, staff is recommending that the assessment rates be maintained at their current levels for Fiscal Year 2022-2023. The annual assessment rates for LMD7 will be maintained at $464.06 per developed lot and $139.22 per undeveloped lot.

It should be noted that, for various reasons, rates have increased very incrementally since 2009, which has led to reduced services and increased concerns by residents. Maintenance districts are supposed to be self-funded and not rely on a general fund contribution. The City intends to conduct a full study of what a proper level of maintenance would cost and explore how to set the assessment rate accordingly. If rates are to be increased, the City will be required to comply with the requirements of Proposition 218.

LEGAL REVIEW:

The City Attorney's Office has reviewed and approved the resolutions as to form.

OPTIONS:

The City Council has the following options:

1. Approve staff recommendations; or
2. Provide alternative direction.

Prepared by: Michael Ackerman, City Engineer

Fiscal Impact

FISCAL IMPACT:

The Fiscal Year 2022-23 Engineer's Report for LMD7 recommends that the assessment rates be maintained at their current levels. The annual assessment rates for LMD7 will be maintained at $464.06 per improved lot and $139.22 per unimproved lot. The total projected revenue is $173,744 including interest. Including the $392,289 balance from the previous year, the total funds available is $566,593.

The adopted operating budget for LMD7 for Fiscal Year 2022-23 is $178,596 which is a increase of 2.70% compared to the approved/amended budget for Fiscal Year 2021-22. The operating budget funds not only the regular landscape maintenance but is also able to fund some improvements, such as irrigation system improvements and enhancement to existing landscaping.

LMD7	Amount
Estimated Beginning Fund Balance	392,289
Projected Revenue	173,744
FY2022-23 Budgeted Expenditures	178,596

Estimated Ending Fund Balance	**$387,437**

Upon 100% completion of the development within LMD7, there will be 380 improved residential lots. The district's open space area will increase to 25 acres of landscaped and irrigated areas and 105 acres of open space, for a total of 130 acres. The total cost to maintain these areas is estimated at $200,000.

OVERVIEW

The City of West Covina ("City"), annually levies and collects assessments in order to provide and maintain facilities, improvements and services within Landscape Maintenance District No. 7 ("District"). The District was established in 1980 pursuant to the *Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code* ("1972 Act"). The District was created at the request of the owner of the development in lieu of forming a Homeowner's Association. The funds collected by the District are used to maintain landscaping and irrigation in public open space areas within its boundaries.

The Engineer's Report ("Report") has been prepared pursuant to Chapter 1, Article 4 and Chapter 3 of the 1972 Act, and presented to the City Council for their consideration and approval of the proposed improvements and services to be provided within the District and the levy and collection of annual assessments for Fiscal Year ("FY") 2022/2023.

This Report describes the District, the improvements and the proposed assessments to be levied against properties in connection with the benefits the properties will receive from the maintenance and servicing of the District improvements for FY 2022/2023. The annual assessments to be levied on properties within the District provide a funding source for the continued operation and maintenance of local landscape improvements installed in connection with the development of properties within the District. Each fiscal year, the City establishes the District's assessments based on an estimate of the costs to maintain, operate and service the landscape improvements and based upon available revenues including fund balances, City contributions and assessment limits. The costs of the improvements and the proposed annual assessments budgeted and assessed against properties within the District may include: the estimated expenditures for regular annual maintenance and repairs; incidental expenditures related to the operation and administration of the District; deficits or surpluses from prior years; revenues from other sources; and the collection of adequate funds for operational reserves or periodic expenditures including installments collected for long-term improvement projects. Each parcel is assessed proportionately for only those improvements, services and expenses for which the parcel will receive special benefit.

The word "parcel," for the purposes of this Report, refers to an individual property assigned its own Assessor's Parcel Number ("APN") by the Los Angeles County ("County") Assessor's Office. The County Auditor/Controller uses Assessor's Parcel Numbers and specific Fund Numbers to identify properties to be assessed on the tax roll for the special benefit assessments.

At a noticed annual Public Hearing, the City Council will accept all public comments and written protests regarding the District and the annual levy of assessments. Upon conclusion of the Public Hearing, the City Council will consider all public comments and review the Report. The City Council may order amendments to the Report or confirm the Report as submitted. Following final approval of the Report and

confirmation of the assessments the Council will, by Resolution, order the improvements to be made and confirm the levy and collection of assessments pursuant to the 1972 Act. The assessments as approved will be submitted to the County Auditor/Controller to be included on the property tax roll for each parcel.

While the budgets outlined in this Report reflect the estimated costs necessary to fully and adequately provide for the maintenance and operation of the improvements within the District, many of these estimated costs and associated services cannot be funded by the current assessment revenues and contributions from the City. To fully fund the improvements, it will be necessary to increase assessment revenues which will require the support of the property owners for new or increased assessments through a ballot proceeding conducted under the provisions of the California Constitution Article XIIID. Although such proceedings are not being conducted this fiscal year and the proposed District assessments for FY 2022/2023 are not being increased over the assessments levied in the prior fiscal year, such assessment increases may be considered in the future due to the rising costs associated with the District improvements.

As required by the 1972 Act, this Engineer's Report describes the improvements to be operated, maintained and serviced by the District, an estimated budget for the District improvements, and the proposed assessments to be levied upon each assessable lot or parcel within the District for FY 2022/2023.

This Report consists of five (5) parts:

Part I

Plans and Specifications: A general description of the District and the improvements for which parcels are assessed. The proposed assessments as outlined in this Report are based on the improvements that provide a special benefit to the properties within the District. The plans and specifications contained in this Report generally describe the nature, location and extent of the improvements.

Part II

Method of Apportionment: A description of how the proportionate amount of the assessments is to be charged in proportion to the benefits received by each lot or parcel within the boundaries of the District.

Part III

Estimate of Costs: An estimate of the annual costs to properly operate, maintain, and service the landscape improvements and appurtenant facilities. This budget includes an estimate of the maintenance costs and incidental expenses including, but not limited to: labor, materials, equipment and administration expenses as well as the collection of appropriate funding necessary to properly support the improvements. Not all services and costs identified in these budgets can be supported by the current

assessment revenues and City contributions, and as such, City staff shall make the determination of which services and activities shall be provided based on available revenues.

Part IV

Boundary Map: A diagram showing the boundaries of the District is provided in this Report and includes all parcels determined to receive special benefits from the improvements. Parcel identification, the lines and dimensions of each lot, parcel and subdivision of land within the District are shown on the Los Angeles County Assessor's Parcel Maps, and shall include any subsequent lot line adjustments or parcel changes therein. Reference is hereby made to the Los Angeles County Assessor's Parcel Maps for a detailed description of the lines and dimensions of each lot and parcel of land within the District. A diagram showing the overall boundaries of the District is on file with the City Clerk and the Office of the City Engineer, and by reference is made part of this Report.

Part V

Assessment Roll: A listing of the assessment amount associated with each parcel within the District. The assessments presented herein are unchanged from the previous fiscal year.

PROPOSITION 218 COMPLIANCE

On November 5, 1996, California voters approved Proposition 218 ("Proposition"). This Proposition amended the California Constitution and was the latest in a series of initiatives reducing the revenue-raising discretion of California local governments. The provisions of the Proposition, now California Constitution Articles XIII C and XIII D, can be summarized in four general areas:

1. Strengthens the general and special tax provisions of Proposition 13 and Proposition 62.
2. Extends the initiative process to all local taxes, assessments, fees, and charges.
3. Adds substantive and procedural requirements to assessments.
4. Adds substantive and procedural requirements to property-related fees and charges.

Proposition 218 required that beginning July 1, 1997, all new and existing assessments (with some exceptions) must conform to new substantive and procedural requirements. However, certain assessments are exempted from these requirements until they are increased.

Generally, these exemptions include:

(a) Assessments used exclusively to fund sidewalks, streets, sewers, water, flood control, drainage systems, or vector control.

(b) Assessments imposed pursuant to a petition signed by the persons owning all of the parcels subject to the assessment at the time the assessment is initially imposed.

(c) Assessments used exclusively for bond repayments, the cessation of which would violate the Contract Impairment Clause of the U.S. Constitution.

(d) Assessments previously approved by a majority of voters.

Since the District and the related assessments were established in 1980 at the request of the owner of the property, the initial District assessments were not required to conform with the Article XIIID substantive and procedural requirements. The maximum assessment rate for the District at the time of the passage of Prop 218 was $644.00 previously approved by the City Council in FY 1985-86. Any subsequent increases in the assessments above the maximum rate previously approved by City Council prior to November 5, 1996 will be subject to the procedures and approval process of Section 4 of Article XIIID of the California Constitution.

I. PLANS AND SPECIFICATIONS

A. DESCRIPTION OF WORK

The existing facilities to be maintained and serviced include public open spaces and manufactured slopes and appurtenant facilities. Upon completion, the District will contain 25 acres of landscaped and irrigated areas and 105 acres of natural open space.

The District will fund the costs in connection with the District maintenance and servicing including, but not limited to, personnel, electrical energy, water, materials, contracting services, and other expenses necessary for the satisfactory operation of these facilities. The facilities are described as follows:

Landscaping and Appurtenant Facilities
Facilities include but are not limited to: trees, irrigation system, hardscape, fixtures, sidewalk maintenance resulting from landscape growth and appurtenant facilities, in public open space areas and dedicated easements within the boundaries of the District.

"Maintenance" means the furnishing of services and materials for the ordinary and usual operation, maintenance and servicing of the landscaping and appurtenant facilities, including repair, removal or replacement of all or part of any of the landscaping or appurtenant facilities; providing for the life, growth, health, and beauty of the landscaping, including cultivation, irrigation, trimming, spraying, fertilizing and treating for disease or injury; the removal of trimmings, rubbish, debris and other solid waste; and the cleaning, sandblasting and painting of walls and other improvements to remove or cover graffiti.

"Servicing" means the furnishing of water for the irrigation of landscaping and the maintenance or operation of landscaping or appurtenant facilities.

B. IMPROVEMENTS AUTHORIZED BY THE 1972 ACT

As applicable or may be applicable to this District, the 1972 Act defines improvements to mean one or any combination of the following:

- The installation or planting of landscaping.
- The installation or construction of statuary, fountains, and other ornamental structures and facilities.
- The installation or construction of public lighting facilities.
- The installation or construction of any facilities which are appurtenant to any of the foregoing or which are necessary or convenient for the maintenance or

servicing thereof, including, but not limited to, grading, clearing, removal of debris, the installation or construction of curbs, gutters, walls, sidewalks, or paving, or water, irrigation, drainage, or electrical facilities.

- The maintenance or servicing, or both, of any of the foregoing.
- The acquisition of any existing improvement otherwise authorized pursuant to this section.

Incidental expenses associated with the improvements including, but not limited to:

- The cost of preparation of the report, including plans, specifications, estimates, diagram, and assessment;
- The costs of printing, advertising, and the publishing, posting and mailing of notices;
- Compensation payable to the County for collection of assessments;
- Compensation of any engineer or attorney employed to render services;
- Any other expenses incidental to the construction, installation, or maintenance and servicing of the improvements;
- Any expenses incidental to the issuance of bonds or notes pursuant to Section 22662.5;
- Costs associated with any elections held for the approval of a new or increased assessment.

The 1972 Act defines "Maintain" or "maintenance" to mean furnishing of services and materials for the ordinary and usual maintenance, operation, and servicing of any improvement, including:

- Repair, removal, or replacement of all or any part of any improvement.
- Providing for the life, growth, health, and beauty of landscaping, including cultivation, irrigation, trimming, spraying, fertilizing, or treating for disease or injury.
- The removal of trimmings, rubbish, debris, and other solid waste.
- The cleaning, sandblasting, and painting of walls and other improvements to remove or cover graffiti.

C. DESCRIPTION OF IMPROVEMENTS AND SERVICES

The District is generally located in the easterly end of the City on the north-facing slopes of the San Jose Hills. Currently, the District contains 372 improved single-family residential parcels, approximately 19.5 acres of landscaped and irrigated areas and 92 acres of natural area that is only 98 percent developed. When development is 100 percent complete, the District will contain 380 improved single residential parcels, 25 acres of landscaped and irrigated area, and 105 acres of natural area.

The detailed plans and specifications of the District Improvements are on file in the office of the City Public Works Department and by reference are made part of this Report.

Ongoing and Completed Capital Improvement Projects:

FY 2022/2023, improvements include:

- There are currently no ongoing and completed capital improvement projects for FY 2022/2023.

FY 2021/2022, improvements included:

- There are currently no ongoing and completed capital improvement projects for FY 2021/2022.

II. METHOD OF APPORTIONMENT

The 1972 Act permits the establishment of assessment Districts by agencies for the purpose of providing certain public improvements which include the construction, maintenance, and servicing of public lights, landscaping and appurtenant facilities. The 1972 Act further requires that the cost of these improvements be levied according to benefit rather than assessed value:

"The net amount to be assessed upon lands within an assessment District may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements."

Because assessments are levied on the basis of benefit, they are not a tax, and, therefore, are not governed by Article XIIIA of the California Constitution.

Pursuant to Section 22574 of the 1972 Act permits the designation of zones of benefits within any individual assessment District if "by reason of variation in the nature, location, and extent of the improvements, the various areas will receive different degrees of benefit from the improvements." Thus, the 1972 Act requires the levy of a true "assessment" rather than a "special tax."

The 1972 Act also permits certain parcels to be exempt from assessment. Excluded from these assessments are areas of all publicly owned property such as: public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, all public easements, and right-of-way, all public parks, public greenbelts and parkways, and all public property being used for public purposes. However, per Proposition 218, any publicly owned property that benefits from District improvements shall be assessed its proportional share of District costs.

The formula used for calculating assessments in this District reflects the composition of the parcels, and the improvements and services provided in order to fairly apportion the costs based on estimated benefit to each parcel.

A. BENEFIT ANALYSIS

All parcels in the District derive benefit from the open space maintenance. The intent of this report is to establish a methodology that fairly distributes the cost of the system in relation to the benefit received.

The assessment ratio for all properties is based on dwelling units. Each single family residential parcel, condominium complex, apartment, duplex, triplex, mobile home park, and other developed or undeveloped land is assessed per dwelling unit.

B. ASSESSMENT METHODOLOGY

The method of apportionment utilized for the District calculates the receipt of special benefit from the respective improvements based on the actual or proposed land use

of the parcels. The special benefit received by each lot or parcel is equated to the overall land use of the parcel based on the parcel's actual land use or proposed planned development, and is reliant upon the special benefit received from the improvements planned or existing within the District.

To identify and determine the special benefit to be received by each parcel, it is necessary to consider the entire scope of the improvements. The costs associated with the improvements shall be fairly distributed among the parcels based upon the special benefit received by each parcel. Additionally, in compliance with Section 4 of Article XIIID, each parcel's assessment may not exceed the reasonable cost of the proportional special benefit conferred to that parcel. The benefit formula used to determine the assessment obligation is therefore based upon both the improvements that benefit the parcels of the District as well as the proposed land use of each property as compared to other parcels that benefit from those specific improvements.

The assessment methodology and assessment rates proposed for FY 2022/2023 determined that all parcels receive special benefit for the landscape maintenance. In order to continue to provide the current level of maintenance services, the budget is proposed to be maintained at the FY 2021/2022 level. Therefore, the assessment rates for FY 2022/2023 are not proposed to be increased.

Zone classifications depends on whether a parcel is improved or unimproved, those properties that are improved receive the greater benefit from the service provided.

Zone C1 - All unimproved parcels within the District. There are 8 unimproved parcels.

Zone C2 - All improved parcels within the District. There are 372 improved parcels.

The land-use classification for each parcel has been based on the FY 2021/2022 Los Angeles County Auditor/Controller's Assessment Roll.

The following table summarizes the different assessment rates for the different zone classifications, and compares the proposed assessment with the prior year's assessment.

City of West Covina
Landscape Maintenance District No. 7
FY 2022/2023 Preliminary Assessment Summary and Comparison

ZONE	# of Parcels	FY 2021/2022 Assessment Rates	FY 2022/2023 Proposed Assessment Rates	Total Assessment
C1	8	$139.22	$139.22	$1,113.76
C2	372	$464.06	$464.06	172,630.32
TOTAL	**380**			**$173,744.08**

III. ESTIMATE OF COSTS

The total estimate of costs for maintenance of the proposed improvements for FY 2022/2023, as defined under Section 22569 of the 1972 Act, are those as hereinafter set forth. Said cost estimates include the total District costs for constructing or installing any proposed improvements and for maintenance and servicing the existing improvements including incidental expenses; the amount of any surplus or deficit in the maintenance fund to be carried over from the previous year; any annual installments to be collected over more than a single year; as well as the amount of any contributions to be made from any other sources.

A. CAPITAL IMPROVEMENT PROJECT FUND

For FY 2022/2023, there are no capital improvements.

B. PROPOSED INCREASE SCOPE OF WORK AND SUMMARY OF COSTS

The City's budget for the operation and services costs detail the estimated costs and fund balances for FY 2022/2023 as available at the time of preparation of this report. The 1972 Act provides that the total cost can be recovered in the assessment spread including incidental expenses. The latter can include engineering fees, legal fees, printing, mailing, postage, publishing, and all other related costs identified with the District proceedings.

The 1972 Act requires that a special fund be set-up for the revenue and expenditures of the District. Funds raised by assessment shall be used only for the purpose as stated herein. A contribution to the District by the City may be made to reduce assessments, as the City Council deems appropriate. Any balance or deficit remaining on July 1st must be carried over to the next fiscal year.

Also located in the budget is the proposed increase in scope of maintenance work at optimal levels. The District contains landscaped hillside slopes vegetated with plants, shrubbery, and trees. The current scope of work for the operations, maintenance, and care of these areas include 3 to 5-feet of fire clearing at the tops and toes of slopes and irrigation maintenance and repairs. Increased scope of work is recommended to include tree trimming of the hillside trees on a trimming cycle and landscape maintenance including trash removal and clearing of the hillside plants and shrubbery. It is estimated that the budget required for the increased and landscaping maintenance and operations scope is approximately double the existing budget.

City of West Covina Landscape Maintenance District No. 7 Fiscal Year 2022-2023 Estimated Costs for Landscape Maintenance				
	Existing Maintenance		***Optimal Maintenance***	
Previous Fiscal Year Fund Balance		***$388,388***		***$388,388***
Revenues				
Assessment Income (Total Balance to Levy)	$173,744		$173,744	
Interest	560		560	
Total Projected Revenue		**$174,304**		**$174,304**
Expenditures				
Direct Maintenance				
Personnel Services	$18,121		$36,242	
Materials and Services				
Maintenance Contracts	80,221		160,443	
Utilities (electricity & water)	45,419		90,837	
Maintenance Supplies	0		0	
Property & Liability Insurance	5,484		10,967	
Administration & Overhead	21,768		43,536	
Total Direct Maintenance	$171,012		$342,024	
Engineering & Incidental				
Personnel Services	$2,935		$5,870	
NPDES	4,649		9,297	
Equipment Outlay	0		0	
Total Engineering & Incidental	$7,584		$15,168	
Capital Improvement [(1)]	$0		$0	
Total Operating and Capital Budget		**$178,596**		**$357,192**
Ending Fund Balance		***$384,096***		***$205,500***

[(1)] See Capital Improvement Project Fund Section III. A.

Note: Totals may not foot due to rounding.

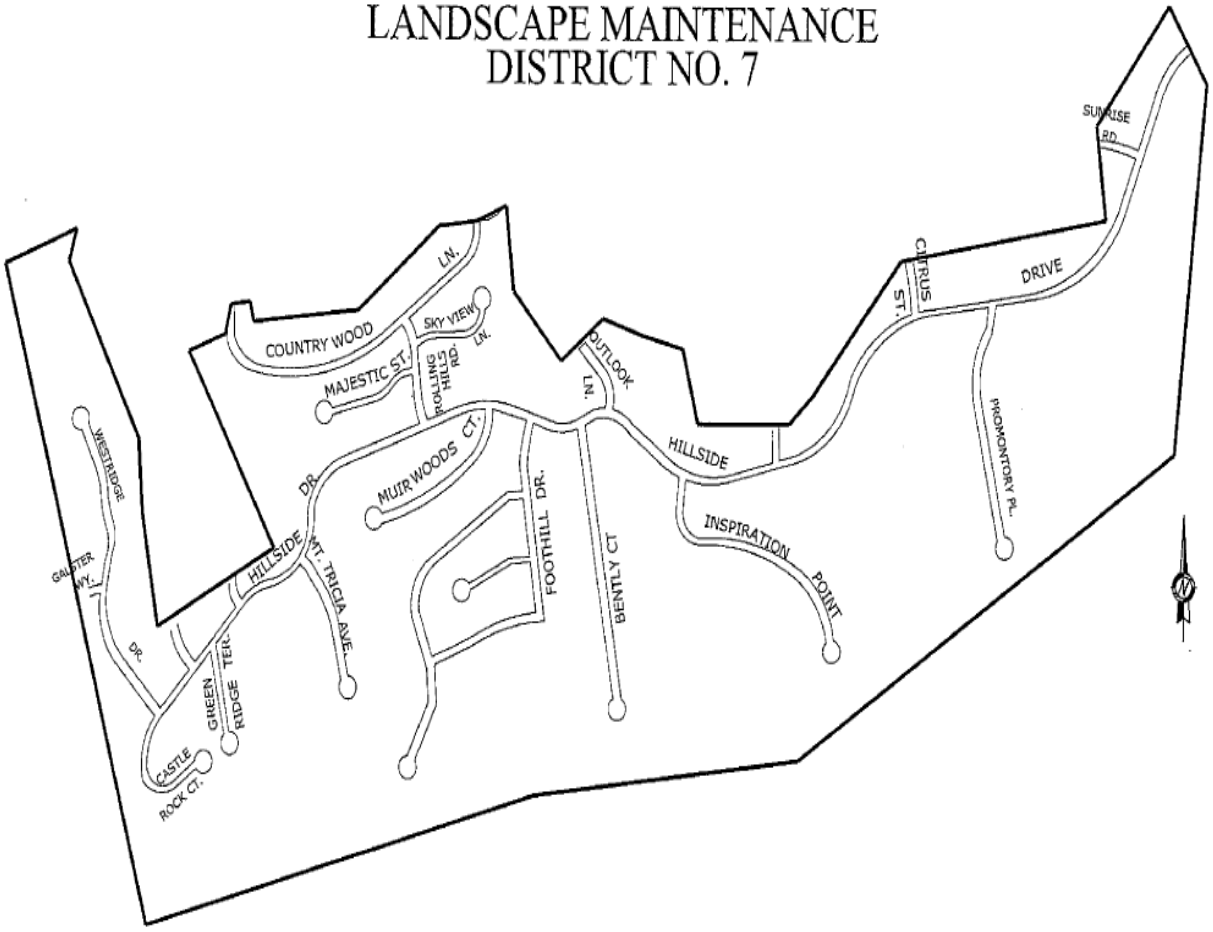
The variance in existing and optimal maintenance is the amount needed to support the recommended increased scope of work for Landscape Maintenance District 7. The recommended scope of work includes the tree trimming of the hillside trees on a trimming cycle, and landscape maintenance including trash removal and clearing of the hillside plants and shrubbery.

The National Pollutant Discharge Elimination System (NPDES) is a federal mandated program established under Section 402 of the Clean Water Act.

IV. BOUNDARY MAP

A diagram showing the exterior boundaries of the District, boundaries of any zone within the District and the lines and dimension of each lot or parcel of land within the District is on file in the Office of the City Engineer and incorporated herein by reference. The lines and dimensions shown on the Los Angeles County Assessor's parcel maps for the current year are incorporated by reference and made part of this Report.

CITY OF WEST COVINA
LANDSCAPE MAINTENANCE DISTRICT NO. 7



V. ASSESSMENT ROLL

Parcel identification for each lot or parcel within the District shall be the parcel as shown on the Los Angeles County Secured Roll for the year in which this Report is prepared and reflective of the Assessor's Parcel Maps. A listing of the proposed lots and parcels to be assessed within this District along with the assessment amounts shall be submitted to the City Clerk, under a separate cover, and by reference is made part of this Report.

ATTACHMENT NO. 4

RESOLUTION NO. 2022-76

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA, ORDERING THE PREPARATION AND FILING OF A REPORT REGARDING THE FISCAL YEAR 2022-23 ASSESSMENT TO BE LEVIED IN CONNECTION WITH LANDSCAPE MAINTENANCE DISTRICT NO. 7

WHEREAS, the City's Landscape Maintenance District No. 7 (the "District") has been established pursuant to the Landscaping and Lighting Act of 1972 (Streets and Highways Code Section 22500 *et seq.*) (the "Act") to fund the maintenance and servicing of certain public landscaping and appurtenant facilities in the City; and

WHEREAS, in connection with the District, the City annually levies an assessment against real property; and

WHEREAS, the City Council desires to initiate proceedings to levy the assessment for Fiscal Year 2022-23 in connection with the District; and

WHEREAS, no new improvements nor substantial changes in existing improvements within the District are proposed.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. The above recitals are true and correct.

SECTION 2. The City Council orders Willdan Financial Services, as assessment engineer, to prepare and file with the City Clerk a report on the assessment in connection with the District for Fiscal Year 2022-23. Such report shall include all information required by Section 22565 *et seq.* of the Act.

SECTION 3. The City Clerk shall certify to the adoption of this resolution and shall enter the same in the book of original resolutions and it shall become effective immediately.

APPROVED AND ADOPTED this 5th day of July, 2022.

ATTACHMENT NO. 5

RESOLUTION NO. 2022-77

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA, PRELIMINARILY APPROVING THE ENGINEER'S REPORT FOR LANDSCAPE MAINTENANCE DISTRICT NO. 7, DECLARING ITS INTENTION TO LEVY AND COLLECT ASSESSMENTS WITHIN SAID DISTRICT FOR FISCAL YEAR 2022-23 AND SETTING A PUBLIC HEARING REGARDING SUCH ASSESSMENTS

WHEREAS, the City's Landscape Maintenance District No. 7 (the "District") has been established pursuant to the Landscaping and Lighting Act of 1972 (Streets and Highways Code Section 22500 *et seq.*) (the "Act") to fund the maintenance and servicing of certain public landscaping and appurtenant facilities in the City; and

WHEREAS, in connection with the District, the City annually levies an assessment against real property; and

WHEREAS, by its Resolution No. 2022-76, adopted July 5, 2022, the City Council directed Willdan Financial Services, as assessment engineer (the "Engineer"), to prepare and file a report regarding the District; and

WHEREAS, the Engineer has filed said report, entitled "City of West Covina, Landscape Maintenance District No. 7, Fiscal Year 2022/2023 Engineer's Report" (the "Report") and the Report is on file and available for public inspection in the Office of the City Clerk and is incorporated herein by reference; and

WHEREAS, the City Council desires to continue with proceedings to levy the assessment in connection with the District for Fiscal Year 2022-23 as described in the Report.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. The Report is preliminarily approved.

SECTION 2. The City Council declares its intention to levy and collect assessments within the District for Fiscal Year 2022-23 and notes that:

(a) The distinctive name of the District is the "City of West Covina Landscape Maintenance District No. 7."

(b) The District is generally located in the easterly part of the City on the north-facing slopes of the San Jose Hills.

(c) The existing and proposed improvements are generally described as landscaping and irrigation in public open space areas within the boundaries of the District. No substantial changes are proposed to the nature of the improvements.

(d) Reference is made to the Engineer's Report, on file with the City Clerk, for a full and detailed description of the improvements, the boundaries of the assessment district and any zones therein, and the proposed assessments upon assessable lots and parcels of land within the District.

(e) The rate of this assessment is not proposed to increase from the rate levied in Fiscal Year 2021-22.

SECTION 3. A public hearing is set for Tuesday, July 19, 2022, at 7:00 p.m. in the City Council Chambers located at 1444 West Garvey Avenue South in the City of West Covina, to take the testimony on the issue of whether or not the assessments should be approved

SECTION 4. The City Clerk shall give notice of said public hearing in the time, form, and manner as required by law, including but not limited to publication of this resolution in accordance with Streets and Highways Code Sections 22552 and 22553.

SECTION 5. The City Council finds that the levy and collection of these assessments is statutorily exempt from the California Environmental Quality Act (CEQA) under Section 15273 of the CEQA Guidelines, as none of the proceeds will be used for capital expenses, but will be used instead for operation and maintenance.

SECTION 6. The City Clerk shall certify to the adoption of this resolution and shall enter the same in the book of original resolutions and it shall become effective immediately.

APPROVED AND ADOPTED this 5th day of July, 2022.

AGENDA ITEM NO. 10

AGENDA STAFF REPORT

City of West Covina | Office of the City Manager

DATE: July 5, 2022

TO: Mayor and City Council

FROM: David Carmany
City Manager

SUBJECT: CONSIDERATION OF CONTRACT FOR COLLECTION AGENCY SERVICES

RECOMMENDATION:

It is recommended that the City Council:

1. Award the contract for Request for Proposals ("RFP") No. 13-010 for Collection Agency Services to States Recovery Systems, Inc.;
2. Authorize the City Manager to negotiate and execute an agreement with States Recovery Systems, Inc., in substantially the form as attached and in such final form as approved by the City Attorney for Collection Agency Services; and
3. Authorize the City Manager to negotiate and execute future amendments exercising the extension options.

BACKGROUND:

In May 2017, the City entered into an agreement with CB Merchant Services to provide collection services for unpaid and delinquent accounts for the City. Types of delinquent accounts include administrative citations, graffiti vandalism, code enforcement, returned items, fire false alarms, and payroll over payments. This agreement expired in May 2022, prompting the need to issue a new request for proposals (RFP) seeking professional collection services.

DISCUSSION:

On April 25, 2022, staff released a request for proposals from qualified vendors to provide collection services for unpaid and delinquent account receivables for the City. A total of nine proposals were opened on May 18, 2022, and evaluated according to the following criteria:

Criteria	Max Points
Completeness of Proposal	20
Relevant Experience and Qualifications of Proposed Project Team	30
Capacity to Perform	30
Proposed Cost	20
Max Score	**100**

Based on the selection criteria, States Recovery Systems, Inc. is recommended as the best value proposal for the City:

Vendor	Total Average Score
CB Merchants	90
Cedars Business Services	95
FCR Collection Services	91
IC System	97
Pacific Credit Services (PCS)	92
Sequoia Financial	95
SherloQ	88
Sierra Outsourcing Solutions (SOS)	93
States Recovery Systems, Inc.	98

Staff proposes authorizing the City Manager to negotiate and execute an agreement with States Recovery Systems, Inc. for an initial term of three (3) years, in substantially the form as attached and in such final form as approved by the City Attorney. The agreement may be extended, contingent upon satisfactory performance of States Recovery Systems and mutual written agreement of the City and States Recovery Systems for up to two (2) additional years.

Prepared by: Stephanie Sikkema, Finance Director

Fiscal Impact

FISCAL IMPACT:

All monies paid for this service come from the collected fines. States Recovery Systems, Inc. is proposing a contingency fee of 17% for regular collections and 24% if court action is required. Fees are deducted from the revenue as collected in account no. 110.32.4609.

Exhibit A - Consultants Proposal

CITY COUNCIL GOALS & OBJECTIVES: Achieve Fiscal Sustainability and Financial Stability

CITY OF WEST COVINA
PROFESSIONAL SERVICES AGREEMENT
WITH
STATES RECOVERY SYSTEMS, INC.
FOR
COLLECTION AGENCY SERVICES

THIS AGREEMENT is made and entered into as of July 5, 2022 ("Effective Date") by and between the CITY OF WEST COVINA, a municipal corporation ("City"), and States Recovery Systems, Inc., a California corporation ("Consultant").

RECITALS

A. City proposes to utilize the services of Consultant as an independent contractor to City for Collection Agency Services; and

B. Consultant represents that it has that degree of specialized expertise necessary, and holds all necessary licenses to practice and perform the services herein contemplated; and

C. City and Consultant desire to contract for the specific services described in Exhibit "A" and desire to set forth their rights, duties and liabilities in connection with the services to be performed; and

D. No official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement.

E. Consultant responded to the City's Request for Proposals ("RFP") No. 13-010 for Collection Agency Services dated April 21, 2022, incorporated via this reference as if fully set forth herein, and Consultant's response to the Request for Proposals was a material inducement to the City ultimately entering into this Agreement.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONSULTANT

1.1. Scope of Services. Consultant shall provide the professional services described in the City's RFP and in Consultant's Proposal, attached hereto as Exhibit "A" and incorporated herein.

1.2. Professional Practices. All professional services to be provided by Consultant pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional consultants in similar fields and circumstances in accordance with sound professional practices. Consultant also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Consultant's performance of this Agreement. Consultant shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its service pursuant to this Agreement. The Consultant shall at all times observe and comply with all such laws and regulations. City officers and employees shall not be liable at law or in equity for any claims or damages occurring as a result of failure of the Consultant

to comply with this section.

1.3. Performance to Satisfaction of City. Consultant agrees to perform all the work to the complete satisfaction of the City. Evaluations of the work will be conducted by the City Manager or his or her designee. If the quality of work is not satisfactory, City in its discretion has the right to:

(a) Meet with Consultant to review the quality of the work and resolve the matters of concern;

(b) Require Consultant to repeat the work at no additional fee until it is satisfactory; and/or

(c) Terminate the Agreement as hereinafter set forth.

1.4. Warranty. Consultant warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers' compensation; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. Consultant shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys' fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Consultant's performance under this Agreement.

1.5. Non-discrimination. In performing this Agreement, Consultant shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical or mental disability, medical condition, genetic information, pregnancy, marital status, sex, gender, gender identity, gender expression, sexual orientation, or military or veteran status, except as permitted pursuant to Section 12940 of the Government Code.

1.6. Non-Exclusive Agreement. Consultant acknowledges that City may enter into agreements with other consultants for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. Confidentiality. Employees of Consultant in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and employees of City. Consultant covenants that all data, documents, discussion, or other information developed or received by Consultant or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Consultant without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Consultant's covenant under this Section shall survive the termination of this Agreement.

1.8. Public Records Act Disclosure. Consultant has been advised and is aware that this Agreement and all reports, documents, information and data, including, but not limited to, computer tapes, discs or files furnished or prepared by Consultant, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required

by the California Public Records Act (California Government Code Section 6250 *et seq*.). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in California Government Code Section 6254.7, and of which Consultant informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the court.

2.0. COMPENSATION AND BILLING

2.1. Compensation. Consultant shall be paid in accordance with the fee schedule set forth in Exhibit "A" (the "Fee Schedule").

2.2. Additional Services. Consultant shall not receive compensation for any services provided outside the scope of services specified in the Consultant's Proposal unless the City, prior to Consultant performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the Scope of Services, an additional fee based upon the Consultant's standard hourly rates shall be paid to the Consultant for such additional services. Such increase in additional fees shall be limited to 25% of maximum compensation set forth herein. The City Manager is authorized to approve a Change Order for such additional services.

2.3. Method of Billing. Consultant may submit invoices to the City for approval on a progress basis, but no more often than once a month. Said invoice shall be based on the total of all Consultant's services which have been completed to City's sole satisfaction. City shall pay Consultant's invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as "Additional Services" and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. Records and Audits. Records of Consultant's services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City for inspection and/or audit at mutually convenient times from the Effective Date until three (3) years after the termination or expiration of this Agreement.

3.0. TIME OF PERFORMANCE

3.1. Commencement and Completion of Work. Unless otherwise agreed to by the parties, the professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Failure to commence work in a timely manner and/or diligently pursue work to completion may be grounds for termination of this Agreement.

3.2. Excusable Delays. Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Consultant is encountered, a time extension may be mutually agreed upon in writing by the City and the Consultant. The Consultant shall present

documentation satisfactory to the City to substantiate any request for a time extension.

4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of 3 years, ending on July 5, 2025, unless previously terminated as provided herein or as otherwise agreed to in writing by the parties. Thereafter, this Agreement may be renewed for a maximum of successive one (1) year terms not to exceed two (2) years. Such renewal will be evidenced by a written Amendment upon written notice of City given to Consultant at any time prior to the expiration date of the Agreement.

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling, suspending or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Consultant. In the event of such termination, Consultant shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates or abandons a portion of this Agreement such suspension, termination or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Consultant defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled to at law, in equity, or under this Agreement.

The City also shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled to at law, in equity, or under this Agreement, immediately upon service of written notice of termination on the Consultant, if the latter should:

a. Be adjudged a bankrupt;

b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;

c. Make a general assignment for the benefit of creditors;

d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;

e. Suffer any judgment against it to remain unsatisfied or unbonded of record for thirty (30) days or longer; or

f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Consultant for reasonable costs incurred and professional services satisfactorily performed up to and including the effective date of the City's written notice of termination, within forty-five (45) days after the

effective date of the notice of termination or the final invoice of the Consultant, whichever occurs last. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Consultant in its performance of this Agreement including, but not limited to, finished or unfinished design, development and construction documents, data studies, drawings, maps and reports, shall be delivered to the City within ten (10) days of the effective date of the notice of termination, at no cost to City.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement all of the following minimum scope of insurance coverages with an insurance company authorized to do business in California, with a current A.M. Best's rating of no less than A:VII, and approved by City:

(a) Broad-form commercial general liability, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury with a policy limit of not less than Two Million Dollars ($2,000,000.00), combined single limits, per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit.

(b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, per accident for bodily injury and property damage.

(c) Workers' compensation insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with a limit of no less than One Million Dollars ($1,000,000.00) per accident for bodily injury or disease. Consultant agrees to waive, and to obtain endorsements from its workers' compensation insurer waiving subrogation rights under its workers' compensation insurance policy against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their workers' compensation insurance policies.

By execution of this Agreement, the Consultant certifies as follows:

> I am aware of, and will comply with, Section 3700 of the Labor Code, requiring every employer to be insured against liability of Workers' Compensation or to undertake self-insurance before commencing any of the work.

The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for and maintaining in full force and effect for the duration of this Agreement, complete Workers' Compensation Insurance, and shall furnish a Certificate of Insurance to the City before execution of this

Agreement by the City. The City, its officers and employees shall not be responsible for any claims in law or equity occasioned by failure of the consultant to comply with this section.

(d) Professional errors and omissions ("E&O") liability insurance with policy limits of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence or claim, and Two Million Dollars ($2,000,000.00) aggregate. Architects' and engineers' coverage shall be endorsed to include contractual liability. If the policy is written as a "claims made" policy, the retroactivity date shall be prior to the start of the work set forth herein. Consultant shall obtain and maintain said E&O liability insurance during the life of this Agreement and for five (5) years after completion of the work hereunder. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the effective date of this Agreement, Consultant shall purchase "extended reporting" coverage for a minimum of five (5) years after completion of the work.

If the Consultant maintains higher limits or has broader coverage than the minimums shown above, the City requires and shall be entitled to all coverage, and to the higher limits maintained by the Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

5.2. Endorsements. The insurance policies are to contain, or be endorsed to contain, the following provisions:

(a) Additional Insureds: The City of West Covina and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied or used by the Consultant; automobiles owned, leased, hired, or borrowed by the Consultant.

(b) Notice of Cancelation: Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the City.

(c) Primary Coverage: The Consultant's insurance coverage shall be primary insurance as respects the City of West Covina, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of West Covina shall be excess and not contributing with the insurance provided by this policy.

(d) Waiver of Subrogation: Consultant hereby grants to City a waiver of any right to subrogation which any insurer of said Consultant may acquire against the City by virtue of the payment of any loss under such insurance. Consultant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.

(e) Coverage Not Affected: Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of West Covina, its officers, officials, agents, employees, and volunteers.

(f) Coverage Applies Separately: The Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

5.3. Deductible or Self Insured Retention. If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. The City may require the Consultant to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or City.

5.4. Certificates of Insurance. Consultant shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

5.5. Non-limiting. Nothing in this Section shall be construed as limiting in any way the indemnification provision contained in this Agreement.

6.0. GENERAL PROVISIONS

6.1. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing, and signed by the parties in interest at the time of such modification.

6.2. Representatives. The City Manager or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Consultant shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives and agreements on behalf of Consultant called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. Key Personnel. It is the intent of both parties to this Agreement that Consultant shall make available the professional services of Annette Feliciani and Megan Delaney, who shall coordinate directly with City. Any substitution of key personnel must be approved in advance in writing by City's Representative.

6.4. Notices. Any notices, documents, correspondence or other communications concerning this Agreement or the work hereunder may be provided by personal delivery, Email or by U.S. mail. If by U.S. mail, it shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such

communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by Email; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

City of West Covina
444 West Garvey Ave. South
West Covina, CA 91790
Tel: (626) 939-8463
Email: ssikkema@westcovina.org
Attn: Finance Director

6.5. Attorneys' Fees. If litigation is brought by any party in connection with this Agreement against another party, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. Governing Law. This Agreement shall be governed by and construed under the laws of the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Los Angeles County, California.

6.7. Assignment. Consultant shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Consultant's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Consultant of Consultant's obligation to perform all other obligations to be performed by Consultant hereunder for the term of this Agreement.

6.8. Indemnification and Hold Harmless. Consultant agrees to defend, with counsel of City's choosing, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Consultant's sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings brought against the City, its elected and appointed officials, officers, agents and employees arising out of the performance of the Consultant, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply without any advance showing of negligence or wrongdoing by the Consultant, its employees, and/or authorized subcontractors, but shall be required whenever any claim, action, complaint, or suit asserts as its basis the negligence, errors, omissions or misconduct of the Consultant, its employees, and/or authorized subcontractors, and/or whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the work performed by the Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not the Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions,

complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City's specifications or Consultant's Proposal, which shall be of no force and effect.

6.9. Independent Contractor. Consultant is and shall be acting at all times as an independent contractor and not as an employee of City. Consultant shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Consultant or any of Consultant's employees, except as set forth in this Agreement. Consultant shall not, at any time, or in any manner, represent that it or any of its agents or employees are in any manner agents or employees of City. Consultant shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Consultant and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Consultant shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker's compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant's failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. PERS Eligibility Indemnification. In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Consultant and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. Cooperation. In the event any claim or action is brought against City relating to Consultant's performance or services rendered under this Agreement, Consultant shall render any reasonable assistance and cooperation which City might require.

6.12. Ownership of Documents. All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, files and tapes furnished or prepared by Consultant or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Consultant agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to

Consultant. City shall indemnify and hold harmless Consultant from all claims, damages, losses, and expenses, including attorneys' fees, arising out of or resulting from City's use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Consultant. Consultant shall deliver to City any findings, reports, documents, information, data, in any form, including but not limited to, computer tapes, discs, files audio tapes or any other related items as requested by City or its authorized representative, at no additional cost to the City. Consultant or Consultant's agents shall execute such documents as may be necessary from time to time to confirm City's ownership of the copyright in such documents.

6.13. Electronic Safeguards. Consultant shall identify reasonably foreseeable internal and external risks to the privacy and security of personal information that could result in the unauthorized disclosure, misuse, alteration, destruction or other compromise of the information. Consultant shall regularly assess the sufficiency of any safeguards and information security awareness training in place to control reasonably foreseeable internal and external risks, and evaluate and adjust those safeguards in light of the assessment.

6.14. Economic Interest Statement. Consultant hereby acknowledges that pursuant to Government Code Section 87300 and the Conflict of Interest Code adopted by City, Consultant is designated in said Conflict of Interest Code and is therefore required to file an Economic Interest Statement (Form 700) with the City Clerk, for each employee providing advice under this Agreement, prior to the commencement of work, unless waived by the City Manager.

6.15. Conflict of Interest. Consultant and its officers, employees, associates and subconsultants, if any, will comply with all conflict of interest statutes of the State of California applicable to Consultant's services under this agreement, including, but not limited to, the Political Reform Act of 1974 (Government Code Section 81000, *et seq*.) and Government Code Sections 1090-1092. Consultant covenants that none of Consultant's officers or principals have any interest in, or shall acquire any interest, directly or indirectly, which will conflict in any manner or degree with the performance of the services hereunder, including in any manner in violation of the Political Reform Act. Consultant further covenants that in the performance of this Agreement, no person having such interest shall be used by Consultant as an officer, employee, agent, or subconsultant. Consultant further covenants that Consultant has not contracted with nor is performing any services, directly or indirectly, with any developer(s) and/or property owner(s) and/or firm(s) and/or partnership(s) owning property in the City and further covenants and agrees that Consultant and/or its subconsultants shall provide no service or enter into any agreement or agreements with a/any developer(s) and/or property owner(s) and/or firm(s) and/or partnership(s) owning property in the City prior to the completion of the work under this Agreement.

6.16. Prohibited Employment. Consultant will not employ any regular employee of City while this Agreement is in effect.

6.17. Order of Precedence. In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, this Agreement shall govern over the document referenced.

6.18. Costs. Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. No Third Party Beneficiary Rights. This Agreement is entered into for the sole benefit of City and Consultant and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.20. Headings. Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. Construction. The parties have participated jointly in the negotiation and drafting of this Agreement and have had an adequate opportunity to review each and every provision of the Agreement and submit the same to counsel or other consultants for review and comment. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. Amendments. Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. Waiver. The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. Counterparts and Electronic Signatures. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement. Counterpart written signatures may be transmitted by facsimile, email or other electronic means and have the same legal effect as if they were original signatures.

6.26. Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

6.27. Taxpayer Identification Number. Consultant shall provide City with a complete Request for Taxpayer Identification Number and Certification, Form W9, as issued by the Internal

Revenue Service.

[SIGNATURE PAGE FOLLOWS.]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

Project Summary Section

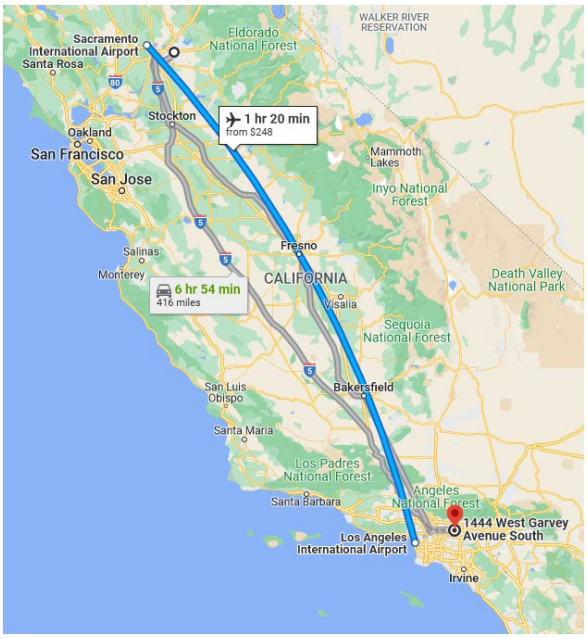
States Recovery Systems, Inc. is located in the State of California and considers all municipalities in California a local client. Our staff collects money from consumers in most California zip codes and has full knowledge the City of West Covina is located in the San Gabriel Valley, 20 miles east of downtown Los Angeles and 15 miles north of Orange County. Incorporated as a general law city in 1923, the city operates under the council/manager form of government. We now know your beautiful City is 16 square miles flourished with walnut groves and orange groves for many decades and has developed into a commercial and residential community, with a population currently estimated at about 110,200 residents. All of whom will be treated with dignity and respect at all times. States Recovery Systems, Inc. can physically meet with the City of West Covina anytime.



Services

States Recovery Systems, Inc. has read the background and understands the city offers sixteen parks, four community centers, a Sports Complex, and a county operated library. Like our other municipal clients, the City of West Covina provides a full range of services to its citizens, including police, fire and emergency medical; construction and maintenance of streets, traffic signalization and other infrastructure; planning and building safety; and social, recreational and cultural activities and events.

States Recovery Systems, Inc. also understands the City of West Covina contracts out building and safety services, engineering, planning and business licensing. Additionally, water utilities and solid services are provided and billed externally.

States Recovery Systems, Inc. understands the City is financially accountable for the Successor Agency to the former Redevelopment Agency of the City of West Covina, a financing authority, and a housing authority, which are combined within the City's financial statements.

Budget

States Recovery Systems, Inc. understands the City's fiscal year begins on July 1 and ends on June 30. The City's operating budget for FY 2021-22 is approximately $158 million for all funds combined. It has a Capital Improvement Budget of approximately $37 million. In FY 2021-22 the City has a total of 313.5 authorized positions.

States Recovery Systems, Inc. understands and is prepared for the City of West Covina to assign cases for collection on an as-needed basis after the City of West Covina has, for some time, attempted to collect the delinquent monies. States recovery Systems, Inc. understands the City of West Covina will then cease its efforts to collect the delinquent accounts and will assign the case to States Recovery Systems, Inc. for an initial minimum period of 90-days.

States Recovery Systems, Inc. is qualified and throughout this proposal submits a detailed operational plan which demonstrates understanding of, and capability to assume responsibility for, collecting delinquent revenue for the City of West Covina. Our plan provides all details of the methods to be used to maximize successful collections, including initiating and continuing collection attempts within the guidelines set forth by Federal and State regulations regarding fair debt collection practices.

States Recovery Systems, Inc. has a complete understanding of the City of West Covina, the work to be done, and the objective to be accomplished including all sections of the Scope of Service.

States Recovery Systems, Inc. agrees to be responsible for the following:

1. States Recovery Systems, Inc. will conduct all activities in an ethical manner and in compliance with all applicable Federal, State and local laws, codes and regulations.

2. States Recovery Systems, Inc. will address only those accounts which the City assigns.

3. When directed by the City, States Recovery Systems, Inc. will cease work on and return to the City all documentation pertaining to any account that may have been previously assigned.

4. States Recovery Systems, Inc. will formally demand for payment of each collection item and seek payment arrangement satisfactory to the City.

5. States Recovery Systems, Inc. will ensure funds collected on the City's behalf are placed in a secured account. Funds collected shall be deposited in a timely manner. Payments remitted to the City shall be completed in a timely manner, and include a report ledger showing the amount paid, at least once per month.

6. Pertaining to each account, States Recovery Systems, Inc. will deliver to the City at least once per month a report detailing the current status of the account, including a brief recap of the successful Proposer's efforts to collect the funds.

7. States Recovery Systems, Inc. will not initiate any legal action pertaining to any account without the prior written permission of the City.

8. No compromise settlement shall be accepted by States Recovery Systems, Inc. without City's written consent.

9. States Recovery Systems, Inc. will ensure all records pertaining to any current or past accounts assigned are available for audit by City or its authorized representative at any time.

10. States Recovery Systems, Inc. will provide electronic media access to the unpaid accounts.

11. States Recovery Systems, Inc. will guarantee the confidentiality, security, and safety of all files, documents, computer files, etc.

12. States Recovery Systems, Inc. will be responsible for maintaining accurate records of all correspondence, documents, accounting records, transactions and other relative evidence. These records shall remain on file for a period of at least seven (7) years. States Recovery Systems, Inc. will ensure that all records will be made available to the City for review upon request.

13. States Recovery Systems, Inc. agrees that no work shall be subcontracted without the prior written consent of the City.

14. States Recovery Systems, Inc. will conduct skip tracing on delinquent accounts. Skip tracing is described in detail on page 40 as part of our collection strategy.

15. States Recovery Systems, Inc. will submit status reports monthly and an annual report (on a fiscal year) through June 30, reflecting the activity for the previous fiscal year. These reports shall include data for each account detailing the value of the current debt, money received, charges waived, interest charged, balance due and date of last payment. States Recovery Systems, Inc. understands a financial summary will also be required showing "period to date" and "year to date" totals for pertinent information such as receipts, net accounts receivable, total accounts receivable, and collection percentage. In addition, States Recovery Systems, Inc. will provide an aging report in summary and in detail. States Recovery Systems, Inc. has provided copies of all available reports and they are included in the proposal. Please see Exhibit 1.

16. States Recovery Systems, Inc. agrees to make a minimum of two written or telephone contacts for each account (unless the account clears sooner) within sixty (60) days of receipt of account. States Recovery Systems, Inc. has provided in the proposal detailed steps that will be taken once account is received from the City and number of contacts and procedures that will be taken. Please see contact strategy on page 46 of this proposal.

17. States Recovery Systems, Inc. understands that it will not have full rights to the accounts. All information provided to States Recovery Systems, Inc. will be used solely for the purpose of collection and may not be provided to any outside agency, business, or person without the consent of the City.

18. States Recovery Systems, Inc. will accept automated or manual transfer of delinquent payment information from the City or other vendor's database. It is expected and States Recovery Systems, Inc. agrees to work at no additional cost, with the City and its software to ensure accurate and timely transmission of data.

States Recovery Systems, Inc. will obtain a city of West Covina Business License upon contract award.

Relevant Experience and Qualifications

Proposal Due:

May 18, 2022, 2:00 p.m.

RELEVANT EXPERIENCE AND QUALIFICATIONS

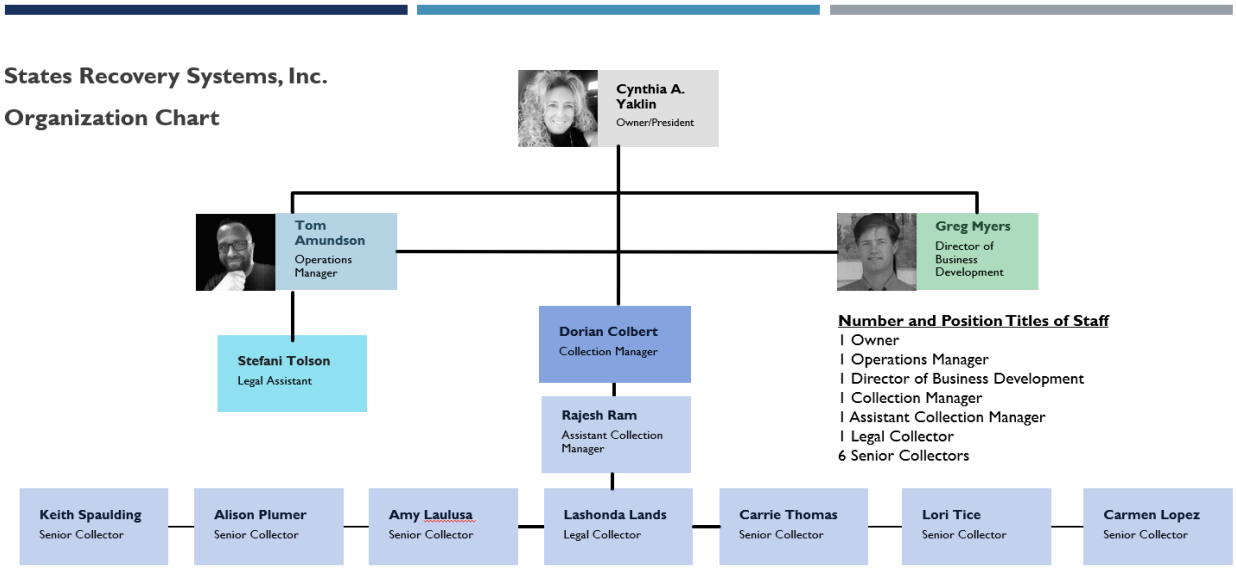
1. General information about the agency, including the size of the organization, location of offices, years in business, organization chart, state of incorporation, name of owners and principal parties, number and position titles of staff. Information regarding any collection associations of which the agency and its staff are members should be included.

States Recovery Systems, Inc. was established, owned and operated by the Yaklin family in 1988 and has assisted various Cities in the recovery of municipal receivable accounts for over twenty-five (25) years. States Recovery Systems, Inc. is a Small Business Enterprise certified through the State of California, Department of General Services. Our reputation is strong and our consultative approach in servicing our clients sets us apart from our competition. Our primary source of business revenue stems solely from collecting bad debt.

States Recovery Systems, Inc.'s owns our 2,300 sq. ft., technologically advanced, state-of-the-art corporate collection center designed specifically for the debt collection agency service industry. States Recovery Systems has been in business for 34 years. We are capable of expanding to 56 employees in our current location.

States Recovery Systems, Inc. is a California Corporation headquartered at 2491 Sunrise Boulevard, Rancho Cordova, California 95670. States Recovery Systems, Inc. is 100% Women-Owned by Cynthia A. Yaklin.
Add number and position titles of staff

Associations include: ACA International, California Association of Collectors and National Federation of Independent Business.



2. Qualifications of staff proposed for the assignment, their position and types and amount of equivalent collection experience. Be sure to include any municipal agencies they have worked with and their level of involvement. A description of how overall supervision will be provided should be included.

CYNTHIA A. YAKLIN, Owner/President
E-mail: Cindy.Yaklin@statesrecovery.com
Phone: 916-631-7085 x225

Responsibility on this project: Project Manager and primary contact for City of West Covina for implementation and onboarding.

Ms. Yaklin is the owner and President of States Recovery Systems, Inc. has over 25 years of progressive collection and managerial experience in the industry. She purchased the agency in 2018 after serving as the Senior Vice President for over ten years. She has extensive experience in managing third party collections, litigation, project management, process development, budgeting and operational analysis. Ms. Yaklin is also responsible for the creation and maintenance of the Information Security Policy and Internal Compliance Policy for the corporation. She has transformed the company by fostering a team environment and leading by example. Her vision has sparked recent growth in all facets of States Recovery Systems. Ms. Yaklin has been serving as the Legislative Chair for the California Association of Collectors (CAC) for the past 10 years where she is responsible for reviewing pending legislation that directly impacts the collection industry and has received multiple industry awards for her continued service to the industry. She will be serving as the CAC Past-President representing over 150 collection agencies within California beginning in October 2021. Cindy also sits on the DFPI Advisory Committee.

TOM AMUNDSON, Vice-President of Operations
E-mail: Tom.Amundson@statesrecovery.com
Phone: 916-631-7085 x126

Responsibility on this project: Project Manager and primary contact for City of West Covina for operations, data processing and collection floor management.

Mr. Amundson has over 15 years of collection industry experience and 12 years of tenure with States Recovery Systems, Inc. As the VP of Operations, Mr. Amundson drives portfolio performance, project management, dialer and scoring strategies and operational analysis. Mr. Amundson has been instrumental in the implementation and management of our government and municipal portfolios and the specialized collection needs of our clients. Mr. Amundson is an integral part of our management team and is responsible for overall management and successful performance of the organization. Tom has experience in sales and client services which makes him versatile and valuable to the States Recovery Systems, Inc. team. He possesses fantastic people skills which results in high retention of our collection staff and superior performance for our clientele.

GREGORY MYERS, Director of Business Development
E-mail: Greg.Myers@statesrecovery.com Phone: 916-631-7085 x212

Responsibility on this project: Client services liaison assisting City of West Covina staff on assigned accounts. Mr. Myers has over 36 years of experience in both public and private sector debt collection operations. Throughout his tenure he has managed production of first-party and third-party accounts receivable and various departments, such as data entry, payment posting, sales and marketing, clerical, legal, compliance and collection floor/call center management. Legal collections include preparing, filing, serving law suits. Execution of judgments. Played an integral role in the professional development of legal and clerical staff along with collectors by providing mentorship in compliance, first and third-party municipal debt collection, and customer service best practices. Attained high levels of unpaid account resolution by guiding collectors through customized communication strategies used in phone and in writing. Helped clients challenged with attaining financial health to find funds to resolve 10,000+ individual past due accounts per month. Enhanced the effectiveness of company operations by streamlining file management and data analysis reporting processes central to evaluating successes and areas of improvement against annual objectives.

DORIAN COLBERT, Collection Manager
E-mail: Dorian.Colbert@statesrecovery.com Phone: 916-631-7085 x142

Responsibility on this project: Collection Manager overseeing all collection staff working City of West Covina. Mr. Colbert has over 16 years of collection industry experience and joined the States Recovery Systems, Inc. team as our Collection Manager in 2019. Mr. Colbert drives the day-to-day production of the collection team. His expertise as a training specialist and a strong background in compliance and quality assurance ensures consumer accounts are handled in conjunction with client expectations and in adherence to local, state and federal guidelines. Mr. Colbert is responsible for the internal collection production, dialer analysis and is part of our complaint and dispute resolution team.

RAJESH RAM, Assistant Collection Supervisor
E-mail: Rajesh.Ram@statesrecovery.com Phone: 916-631-7085 x128

Responsibility on this project: Assistant Collection Manager overseeing all collection staff working City of West Covina. Mr. Ram has over 25 years of tenure with SRS and is an integral member of the States Recovery Systems, Inc. team. Rajesh has been the team leader for our municipal collection team for over 10 years and has worked directly with third-party billing companies on EMS portfolios for the Sacramento Metropolitan Fire District and the City of Oceanside. He provides specialized training to team members and aids the staff through oversight of collection calls and communications with staff. He reviews billing statements and aids the team in resolving and overcoming objections to repayment of the obligations. Mr. Ram's dedication to the industry he serves is apparent in the quality and integrity of his work and proven results. Rajesh is tri-lingual and can be called upon to assist with our consumers who speak Hindi and Punjabi

Keith Spalding - Municipal collection specialist for over 10 years and has worked directly on third-party collections for the City of Redding, City of Hesperia, City of Fresno, City of Rocklyn, City of Yuba City, Alameda Municipal Power and the City of Oceanside. He has been Specifically trained to collect invoices for: Traffic Citations, Business Licenses, Water Sewer and Power Utilities, City Code Violations, Animal Control Property Damage Harbor Fees, False Alarms, NSF Checks, Ambulance and other miscellaneous debts.

Carmen Lopez - Municipal collection specialist for over 10 years and has worked directly on third-party collections for the City of Redding, City of Hesperia, City of Fresno, City of Rocklin, City of Yuba City, Alameda Municipal Power and the City of Oceanside. She has been Specifically trained to collect invoices for: Traffic Citations, Business Licenses, Water Sewer and Power Utilities, City Code Violations, Animal Control Property Damage Harbor Fees, False Alarms, NSF Checks, Ambulance and other miscellaneous debts. Carmen is bi-lingual and called upon to assist with our customers who speak Spanish.

Emilyne Laulusa - Municipal collection specialist for over 10 years and has worked directly on third-party collections for the City of Redding, City of Hesperia, City of Fresno, City of Rocklin, City of Yuba City, Alameda Municipal Power and the City of Oceanside. She has been Specifically trained to collect invoices for: Traffic Citations, Business Licenses, Water Sewer and Power Utilities, City Code Violations, Animal Control Property Damage Harbor Fees, False Alarms, NSF Checks, Ambulance and other miscellaneous debts.

Alison Palmer - Municipal collection specialist for over 10 years and has worked directly on third-party collections for the City of Redding, City of Hesperia, City of Fresno, City of Rocklin, City of Yuba City, Alameda Municipal Power and the City of Oceanside. She has been Specifically trained to collect invoices for: Traffic Citations, Business Licenses, Water Sewer and Power Utilities, City Code Violations, Animal Control Property Damage Harbor Fees, False Alarms, NSF Checks, Ambulance and other miscellaneous debts.

Carrie Woods - Municipal collection specialist for over 10 years and has worked directly on third-party collections for the City of Redding, City of Hesperia, City of Fresno, City of Rocklin, City of Yuba City, Alameda Municipal Power and the City of Oceanside. Lori Tice - Municipal collection specialist for over 10 years and has worked directly on third-party collections for the City of Redding, City of Hesperia, City of Fresno, City of Rocklin, City of Yuba City, Alameda Municipal Power and the City of Oceanside. She has been Specifically trained to collect invoices for: Traffic Citations, Business Licenses, Water Sewer and Power Utilities, City Code Violations, Animal Control Property Damage Harbor Fees, False Alarms, NSF Checks, Ambulance and other miscellaneous debts.

Training and Supervision

All collection staff is required, through our Collection Agent Training Program, to complete our full training program which consists of five (5) program modules. The collection training program is conducted over the course of a full week and includes formal classroom training, systems training, interactive training and hands-on training. Module 2 is dedicated to and encompasses all Collection Laws and Regulations and covers a full day of formal classroom training. Each representative must successfully complete and pass our FDPCA test to receive certification at the end of our training program. The first communication with the consumer is often the most important step in resolution of an unpaid obligation and States Recovery Systems, Inc. and our program is designed to set the standard of professional debt collection.

Collectors are taught our "8 Steps to a Successful Collections Call", overcoming objections, money sources, effective communication with third-parties, right-party contacts as well as call simulations to put the skills to the test in real world scenarios. Trainees are taught the importance of respect, credibility, ethics and achievement while collecting debts. Each communication from our representatives focuses on key elements in the call, proper identification of the representative and the company, call recording and FDCPA disclosures, properly identifying the right party responsible for the account, and account resolution.

Completing the training program provides the knowledge needed to be successful and compliant within the debt collection profession.

Quality Assurance

States Recovery Systems, Inc. maintains a Quality Assurance Program which is monitored by our Compliance Officer and through the assistance of the Operations Manager. We have deployed a state-of-the-art call monitoring system that records every phone call, incoming and outgoing, within our phone system. The conversations and call production reports are monitored and reviewed by management on a daily basis to ensure a high level of customer service and compliance. This minimizes, if not fully eliminates, debtor complaints and provides the security that debtor's information is protected and that our staff is treating them with dignity and respect at all times. A minimum of two (2) hours of live monitoring is conducted daily by various members of the management team. Recorded phone calls are monitored randomly. Samples of these recorded phone calls are reviewed by the management team on a weekly basis. The findings of the review session are communicated to the collection staff, and include all positive observations, in addition to any areas needing improvement.

Continuing education sessions are conducted at least twice per month in small groups and training topics vary based on defined criteria. FDCPA and Regulation F education and testing is performed semi-annually along with training sessions on FCRA, TCPA, ECOA, Service Members Civil Relief Act, UDAAP and REG E. Additional training sessions are performed in conjunction with our monthly staff meetings based on current trends in the industry. All collection staff complete a minimum of 4-6 hours per month of continuing education regarding compliance and collection laws.

4. A statement as to the ability of the Proposer to make collections in all 50 states and the ability to file reports with all three national credit bureaus.

Collections in all 50 states

States Recovery Systems, Inc. is licensed and has the ability to make collections in all 50 states.

Credit Reporting

Accounts are electronically reported on qualifying accounts to the 3 national credit bureaus, Experian, TransUnion and Equifax, after 50 days of assignment. Credit reporting updates are transmitted bi-monthly for accuracy and timeliness of reporting bankruptcy, disputed accounts, payment arrangements and paid in full inventory.

Note: The Consumer Financial Protection Bureau (CFPB) issued a new rule that limits when a debt collector can report information about a debt to credit reporting agencies. As of December 1, 2021, an amendment to Regulation F, says that a debt collector can't report a debt to the three major credit reporting agencies, Equifax, Experian, and TransUnion, before first contacting the consumer. The debt collector must:

- *speak to the consumer in person or by phone or*
- *mail a letter or send an electronic message, like an email, about the debt to the consumer and then wait a "reasonable period of time" (at least 14 consecutive days) to see if a notice of undeliverability comes back.*

If the collector gets a notice that the letter or message was undeliverable, the collector can't report the debt to the credit reporting agencies unless it achieves communication as detailed above. (12 C.F.R. § 1006.30(a)(1) and Official Interpretation of 30(a)(1)).

5. Provide sample copies of the current monthly statement of accounts to your clients.

See sample monthly statement of accounts in Exhibit 1.

6. Provide sample copies of the current Annual Recap of Monthly Collection Activity.

See sample monthly statement of accounts in Exhibit 1.

7. Provide sample letters to be sent to delinquent accounts.

See sample letters to be sent to delinquent accounts in Exhibit 2.

8. A description of your collection methodology, how many agents you will use in our collection effort, the geographical area you service, and an outline of your collection success rate.

States Recovery Systems, Inc. and our local California employees and professional collection staff thrive in a competitive environment. In all markets, our agency ranks highest among our competitors. We are agile in our business operations and work efficiently to adjust, modify and improve processes to increase recovery. Our team analyzes portfolios of accounts and we have the ability to identify collection strategies that are proven to deliver results based on demographic, age of receivable, historical portfolio performance and previous collection projects. Our team has vast experience with working in projects of all scale and scope.

Our agency completed the AIM Certification process for automated file transmissions and has been working with the University since 2009. We service and average of 3,000 accounts monthly with an average balance of over $1,800. All file transfer processes performed over a secure SFTP connection are automated on a daily basis. Files inbound and outbound have an added layer of encryption through .ppk key sharing and certificates for connection authorization over the secure network.

States Recovery Systems, Inc. will assign six (6) collectors to work City of West Covina assigned accounts. Collection accounts are worked within a pooled environment but within our government collection division.

States Recovery Systems, Inc. has successfully managed collection services for several City's and our success rate out performs our competitor. Depending on the information and age off accounts assigned, our clients receive a success rate of up to 39.6%. This is 39.6% is one of our city references and our performance can be verified.

9. Provide a schedule of fees for your service. Provide the cost, if any, to the City and list all services you provide for those costs in each of the following categories:

a. Letter service
b. Regular collection
c. Court action, if required
d. Transfer of account to an out of area agency for collection
e. Any other costs Involved in the collection process

a. Letter Service - Assessed Percentage: 0%

States Recovery Systems, Inc. offers a hand off letter letting the consumer know the accounts is going to be turned over to States Recovery Systems, Inc. if not paid in a pre-determined amount of time. (Currently 2 weeks-Negotialble) Samples of client hand off letters can be found in Exhibit 2.

b. Regular Collection - Assessed Percentage: 17%
b1. Payments collected using Franchise Tax Board offset program 12%
All collection Agency Services described in this

proposal. c. Court Action - Assessed Percentage: 24%

States Recovery Systems, Inc. has an internal legal department and has vast experience in litigating collection cases in all 58 counties in California. Our complex case management program in California is different in each county and States Recovery Systems, Inc. works diligently through our business community and state industry trade association to stay abreast of any proposed changes that may impact the Courts, or the Sheriff Departments within our state which may impact the legal process.

All cases are managed internally and on-site within our legal department with the assistance of our primary attorney, on-staff paralegal and legal collection team. Close oversight is managed through the department to ensure timelines and calendared hearings are coordinated with our contracted legal counsel. The role of the Legal Department Manager is to ensure that all cases are reviewed prior to recommendation to the client for legal action and a full assessment of potential assets is performed prior to suit being commenced. We evaluate risk prior to litigation to prevent additional legal costs for the Agency or any possible exposure for our client.

Specifically, we evaluate the probability of collection of the judgment once obtained, risk of bankruptcy filing by the defendant once suit is filed, and a thorough evaluation of any disputed issues on each case prior to filing. All documentation for each case file is reviewed by the Legal Department Manager to ensure accuracy of balances assigned, dates of delinquency, ensuring all responsible parties on the account are named and have required notification prior to filing.

Litigation is final step in the collection process if all other voluntary collection efforts have been exhausted and recovery still has not been achieved. States Recovery Systems, Inc. will consult with the City of West Covina collection department and legal counsel to coordinate a legal strategy, and review pleadings for prior cases as part of onboarding process to ensure a transparency in the adopted strategy.

States Recovery Systems, Inc. will only initiate filing of new actions with the express written consent of the City of West Covina.

Our office would typically recommend litigation, when warranted, on accounts with a high degree of collectability. Most agencies will assign accounts out to legal firms or attorneys for litigation, however, States Recovery Systems, Inc. manages the entire legal inventory on-site and through our dedicated department.

In addition to the expertise in managing new cases filed in Superior Court within California, States Recovery Systems, Inc. also offers post-judgment execution of existing judgments obtained by City of West Covina. Our office performs asset investigations and

skip-tracing on all assigned judgments within our internal legal department and can manage the renewal process for judgments obtained in the prior contract period or from other legal offices currently or previously contracted with the City.

The primary objective is to increase return and recovery of judgments while utilizing all collection remedies as assets are developed. This includes, but is not limited to, abstracts, UCC filings, bank levies and wage garnishments.

d. Transfer of account to an out of area agency for collection 0%

States Recovery Systems, Inc. will never transfer an account to an out of area agency for collection. All collection activity is performed by our on-site collection staff.

e. Any other costs involved in the collection process: 0%

b1.States Recovery Systems, Inc.
Franchise Tax Board (FTB) Tax Intercept Program

States Recovery Systems, Inc. currently partners with municipalities to assist the management of the FTB Offset Program. Through this partnership, our agency generates the required consumer notice and has designed custom programming to create the outbound file for the City to upload to the FTB. Offsets are directed to the City and notifications are sent to States Recovery Systems, Inc. upon receipt. Our system currently manages and automates the consumer letter process, which eliminates redundancy and additional cost. Our collection software provides real-time updates that include consumer payments, and account statuses to prevent notices being mailed to consumers on resolved accounts, or incorrect data being submitted to the FTB on assigned inventory.

Some of the specific advantages to this partnership project include:

- Accuracy of data transmitted to FTB based on real-time agency information
- Reduced cost to the City for required notices
- Ability to locate consumer social security numbers
- Reduction in overpayments to consumers due to accuracy of balances in file transmission
- Call center assistance with trained staff to assist in commonly asked offset questions

There is no additional cost to the City for assistance with the program as proposed within the RFP. States Recovery Systems, Inc. offers these services at our proposed assessment fee of 12% on payments received through this program to aid in the agency cost and management of the program. As part of this Request for Proposal, States Recovery Systems, Inc. would work in conjunction with City of West Covina to assist as needed to implement or continue the FTB Offset Program, and coordinate mailing of the required notice at no additional cost. At its sole discretion, and an option, the City may also utilize the services of States Recovery Systems, Inc. to assist further in the management of the program including file creation and social security searches for assigned accounts.

The City prefers to not incur any costs for this program. All monies paid to the Proposer will, preferably, come from the collected fines.

City of West Covina will never incur a cost. All monies paid to States Recovery Systems, Inc. will come from money collected.

10. A statement of the dollar amount of an account under which you will not actively pursue regular collection and/or legal action.

All accounts are worked thoroughly for resolution as long as the balance remains outstanding regardless of age, balance, or location of the consumer. States Recovery Systems, inc. will accept all dollar amounts however some laws will restrict us from certain collection activity. States Recovery Systems, Inc. will litigate on accounts over $1,000.00 however we do evaluate each account and will litigate under $1,000.00 if it is warranted and financially feasible.

11. A statement of the services you feel differentiates you from other debt collection providers.

States Recovery Systems, Inc. has successfully managed collection services for City of Redding since 02-04-11. Our experienced collectors have worked 12,764 accounts totaling $4,876,264 in revenue. City of Redding is receiving a recovery rate of 39.6%. This is one of our references and 39.6% performance can be verified. City of Redding successfully utilizes the Franchise Tax Board Tax Offset Program.

CAPACITY TO PERFORM

Provide a detailed description of the approach and methodology to be used to accomplish the Scope of Service of this RFP to achieve client satisfaction, within the presented timeframe. See Scope of Work (Attachment E). The Offeror shall provide a narrative addressing the Scope of Work and demonstrating the Offeror's understanding of the City of West Covina's needs and requirements.

States Recovery Systems agrees to be responsible for the following:

1. Conduct all activities in an ethical manner and in compliance with all applicable Federal, State and local laws, codes and regulations.

Collection agency compliance has and will continue to change rapidly over the proposed contract period for City of West Covina. States Recovery Systems, Inc. has the staff and the infrastructure in place to adjust to the rigorous demands that are placed upon collection agencies and the methods in which we conduct our daily business operations, all while exceeding the recovery expectations of the clients in which we serve.

States Recovery Systems, Inc. has a dedicated Compliance Officer who monitors all changes in State and Federal collection laws. We subscribe to the ACA International's Guide to State Collection Laws and Practices. Updates are electronically sent regarding new legislation that is enacted and all members of our executive management team subscribe to the ACA Daily, an electronic notification system containing articles, case law and updates on collection laws and regulatory requirements. Members of our team also subscribe to the ACA Hub, a blog for ACA International members to share information on best practices for compliance, and collection operations.

Compliance with regulatory requirements involves constant, daily monitoring and updating of internal processes and training of all staff within the organization. Outlined below are a few of the key areas of compliance which are regulated in our environment.

Fair Debt Collection Practices Act (FDCPA)
All collection staff is required through our Collection Agent Training Program to complete our full training program which consists of 5 program modules. The collection training program is conducted over the course of a full week and includes formal classroom training, systems training, interactive training and hands-on training. Module 2 is dedicated to Laws and Regulations and covers a full day of formal classroom training. Each representative must successfully complete and pass our FDPCA test to receive certification at the end of our training program. All collection staff receives semi-annually re-testing for compliance of FDPCA laws and regulations.

Consumer Financial Protection Bureau (CFPB)
The Consumer Financial Protection Bureau oversees collection agencies as well as providing the consumer complaint database for consumers. States Recovery Systems, Inc. is registered with the CFPB through the complaint database and has internal processes in place to respond to any consumer requests through our Compliance Department. Under the Dodd- Frank Wall Street Reform and Consumer Protection Act (Dodd Frank Act), all covered persons or service provider are legally required to refrain from committing unfair, deceptive, and abusive acts or practices, also referred to as a UDAAP. States Recovery Systems, Inc. has developed internal processes and policies to identify, recognize and prevent UDAAPs. To ensure that the policy is being followed, management will conduct 5 random audits; intensive review of recorded calls, live calls, side by side monitors with collectors.

The Consumer Financial Protection Bureau recently issued a final rule to restate and clarify prohibitions on harassment and abuse, false or misleading representations, and unfair practices by debt collectors when collecting consumer debt. The rule focuses on debt collection communications and gives consumers more control over how often and through what means debt collectors can communicate with them regarding their debts. The rule also clarifies how the protections of the Fair Debt Collection Practices Act (FDCPA), which was passed in 1977, apply to newer communication technologies, such as email and text messages. The final rule also contains provisions on disputes, and record retention, among other topics. Regulation F was enacted on December 1, 2021. States Recovery Systems, Inc. is Regulation F compliant.

States Recovery Systems, Inc., through our involvement with the American Collectors Association (ACA International) will monitor these new developments closely and begin preparations to modify or make adjustments within our daily business operations to ensure compliance with all new rules issued by the Bureau.

PCI Compliance
States Recovery Systems, Inc. accepts Visa and MasterCard payments through live representatives and through our secure website. In order to ensure security and compliance in information received, each representative enters the information directly through our collection software database. Once the information is entered, the card number is immediately encrypted and only the last four (4) digits of the card number are visible. The database will allow for immediate authorization of the card and issue an authorization or approval code once the transaction is completed. All contracted vendors supporting credit card processing are PCI DSS Level 1 Certified, SSAE16 Certified and Regulation E Compliant. States Recovery Systems, Inc. performs quarterly Network Scans and to ensure PCI Compliance. The quarterly scan is completed by Security Metrics™.

Regulation E
States Recovery Systems, Inc. has developed an internal policy regarding acceptance of consumer debit card payments which are subject to Regulation E requirements. Collection representatives are able to accept check-by-phone payments if drawn on a

checking account, however, debit card payments require the authorized signature from the consumer. All collection letters include a payment section which allows for consumers to authorize one-time payments through the use of a debit card. Received authorizations are electronically scanned and stored with the account through our collection software database.

Fair Credit Reporting Act (FCRA)
States Recovery Systems, Inc. reports semi-monthly to all three credit reporting agencies, Experian, TransUnion, and Equifax. As a data furnisher, States Recovery Systems, Inc. has strict requirements to ensure all consumer data is accurately and timely reported. Our dedicated Compliance Officer manages all consumer disputes filed through E-Oscar on a daily basis and performs investigations of consumer disputes, validates account information through the credit reporting agencies and by direct mail to the consumer. When accounts are paid in full or as payments are applied to the unpaid balance all reports are updated. Reports are provided by the bureaus are reviewed for any report inaccuracies. In conjunction with contractual reporting requirements with each credit reporting agency, trade lines are not deleted once paid or removed unless the account is closed and returned to the original creditor.

Gramm–Leach–Bliley Act (GLBA)
Under the GLBA, a debt collector must comply with the Safeguards Rule which requires the development of a written information security program containing administrative, technical and physical safeguards appropriate to the agency's size and complexity, nature and scope of its activities and sensitivity of the consumer information at issue. The GLBA Safeguards Rule requires a debt collector to:

- Designate an employee to coordinate its information security program in order to ensure accountability and achieve adequate safeguards.

- Identify reasonable, foreseeable internal and external risks to the security, confidentiality and integrity of consumer information and assess the sufficiency of any safeguards in place to control such risks.

- Implement policies and procedures to control security risks to customer information and monitor their effectiveness.

- Oversee service providers by selecting and retaining service providers that are capable of maintaining appropriate safeguards for the customer information and requiring service providers by contract to implement and maintain such safeguards. Evaluate and adjust information security programs in light of the results of testing and monitoring required, material changes to operations, or any other circumstances which may have a material impact on the company's information security program.

Further, procedures recommended by the Federal Trade Commission (FTC) for debt collectors to remain in compliance with the GLBA Safeguards Rule:

- Lock rooms and file cabinets where paper records are kept.

- Use password–activated screensavers.
- Use strong passwords (at least eight characters long).
- Change passwords periodically and do not post passwords near employees' computers.
- Encrypt sensitive customer information when it is transmitted electronically over networks or stored online.
- Refer calls or other requests for customer information to designated individuals who have had safeguards training.
- Recognize any fraudulent attempt to obtain customer information and report it to appropriate law enforcement agencies.
- Train employees regularly on the agency's safeguard policies.
- Limit access to customer information to employees who have a business reason for seeing it.

States Recovery Systems, Inc. has maintained a fully-comprehensive Information Security Policy which is tested, revised and audited annually. Protecting the confidentiality of private consumer information is at the forefront of our daily operations and is integrated in all aspects of the organization. Our policies encompass all the required elements to maintain compliance with the GLBA Safeguard Rules as outlined above.

Red Flag Identity Theft Program

States Recovery Systems, Inc. maintains a comprehensive policy to identify identity theft through our Red Flag Identity Theft Program. This program enables States Recovery Systems, Inc. to protect existing consumers, reduce risk from identity, fraud, and minimize damage to States Recovery Systems, Inc. from fraudulent new accounts.

Telephone Consumer Protection Act (TCPA)

The TCPA (Telephone Consumer Protection Act of 1991 47 U.S.C. 227) restricts telephone solicitations and limits the use of automated telephone equipment. The TCPA limits the use of automatic dialing systems, and artificial or prerecorded voice messages, SMS text messages, and fax machines. With limited exceptions, the statue prohibits business from making any "call" to a consumer's mobile phone without consumers "prior express consent". Consent of the consumer is a key defense under the TCPA and is a primary focus of States Recovery Systems, Inc. when communicating directly with consumers.

At time of assignment, and prior to the first communication, States Recovery Systems, Inc. performs a database scrub on all new accounts to identify all cell phone numbers. Identified cell phones are coded within our collection software database to prevent any calls through our automated dialing system until express consent is obtained. Cell phone scrubbing is performed through the Contact Center Compliance database. Each time an account phone number is accessed or updated; it is scrubbed against the database. This aids in the immediate update of a reassigned or re-ported phone number and mitigates the risk affiliated with the use of dialing systems. Updates are real-time and accounts immediately flagged if identified.

Once a collector obtains verbal or written consent to contact the consumer through our automated dialer, the flag is updated. If the consumer does not provide consent, manual calls based on our outlined scope of work will continue. Consumers may withdraw consent at any time and collection representatives will update contact flags as requested. All contact dial flags are tracked including date of consent through our collection software database.

In addition to the above referenced laws and regulations, States Recovery Systems, Inc. holds each employee to the highest standards. In order to be considered for employment, candidates must pass a comprehensive criminal background and reference check. Subsequent background checks are performed annually for each employee to comply with internal and state licensing requirements. During new employee orientation, each representative must complete a Confidentiality Agreement and comply with our Code of Ethics.

California Consumer Privacy Act (CCPA)
Enacted January 1, 2020, the CCPA defines personal information as information that identifies, relates to, describes, is reasonably capable of being associated with, or could reasonably be linked (directly or indirectly) with a particular consumer or household such as a real name, alias, postal address, unique personal identifier, online identifier, Internet Protocol address, email address, account name, social security number, driver's license number, passport number, or other similar identifiers.

An additional caveat identifies, relates to, describes, or is capable of being associated with, a particular individual, including, but not limited to, their name, signature, Social Security number, physical characteristics or description, address, telephone number, passport number, driver's license or state identification card number, insurance policy number, education, employment, employment history, bank account number, credit card number, debit card number, or any other financial information, medical information, or health insurance information.

The intentions of the Act are to provide California residents with the right to:

1. Know what personal data is being collected about them.
2. Know whether their personal data is sold or disclosed and to whom.
3. Say “no” to the sale of personal data.
4. Access their personal data.
5. Request a business to delete any personal information about a consumer collected from that consumer.
6. Not be discriminated against for exercising their privacy rights.

The CCPA applies to any business, including any for-profit entity that collects consumers' personal data, which does business in California, and satisfies at least one of the following thresholds:

- Has annual gross revenues in excess of $25 million;

- Buys, receives, or sells the personal information of 50,000 or more consumers or households; or
- Earns more than half of its annual revenue from selling consumers' personal information.

Organizations are required to "implement and maintain reasonable security procedures and practices" in protecting consumer data.

California Privacy Rights Act of 2020 (CPRA) (Proposition 24)
Proposition 24 is the California ballot proposition that was recently approved in the recent November 2020 election. The proposition enshrines more provisions in California state law, allowing consumers to prevent businesses from sharing their personal data, correct inaccurate personal data, and limit businesses' usage of "sensitive personal information," which includes precise geolocation, race, ethnicity, religion, genetic data, private communications, sexual orientation, and specified health information. The Act creates the California Privacy Protection Agency as a dedicated agency to implement and enforce state privacy laws, investigate violations, and assess penalties of violators. The California Privacy Rights Act will take effect on January 1, 2023, applying to personal data collected on or after January 1, 2022.

The intentions of the Act are to provide California residents with the right to:

1. Know who is collecting their and their children's personal information, how it is being used, and to whom it is disclosed.
2. Control the use of their personal information, including limiting the use of their sensitive personal information.
3. Have access to their personal information and the ability to correct, delete, and transfer their personal information.
4. Exercise their privacy rights through easily accessible self-serve tools.
5. Exercise their privacy rights without being penalized.
6. Hold businesses accountable for failing to take reasonable information security precautions.
7. Benefit from businesses' use of their personal information.
8. Have their privacy interests protected even as employees and independent contractors.

States Recovery Systems, Inc. has strict controls and processes in place regarding transmission of security and confidential data. All data is encrypted in transit and at rest and uses the industry standard AES-256 encryption algorithm. All servers have hard-disk encryption and encryption keys are managed only by the internal team. Though our annual internal and external audit processes, validation of encryption standards are continually tested.

We have a vendor management program in place to identify critical vendors and perform routine audits of those vendors based on the scale and scope of their service provided to our organization. Critical vendors must provide verification of certification including

SOC2, Type2 annual audits with PCI and HIPAA certification and vendor contracts contain specific language regarding data security, data breaches, insurance requirements and confidentiality.

States Recovery Systems, Inc. maintains an Information Security Policy and Business Continuity Plan for our organization. Regular reviews and testing are performed by members of our management team and the plan is audited annually by our independent CPA firm as part of our SOC 2, Type I certification. As part of the Scope of Work as outlined in this RFP, States Recovery Systems, Inc. will work with City of West Covina's Information Security Office to complete a full evaluation of our policies, procedures and controls regarding confidentiality and data security.

States Recovery Systems, Inc. has invested significant capital to ensure our technology is fully redundant, secure and designed for future growth. Over the course of the past year, a full transition was made to implement a new call recording software module and retrofit each collection representative with new Thin Client workstations for added security within the environment. States Recovery Systems, Inc. partners with highly skilled IT professionals who oversee our hardware and backup and recovery strategies.

2. Address only those accounts which the City assigns.

States Recovery Systems, Inc. will only address, enter and work accounts assigned by the City of West Covina.

3. When directed by the City, cease work on and return to the City all documentation pertaining to any account that may have been previously assigned.

States Recovery Systems, Inc. provides the city with an email address to direct cease requests. Upon receipt of a cease request States Recovery Systems, Inc. will immediately close the account and return all documentation pertaining to the account back to the City of West Covina.

4. Will formally demand for payment of each collection item and seek payment arrangement satisfactory to the City.

As required by the Fair Debt Collection Practices Act (FDCPA), States Recovery Systems, Inc. sends an initial "Regulation F Compliant" (See sample in **Exhibit 2**) demand letter regardless of balance upon activation of assigned accounts within 24 hours of assignment. Our contact strategy describes this in detail.

Please see this information on page number 46.

5. Ensure funds collected on the City's behalf are placed in a secured account. Funds collected shall be deposited in a timely manner. Payments remitted to the City shall be completed in a timely manner, and include a report ledger showing the amount paid, at least once per month.

Consumers have several options to pay their obligations and all payment methods are offered with no agency-added cost to the consumer or our clients. We offer the following choices:

- In Person
- Via USPS Mail
- Credit Card by phone
- Secure website for online payments 24 hours a day, 7 days a week
- Check-by-Phone
- Payment direct to the City of West Covina

We do not discourage consumers form making payments, including cash payments direct to City of West Covina. All direct payments may be reported to States Recovery Systems, Inc. by phone, email notification or through our secure client web portal. The web portal allows for real-time reporting notifications to our collection staff so they are able to cease communication for paid accounts.

Time Payments

We realize that not all consumers can pay in full when we contact them, so we offer payment plans based upon the consumers ability to pay. We train our staff to negotiate the best possible repayment plan after the consumer provides some basic information about their financial means.

States Recovery Systems, Inc guarantees all funds collected on the City of West Covina's behalf will be placed in a secure trust account. All collected funds will be deposited in a timely manner and in most cases the same day received. If a payment comes in after closing funds will be deposited the next day. All payments received will be remitted to the city in a timely manner and include a trust report ledger showing the amount paid ant least once per month. A sample of the trust ledger is located in Exhibit 1.

6. Pertaining to each account, deliver to the City at least once per month a report detailing the current status of the account, including a brief recap of the successful Proposer's efforts to collect the funds.

States Recovery Systems, Inc. guarantees it will deliver to the City of West Covina a status and inventory report on each account detaining the current status of the account, including a brief recap of our efforts to collect the funds. This status report will be sent to City of West Covina once per month or as requested. There is a sample report in Exhibit 1 and can be modified to meet the needs of the City.

7. Not initiate any legal action pertaining to any account without the prior written permission of the City.

Litigation is final step in the collection process if all other voluntary collection efforts have been exhausted and recovery still has not been achieved. States Recovery Systems, Inc. will consult with the City of West Covina collection department and legal counsel to coordinate a legal strategy, and review pleadings for prior cases as part of onboarding process to ensure a transparency in the adopted strategy.

States Recovery Systems, Inc. will only initiate filing pertaining to any account with the express written consent of the City of West Covina.

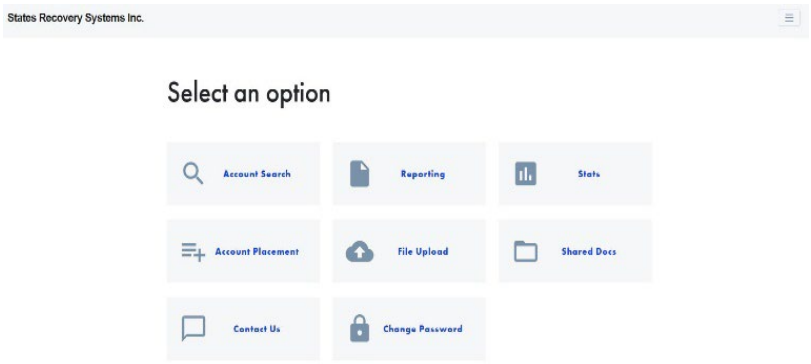
Our office would typically recommend litigation, when warranted, on accounts with a high degree of collectability. Most agencies will assign accounts out to legal firms or attorneys for litigation, however, States Recovery Systems, Inc. manages the entire legal inventory on-site and through our dedicated department.

8. No compromise settlement shall be accepted by the Collection Agency without City's written consent.

States Recovery Systems, Inc. not compromise settlement of any account without the express written consent of the City of West Covina.

9. Ensure all records pertaining to any current or past accounts assigned are available for audit by City or its authorized representative at anytime.

States Recovery Systems, Inc. guarantees all records pertaining to any current or past due accounts assigned are available for audit by the City of West Covina or its authorized representative at any time.



In addition to an open invitation to perform on-site audits at or physical location, through our collection software database, City of West Covina can access their inventory through a secure web-based “HIPAA Compliant” client access portal known as QuikClient © which allows access to performance reports, send secure updates regarding specific accounts, and audit remotely 24 hours a day, 7 days a week.

10. Provide electronic media access to the unpaid accounts.

As described above in Item 9, States Recovery Systems, Inc's. web portal access is a HIPAA Compliant, internet-based collection agency software management tool that provides our clients with easy, yet secure, real-time access to their account portfolio 24 hours a day, 7 days a week. Upon contract award, City of West Covina will be provided with a secure login and password for direct access to your inventory of assigned accounts.

City of West Covina can have as many user profiles as needed and maintain access levels corresponding to the nature of their involvement on the portfolio. User permissions can be assigned or revised as needed. States Recovery Systems, Inc offers both on-site or remote training for all City of West Covina employees.

11. Guarantee the confidentiality, security, and safety of all files, documents, computer files, etc.

Outlined below is a brief description of the security precautions currently in place in our environment which will ensure the confidentiality and security of City of West Covina data.

Staffing

States Recovery Systems, Inc. holds each employee to the highest standards. In order to be considered for employment, candidates must pass a comprehensive criminal background and reference check. Subsequent background checks are performed annually for each employee to comply with internal and state licensing requirements. During new employee orientation, each representative must complete a Confidentiality Agreement and comply with our Code of Ethics.

Physical Security

Our corporate office located in Rancho Cordova, California is a secure facility. Employees are assigned access badges and access is restricted within the facility based on defined access levels and position. Our location is equipped with internal and external security cameras which monitor the facility 24 hours a day, 7 days a week. The system allows for 40 feet of night vision and recordings are stored and backed up on our network

server for a six-month period until oldest data is overwritten. The corporate business park is monitored in the evenings with a physical security guard and our building security is monitored through Liberty Bell. The system monitoring is equipped with motion, glass break, sound, and fire protection. Vendors, clients and other visitors must sign our visitors log within our lobby and be accompanied by authorized personnel at all times. Vendors with access are limited to janitorial only and must be bonded and provide a criminal background check prior to access during non-business hours. Critical vendors are audited and monitored on a scheduled basis as outlined in our Vendor Management Program.

Document Handling
It is the policy of States Recovery Systems, Inc. that unused or unwanted documents that contain account-level information must be disposed of and placed in the locked document shredding bin. Employees are not to retain documentation at their desk which may contain confidential consumer or account level information such as social security numbers, address or banking information. In the event that documentation is needed for future reference, those documents will be scanned to the individual account for printing or viewing at a later date. The locked storage bins are transported bi-monthly by Shred IT™ and are shredded on site at time of pick up. All bins are identified by a specific bar code and a log is maintained by Shred IT™ indicating the date and time of pick-up and transport as well as the destruction of the materials inside. A certificate of destruction is provided at time of service.

Company documents and records are archived within the organization to ensure proper security of client, personnel, and corporate information. Scanned documents are stored on the network in specified folders based on the security level of the document itself; account-level information may be scanned and attached directly to the consumer's account on our collection software database. All archived documents that are scanned are backed up as part of our backup and data storage policy.

Data Encryption
States Recovery Systems, Inc. maintains a Data Encryption Policy which outlines the adopted encryption standards across the entire organization. The policy is detailed and encompasses all possible resources that may contain personal consumer information or account-level information including servers, physical computing systems, or email. States Recovery Systems, Inc. ensures all data is encrypted-at-rest and in-transit and uses the industry standard AES-256 encryption algorithm. All servers have hard-disk encryption and encryption keys are managed only by the internal team. Though our annual internal and external audit processes, validation of encryption standards are continually tested.

PCI and Payment Processing Security
States Recovery Systems, Inc. has secure processes in place for daily payment processing. All payments are posted in a secure, limited-access processing department containing a secure vault for checks or other negotiable items. Our processing department is equipped with security cameras providing 24 hour, 7 days a week surveillance. All client funds are deposited daily into a dedicated Customer Trust

Account. Dual controls are in place for intake of daily mail, payment processing, reconciliation and auditing of all consumer payments. Customer payments made at our corporate headquarters must be accepted by two authorized members of the management team and a lock-box is utilized for all after-hours payments made on site. States Recovery Systems, Inc. is PCI compliant and accepts VISA and MasterCard payments internally and through our secure web portal.

Email Security
Email accounts are limited to administrative support staff, client services, and members of our executive management team. Email is secured through McAfee SaaS Email Protection and Continuity which provides advanced protection against phishing, malware and spam. Additional email encryption and archiving are available with this product and available for implementation.

California has recently enacted landmark legislation to protect the privacy rights of consumers and States Recovery Systems, Inc. has been closely monitoring the progress of the following new laws and regulations for businesses to ensure compliance including the adoption a formal and published Privacy Policy available to consumers. Our Compliance team will continue to monitor these new Acts over the new contract period, provide notifications to City of West Covina as applicable or validation of compliance with regards to safeguards of consumer personal information.

Employee Screening
All employees, prior to employment, must pass a comprehensive criminal background check. Criminal background checks are performed annually thereafter for all employees. Incorporated within our new employment orientation, all employees are required to sign a confidentiality agreement as well as our States Recovery Systems, Inc. Code of Ethics.

Use of Cellular Telephones
Cell phone usage is strictly prohibited within our secure call center. Employees are issued a cell phone locker to secure their device during business hours.

Risk Management Policy
States Recovery Systems, Inc. maintains a Risk Management and Incident Response Policy. The purpose of the policy is to define the risk management requirements for the identification of the appropriate control posture for all computer and communications information system assets at the company. The policy applies to all computer systems and facilities at the company, with a target audience of the company's executive management and information technology employees or critical vendors.

Enterprise Risk Management Process

Enterprise Security Risk Assessment
Each year the information security department in addition with the information technology department must conduct, or manage an independent party who conducts an organization wide security risk assessment. The report resulting from this project must

include a detailed description of the information security risks currently facing the organization, and specific recommendations for preventing or mitigating these risks.

Business Unit Risk Assessment
Each critical organizational or business unit within the company that manages its own computers or networks must also perform, at least annually, a security-related risk analysis of these same systems, coordinated through the information security department and then certify that adequate security measures have been implemented to mitigate the risks.

Annual Information Technology Risk Report
For the board of directors to properly perform its risk management role, IT management must submit to the board a special annual report. This report is to include a description of all material company information technology-related risks, as well as an assessment of how these risks are currently being managed.

Risk Assessment Methodology
The company requires where appropriate that a risk assessment process be used where specified by policies, laws, or regulations. The company assessments are to be conducted using the facilitated risk assessment process.

Material or Significant Information Security Risks
For every material or significant information systems security risk identified, whether through formal risk assessment or not, management must make a specific decision about the degree to which the company will be self-insured and accept the risk, seek external insurance, or adjust controls to reduce expected losses to an acceptable cost of conducting business.

Annual Evaluation of Information Security Operations Outsourcing
As part of the annual risk management process dealing with information security issues at the company, the Chief Information Officer must review what information security operational tasks are, and what tasks are not outsourced. The CIO must then determine based on input from the information security managers which of these tasks will be outsourced in the future

Network Security and Hardware
Our technical infrastructure is designed to ensure the security of our network servers and restrict access. Thin Client applications have been installed at every workstation within the organization which increases security. All software applications are developed as part of a standard build and controlled through the server environment through the use of our Lockdown Security Software. End users have restricted access and are provided only the necessary tools based on their access level. Thin clients do not contain hard drives or the ability to utilize USB ports which adds additional protection from viruses and malware.

Our office maintains three (3) primary VM Ware host production servers with dual, HEX-core processors with a Raid-5 array configuration. All hardware devices including servers, and workstations operate in a fully-redundant environment as an additional fail-safe in the event of system failure.

All hardware servers are supported by contract with a 4-hour response time through our vendor. Additional hardware systems and configuration include:

- Tripp-Lite UPS devices to support all primary servers and telephony equipment
- Watchguard XTM 33 Firewall
- Internal backup device for primary collection software server through a Network-attached Storage (NAS)
- Servers equipped with multiple Network Interface Cards (NIC) in each device
- Servers equipped with 32 GB RAM
- Fiber internet connection through Telepacific with internet connection speeds of 50 MB for upload and download

Access to the data room is restricted to authorized users and through badge (key FOB) only. The data room is temperature controlled with monitors and alarms set to notify key personnel. Individual systems contain monitoring devices to monitor the internal temperature of each device and all systems are secured in a rack-mount system.

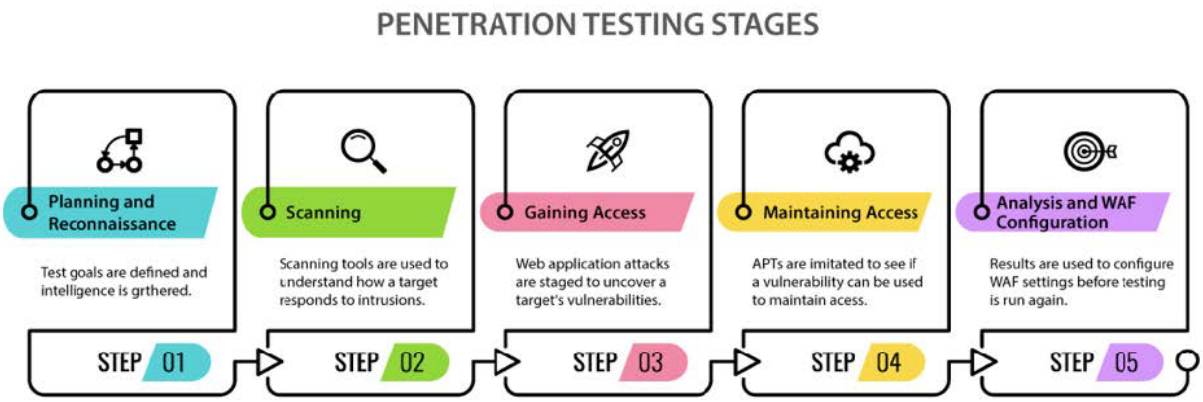
Data Backup

All systems and servers within our environment are fully redundant and backed up remotely through our dedicated service provider, Raymar Information Technology. Our solution is fully automated and provides for rapid file restoration. Backups are performed through a secure online transfer of fully encrypted data to an offsite data center with geographic redundancy. Customer support is available 24 hours a day, 7 days a week.

Secure File Transfer Protocol (SFTP)

States Recovery Systems, Inc. will create and maintain an SFTP connection established on a dedicated server specifically for the sole use of daily file transmission of remittances, new accounts and cancellation/recall files. All data is encrypted in transit and at rest and this SFTP connection allows for data to be transferred over a secure connection as an additional layer of security. Data files are not housed or stored on this server, rather, they are uploaded or downloaded for daily processing then deleted once processed. Other methods or protocols may be implemented as necessary through the implementation process with City of West Covina for the contract period.

Penetration Testing
States Recovery Systems, Inc. performs external penetration testing to identify any potential vulnerabilities that may exist in the environment. Formal reports are generated and available for client information security audits to validate compliance.



Vulnerability Scanning
States Recovery Systems, Inc. partners with SecurityMetrics© to aid in the protection of our internal network through vulnerability scanning which includes:

- Event Log Alerting
- Internal Vulnerability Scanning
- Event Log Management

Information Security Training and Auditing
The Information Security Policy is reviewed annually or as changes are made within the technical infrastructure. Members of the executive management team perform an internal review encompassing all departments, processes and policies. A revision log is maintained as well as an incident log for any identified issues. Training on information security policies and procedures are performed quarterly and include all staff. Training logs with employee acknowledgments are maintained as part of our program. Our plan is audited annually by our independent CPA firm as part of our SOC2, Type I certification.

States Recovery Systems, Inc. maintains an Information Security Policy and Business Continuity Plan for our organization. Regular reviews and testing are performed by members of our management team and the plan is audited annually by our independent CPA firm as part of our SOC 2, Type I certification. As part of the Scope of Services as outlined in this RFP, States Recovery Systems, Inc. will work with City of West Covina to complete a full evaluation of our policies, procedures and controls regarding confidentiality and data security. States Recovery Systems, Inc. has invested significant capital to ensure our technology is fully redundant, secure and designed for future growth. Over the course of the past year, a full transition was made to implement a new call recording software module and retrofit each collection representative with new Thin Client workstations for added security within the environment. States Recovery Systems, Inc.

partners with highly skilled IT professionals who oversee our hardware and backup and recovery strategies. Outlined below is a brief description of the security precautions currently in place in our environment which will ensure the confidentiality and security of City of West Covina data.

12. Responsible for maintaining accurate records of all correspondence, documents, accounting records, transactions and other relative evidence. These records shall remain on file for a period of at least seven (7) years. All records shall be made available to the City for review upon request.

States Recovery Systems, Inc. understand the importance of maintaining accurate records of all correspondence, documents, accounting records, transaction and all other relative evidence. All City of West Covina records will remain on file for a period of at least seven (7) years. All records will be made available to the City of West Covina for review upon request.

States Recovery Systems, Inc. has proprietary debt collection systems to provide our collection software solution. With our software systems we have been successful in streamlining collection operations through the use of automation for all processes. Daily collection queues present accounts methodically to the representative based on assigned status, client, business type, balance, age of obligation, probability of payment and consumer location by time zones. Once the account is worked the system allows scheduling for future dates to ensure consistent follow up on assigned accounts.

States Recovery Systems, Inc. knows the importance of streaming processes. One way to streamline is to establish automated procedures. Our processes are automated daily including new placement files, recall files, direct payment notifications and reconciliation files. Daily outbound files are generated by our office which included daily remittance files, acknowledgment files, update files and recall confirmation files. Our agency has been evaluated on response time to client services issues, performance, compliance, reporting and each month we met or exceeded client expectations. Specifically designed for the collection industry, our software platform provides all of the essential functions of our collections operations, from new business entry through to month end closing and the remittance process. This includes the movement of accounts, payment processing, collector productivity reports, client status updates and client analysis reporting.

All processing within the database is real-time which aids in direct communication on accounts and processes within our internal departments and with our clients who access their inventory. Within our database, States Recovery Systems, Inc. maintains a record of all placement data, account history, payment processing, payment posting and call logs

and all data is encrypted at rest on the production server. All file transfer processes performed over a secure SFTP connection are automated on a daily basis. Files inbound and outbound have an added layer of encryption through .ppk key sharing and certificates for connection authorization over the secure network.

Call Recording

All calls are recorded at States Recovery Systems Inc. for quality assurance and training purposes. It is the collector's responsibility to provide the required disclosure at the beginning of *every* phone call, both incoming and outgoing. Our data is archived for up to four (4) years and we currently have the storage capacity to house two (2) terabytes of data in the event recordings need to be accessed at a later date. Call recordings are included in our network security plan and all data is secured and backed up off-site as part of our Backup, Recovery and Archiving Policy.

Dialing Campaigns

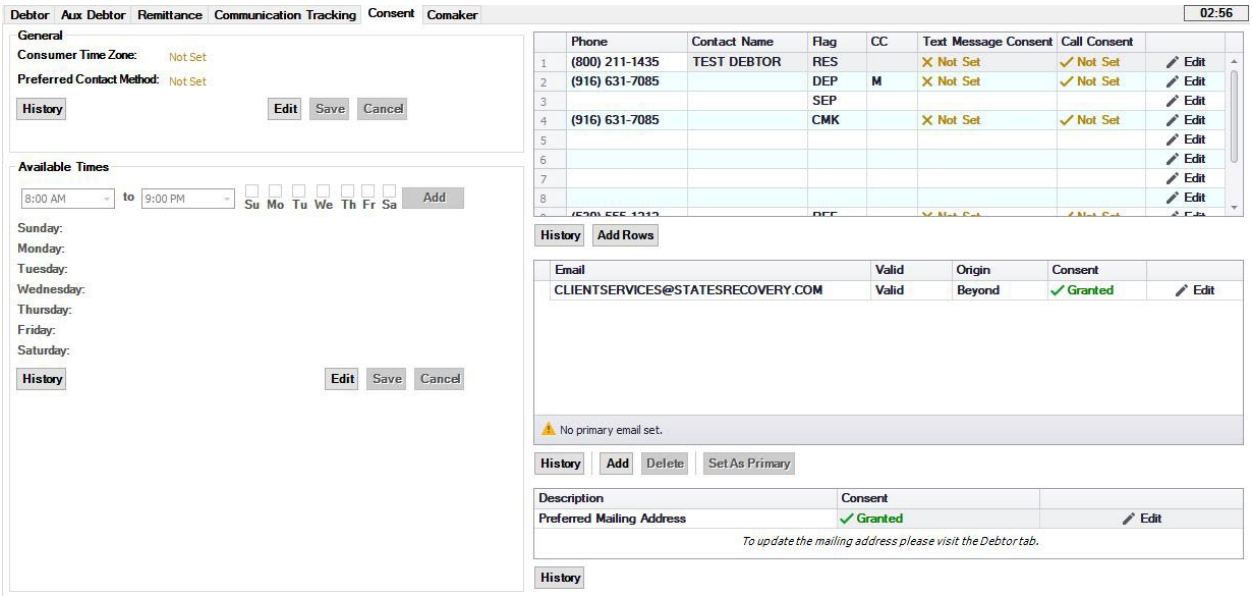
Our in-house state-of-the-art automated and predictive dialing solutions are fully-integrated with our collection software. Currently it has 62x96 lines and has the capacity to expand. Our system offers text-to-speech technology with right party identifier abilities. Campaigns are scheduled in both predictive and messaging formats and are scheduled by management and varied based on multiple factors including placement batches, time-zone, and balances. Our collection staff works on call campaigns for several hours a day to ensure adequate call saturation on all inventories. States Recovery Systems, Inc. has also contracted with an outside predictive dialing vendor, Quikdial, which provides benchmark statistics to our internal dialing strategy. Campaigns are run periodically through this vendor and statistics are measured and analyzed internally.

Telephone Consumer Protection Act (TCPA)

The TCPA (Telephone Consumer Protection Act of 1991 47 U.S.C. 227) restricts telephone solicitations and limits the use of automated telephone equipment. The TCPA limits the use of automatic dialing systems, and artificial or prerecorded voice messages, SMS text messages, and fax machines. With limited exceptions, the statue prohibits business from making any "call" to a consumer's mobile phone without consumers "prior express consent". Consent of the consumer is a key defense under the TCPA and is a primary focus of States Recovery Systems, Inc. when communicating directly with consumers.

At time of assignment, and prior to the first communication, States Recovery Systems, Inc. performs a database scrub on all new accounts to identify all cell phone numbers. Identified cell phones are coded within our collection software database to prevent any calls through our automated dialing system until express consent is obtained. Cell phone scrubbing is performed through the Contact Center Compliance database. Each time an account phone number is accessed or updated; it is scrubbed against the database. This aids in the immediate update of a reassigned or re-ported phone number and mitigates the risk affiliated with the use of dialing systems. Updates are real-time and accounts immediately flagged if identified.

Once a collector obtains verbal or written consent to contact the consumer through contact, the flag is updated. If the consumer does not provide consent, manual calls based on our outlined scope of work will continue. Consumers may withdraw consent at any time and collection representatives will update contact flags as requested. All contact dial flags are tracked including date of consent through our collection software database and our customized Consumer Consent Auxiliary Screen which allows for electronic consent by text messaging and email.



13. No work shall be subcontracted without the prior written consent of the City.

States Recovery Systems, Inc. does not use subcontractors to perform any work. States Recovery Systems, Inc. agrees that no work shall be subcontracted without the prior written communication of the City of West Covina.

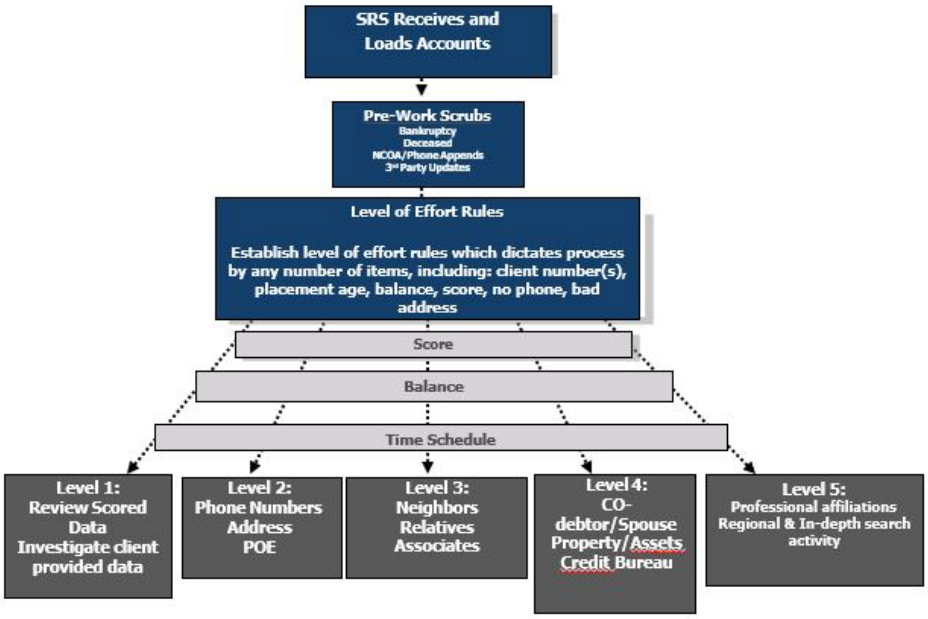
14. Conduct skip tracing on delinquent accounts. Describe specific tools used to conduct skip tracing.

Skip Tracing

Skip tracing tools are available to other companies in the industry; however, how we use the information differentiates States Recovery Systems, Inc. from our competitors. Skip tracing efforts typically begin within twenty-four (24) hours after the account has been identified. We place emphasis on our ability to probe and ask the right questions for contact information. Maintaining a professional demeanor and treating people with dignity and respect enables open communication between our collectors and third parties. All attempts to locate the consumer are documented on the account system and are fully auditable. All collection staff are trained to perform exhaustive skip trace efforts on assigned accounts. Through our Collector Training Program, collection representatives receive comprehensive instruction on the best methods for utilizing online databases and

the skill and compliance requirements involved when obtaining location information verbally from third parties.

States Recovery Systems, Inc. Skip tracing Waterfall Approach



Skip Tracing Batch Processing

Search Category	$1.00 - $199.00	$200.00 - $499.00	$500.00 - Plus
Bankruptcy & Deceased Scrub	✓	✓	✓
Experian Collection Advantage (Score & Credit Summary)		✓	✓
Accurint (Property, Phone Plus, Work Place, Next of Kin)			✓

In addition to batch processing, collection representatives have access to perform manual skip tracing efforts using some of the following resources:

TOOLS	PROCESS	DESCRIPTION
Accurint	Electronic	Collectors have full access to Accurint, a database allowing advanced person searches based on the customer's name. Accurint locates neighbors, associates and relatives, phone numbers including cell phone, business, & home phone.
Corporation/Business Records	Electronic	Collector requests the customer's telephone number using the customer's employer address and/or a listing of employers with common or similar names.
Court clerks	Manual	Collectors contact the local court system to determine if the customer has a public or criminal record, license, or business affiliations.
Internet Search Engines	Electronic	Collectors use search engines such as www.google.com, www.yahoo.com, www.savvysearch.com, www.crimetime.com and others to locate information about customers.
Place of employment or business	Manual	Collectors contact a customer's former place of employment to retrieve current employment data.
Professional and social organizations	Electronic/Manual	Collectors contact state professional licensing boards to obtain the customer's current address or telephone number based upon annual renewal lists.
Review of account documents	Manual	Collectors thoroughly review all account documents to ensure information is never overlooked.
Tax Assessor /Landlords	Electronic/Manual	Used to locate the customer's address & assets.
Surname Search	Electronic	Collectors search by last name or initial within a user specified region such as ZIP, State, county, or state.

15. Submit status reports monthly and an annual report (on a fiscal year) through June 30, reflecting the activity for the previous fiscal year. These reports shall include data for each account detailing the value of the current debt, money received, charges waived, interest charged, balance due and date of last payment. A financial summary will also be required showing "period to date" and "year to date" totals for pertinent information such as receipts, net accounts receivable, total accounts receivable, and collection percentage. In addition, an aging report should be available in summary and in detail. The agency shall provide copies of all available reports and include in the proposal.

States Recovery Systems, Inc. will submit status reports monthly and an annual report (on a fiscal year) through June 30, reflecting the activity for the previous fiscal year. These reports shall include data for each account detailing the value of the current debt, money received, charges waived, interest charged, balance due and date of last payment. States Recovery Systems, Inc. understands a financial summary will also be required showing "period to date" and "year to date" totals for pertinent information such as receipts, net accounts receivable, total accounts receivable, and collection percentage. In addition, States Recovery Systems, Inc. will provide an aging report in summary and in detail. States Recovery Systems, Inc. has provided copies of all available reports and they are included in the proposal. Please see Exhibit 1.

16. Make a minimum of two written or telephone contacts for each account (unless the account clears sooner) within sixty (60) days of receipt of account. The Proposer shall provide in the proposal detailed steps that will be taken once account is received from the City and number of contacts and procedures that will be taken.

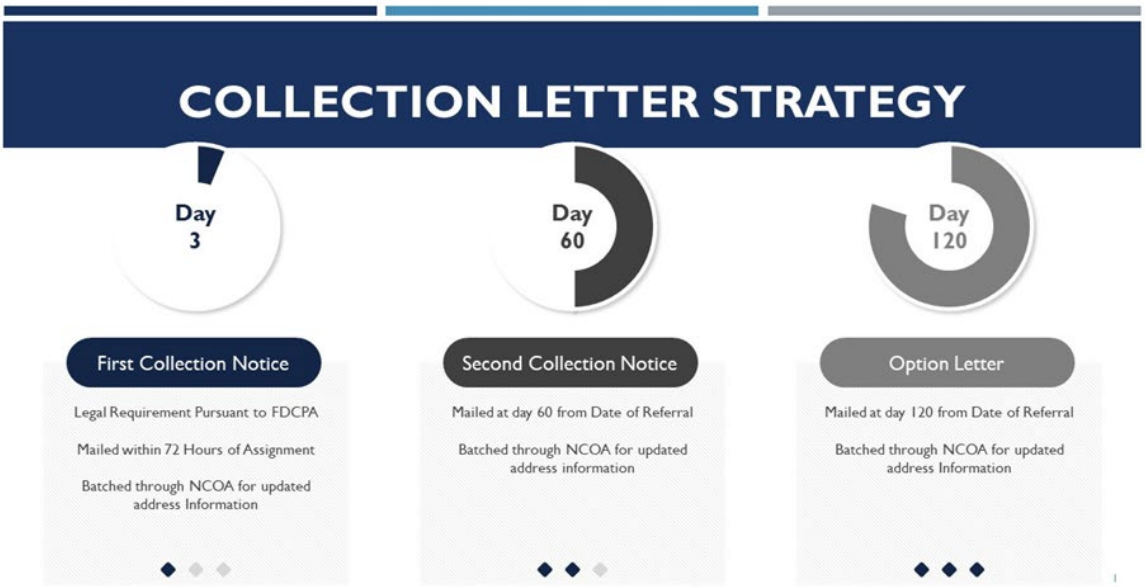
Our executive management team has a vast background and years of industry experience which enables our corporate structure to stand strong throughout the dynamic changes the collection industry has been faced with through additional compliance, regulation and new requirements from state and Federal regulatory bodies. States Recovery Systems, Inc. stands ready implement our proposed collection solution. We are qualified to meet the objectives as outlined in the Request for Proposal and are committed to working with City of West Covina.

The goal of States Recovery System's "Win-Win" negotiation strategy is to find a solution that is acceptable to both parties, leaving all involved feeling satisfied with the end result. This approach not only delivers a high rate of return, but also reinforces the goodwill of the consumer towards City of West Covina.

The key to this philosophy is having highly trained, experienced, and knowledgeable personnel managing the consumer contact. Collectors must be experts in overcoming objections, offering solutions, and creating urgency. This approach has helped States Recovery Systems, Inc. remain a top agency in competitive collection markets for over 34 years.

Written Communication

As required by the Fair Debt Collection Practices Act (FDCPA), States Recovery Systems, Inc. sends an initial "Regulation F Compliant" (See sample in **Exhibit 2**) demand letter regardless of balance upon activation of assigned accounts within 24 hours of assignment. States Recovery Systems, Inc. proposes a three-letter series to be mailed at regular intervals within the first 120 days of assignment.



Accounts that are flagged with a bad-address indicator, are placed on hold, or are in a current dispute status are blocked from future notices being mailed until the flag is updated. Skip tracing is performed to locate new address information before the next letter in the series is initiated and each letter is can be compared through the National Change of Address (NCOA) database. If a new address is identified, it is automatically populated on the letter and a data file created for processing within our collection database with all updated information. States Recovery Systems, Inc. offers a change of address report at no extra charge. Keeping our databases in sync helps you the next time a consumer may owe money.

Collection notices are reviewed and approved in accordance with the Collection Notice Review (CNR) User Guide established by ACA International (American Collectors Association) to mitigate risk affiliated with verbiage in collection notices. The review is conducted by and approved CNR attorney and notices can be approved by City of West Covina prior to generation by our office.

We are licensed in all 50 states and in order to comply with individual state collection letter requirements, specific versions of each letter are created and mailed based on the state in which the consumer currently resides.

Outlined below is a chart and description of all collection letters proposed for the project. States Recovery Systems, Inc. has the ability to develop new, customized letters in conjunction with any requirements outlined by City of West Covina, and we will work with the implementation team to ensure any changes to the standardized letters are reviewed and approved in advance by the City of West Covina team and our CNR attorney. This precaution is provided at no additional charge to City of West Covina:

Letter Type	Description
First Collection Letter	As required under the FDCPA, this letter is mailed within the first five business days after assignment and includes all mandatory legal notifications. Regulation F Compliant. See Sample in Exhibit 2.
Second Collection Letter	This letter is mailed sixty (60) days after assignment as a notification to the consumer that arrangements to resolve the account need to be made.
Option Letter	This letter is mailed after one hundred-twenty (120) days after assignment and is designed to give each consumer specific repayment options including balance in full, payment over 60 days or repayment over 90 days.
First Payment Arrangement Letter	Once a payment arrangement is agreed upon, this notice serves as written confirmation of the payment plan and includes the amount and due date.
Payment Reminder Letter	For accounts under a payment arrangement, this notice serves as a payment reminder and is mailed at least 10 days prior to the next installment due.
Broken Promise Letter	This notice is mailed when a defined payment arrangement is breached and informs the consumer to contact our office.
Response to Dispute Letter	If a dispute is received and validation of the assigned account is required, this letter serves as a notification that attachments are included and advises the consumer to contact our office upon receipt and review of the enclosed information.
Post-dated Payment Letter	As required by law, this letter is mailed ten days prior to the deposit of any post-dated payment on file with our office.
Paid in Full Letter	Provided upon request for accounts in a paid in full status.

Pre-Mail Data Scrubbing

Every year more than forty million people nationwide move their place of residence and/or business and their old addresses remain unchanged in databases with original creditors. In addition, it is estimated that over 8% of all mail is undeliverable because of incorrect addresses. States Recovery Systems, Inc. works diligently when accounts are initially loaded into our system to ensure that our first communication with all consumers is delivered. By data scrubbing all assigned accounts at the time they are assigned we are able to reduce the number of undelivered letters and mail returned due to bad addresses. We utilize the following database information:

- **National Change of Address (NCOA) -** This database is created through the USPS and captures all address correction information available for consumers.

- **Address Element Correction (AEC) –** A USPS service that attempts to correct addresses that fail postal standardization software.
- **ZIP+4 Appending or Correction** – All address records are searched to ensure the zip code is accurate and correct.

- **Address Correction Service (ACS) –** Allows addresses to be forwarded through the USPS after corrections or new address information is obtained.

- **Delivery Point Verification (DPV) –** ensures the physical address is actually exists

In addition to database scrubbing, all new addresses or address corrections are uploaded daily through our database with address correction tracking through our collection

software so account representatives are able to verify the most current information when communicating with the consumer.

Contact Strategy

States Recovery Systems, Inc. understands the specific needs and requirements as outlined in the Scope of Services for City of West Covina and we propose the following workflow and contact strategy outlined below:

Phase I: initial 30 days

- Accounts placed with States Recovery Systems, Inc. are loaded into the collection database within 24 business hours.

- Accounts are batched for any Bankruptcy and Deceased information and TCPA cell phone scrubbing.

- The initial "Regulation F Compliant" demand letter is sent to the consumer within the first 24 hours of the business being placed with our office as required under FDCPA guidelines. The letter identifies the original creditor; all monies owed, and will provide specific information about States Recovery Systems: telephone number, address, and the account number allocated by States Recovery Systems, and how to pay their obligation. This letter is provided to consumers in English and Spanish if necessary.

- Telephone contact is attempted at all available phone numbers a minimum 15 times. If the account is identified as a skip account with returned mail or bad phone number information, manual or batch skip tracing is performed as outlined in detail below. Accounts that are identified as disputed are electronically routed to the Compliance Manager and Client Services Manager to provide validation of the debt and update credit reporting flags. Our dispute process is included later in this proposal as requested.

- Contact is attempted through a combination of manual collection efforts by collection representatives, automated messaging campaigns and predictive dialer campaigns as allowed and in accordance with the TCPA. The electronic Voice Information Center (VIC) is our automated dialing system and allows for campaigns to be scheduled or built as needed by management with specified key account factors (i.e., recoverability, balance, historical statistics, best time to call, and isolate specific numbers to be called at specific times, as well as manage the frequency of calls) to maximize right party contacts. It should be noted that electronic dialing is suspended at this time due to TCPA regulations and is mention merely to outline our full capabilities. Upon regulation changes, we will re-implement this technology.

Phase II: 31-180 days

- Accounts are electronically reported to the 3 national credit bureaus, Experian, TransUnion and Equifax, after 50 days of assignment. Credit reporting updates are transmitted bi-monthly for accuracy and timeliness of reporting disputed accounts, payment arrangements and paid in full inventory.

- As account statuses are updated and identified as a skip account, additional batch skip tracing is performed for additional data after 60 days of assignment.

- The second collection letter is mailed on unresolved accounts on day 59.

- During this phase all accounts with valid numbers have telephone contact attempted a minimum of 6 times per month.

- Through our internal scoring and data analysis metrics, accounts that have been identified based on defined criteria that have a higher probability of paying will have increased manual effort by a dedicated collection representative and have telephone contact attempted a minimum of 2 times per week.

- The 3rd collection letter is mailed as outlined in our letter strategy on day 120 which extends payment plan options that are based on the current balance owed.

Phase III: 181 days- End of contract

- All accounts with valid numbers have telephone contact attempted a minimum of 4 times per month.

- Through our internal scoring and data analysis metrics, accounts that have been identified based on defined criteria that have a higher probability of paying will have increased manual effort by a dedicated collection representative and have telephone contact attempted a minimum of 6 times per month.

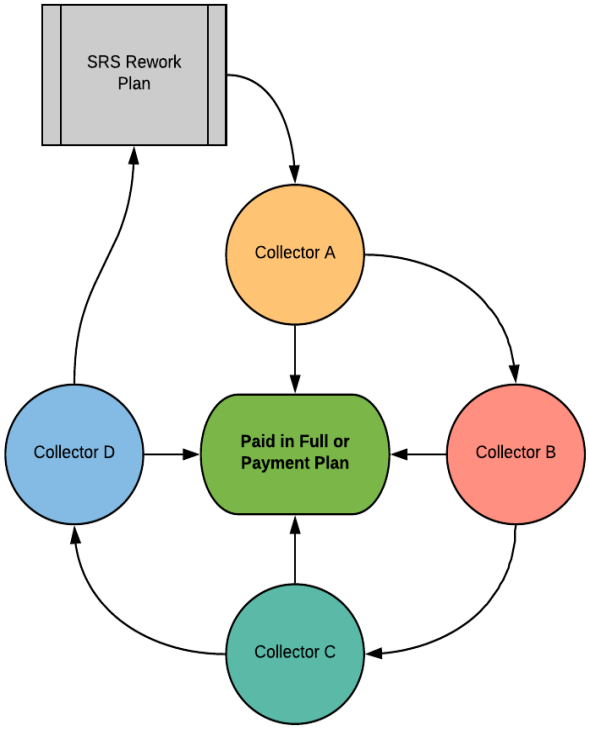
- Additional collection notices are sent to the consumer as needed.

- Periodic skip efforts are made by either batching to selected data sources or manually to ensure that all potential contact points are attempted.

In adherence with the requirements as outlined by the CFPB under Regulation F, known within the industry as the 7-7-7 rule, contact with consumers are restricted to no more than seven times within a seven-day period, or within seven days after engaging in a phone conversation with the consumer about a particular debt. All contacts with consumers are made under the name of States Recovery Systems, Inc. At States Recovery Systems, Inc. accounts are not placed in an inactive status unless specific conditions dictate such as bankruptcy, death, or cease and desist.

All accounts are worked thoroughly for resolution as long as the balance remains outstanding regardless of age, balance, or location of the consumer.

Rework: An evaluation and analysis of our internal portfolio of accounts has found that one collector may be proficient at locating and/or collecting where other members of the team have not. Consumer behavior and financial situations vary based on individual circumstances and our representatives utilize tonality, personality and psychology to build rapport with consumers. Collectors work to offer financial solutions and overcome objections and barriers to repayment. Each representative may have a slightly different approach with an individual consumer. Our automated system cycles the accounts among the collection team to maximize effort and increase recovery. Our real-time connectivity to multiple information providers, coupled with our library of interactive skip tracing databases, enables us to locate more consumers. We retrieve the newest and most reliable data available.



Bankruptcy and Deceased Consumer Scrubbing

The ability to identify bankrupt and deceased consumers at the time an account is assigned for collection is paramount in minimizing risk prior to beginning any collection efforts. States Recovery Systems, Inc. performs database scrubbing to identify any impacted accounts prior to the first communication. Batch services are automated through our collection database and collection representatives utilize additional services to obtain detailed bankruptcy case information or deceased information on individual accounts:

- Lexis Nexis – Accurint
- Public Access to Court Electronic Records (PACER)
- Dolan Information
- Experian Collection Advantage Products

With the nature of the industry and collection process, at times, complaints will arise. At States Recovery Systems, Inc., complaints are taken very seriously. Internal policies and procedures ensure compliance to all state and Federal laws and collection activities are

monitored daily. Our philosophy is to prevent complaints is circumvent them before they begin. The best way is thorough and ongoing training for collection staff.

Our collectors are taught financial counseling and psychological profiling techniques, to help the consumer find a financial solution. These techniques often alleviate complaints before they arise as the consumer is treated with dignity and respect from the first contact with States Recovery Systems, Inc. A manager or team leader is on site at all times and available for any escalated call or complaint.

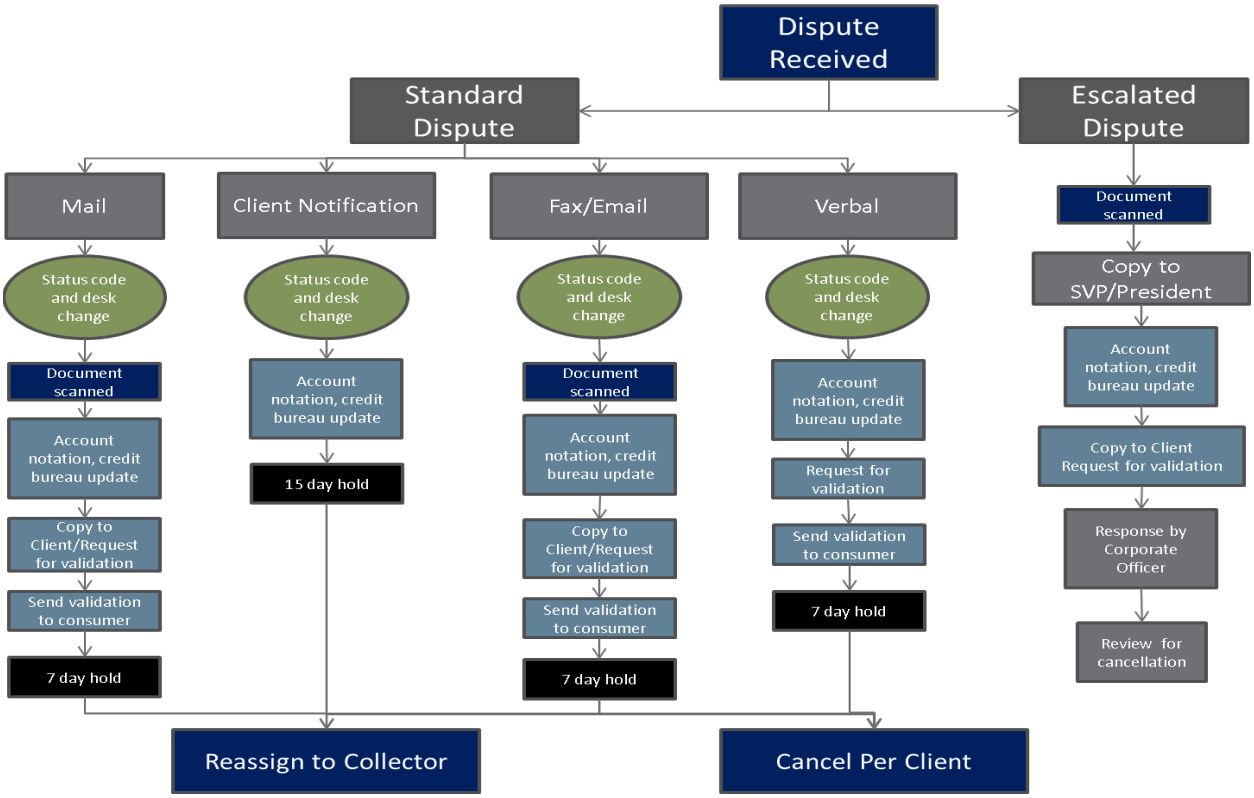
Compliance complaints, if received, are handled by the President and the Vice President of Operations. A thorough investigation is performed regarding the alleged claim and a formal response is drafted to provide clarification regarding any consumer inquiries. Responses to attorneys or consumers are drafted by dedicated attorneys or by executive management.

States Recovery Systems, Inc. maintains a formal policy for complaint and dispute handling within the organization and has established a customized complaint auxiliary screen that allows for tracking on each individual consumer account. Since data is tracked and stored on the account level, our database allows for custom reporting to extract the complaint and dispute data if requested.

Consumer Dispute and Resolution Process

Processes are established to handle verbal, written and escalated disputes. Validation of the assigned account is provided to all consumers in writing upon their request and timely follow up by collection staff to overcome objections and negotiate repayment is part of our work-flow strategy. Please see Dispute Process Flow Chart on next page.

Dispute Process Flow Chart



States Recovery Systems, Inc. maintains a formal policy for dispute handling within the organization and has established a customized dispute auxiliary screen that allows for racking on each individual consumer account. Since data is tracked and stored on the account level, our database allows for custom reporting to extract the dispute data if requested. In order to maintain timely responses and requests to our clients for validation of assigned accounts, we have established scheduled reports that will trigger management review if the deadline to respond to the consumer dispute is still outstanding. See custom Dispute Auxiliary Screen on next page:

17. The Proposer shall not have full rights to the accounts. All information provided to the Proposer shall be used solely for the purpose of collection and may not be provided to any outside agency, business, or person without the consent of the City.

States Recovery Systems, Inc. acknowledges and agrees.

18. Accept automated or manual transfer of delinquent payment information from the City or other vendor's database. It is expected the agency will work at no additional cost, with the City and its software to ensure accurate and timely transmission of data.

States Recovery Systems, Inc. will work with City of West Covina for efficient processing of new assignments and to maximize recovery, States Recovery Systems, Inc. requests the following information at time of assignment:

- Customer name and last known address
- Social Security Number (If you have)
- Current balance
- Breakdown of any additional charges, fees, or interest
- Date of last activity

Optional information would include: service address, disconnect date, status of customer (property owner/renter), additional responsible parties, phone numbers, or employment. Through the implementation process, our team will coordinate with the City of West Covina to establish a defined method of account transmission. States Recovery Systems, Inc. has Filezilla experience and accepts new accounts in all types of formats including:

- Manual placement
- Secure FTP batch assignments in all delimited formats (CSV, Text, Tab, Space) and fixed-length files
- Standard Excel

Assignments may be transmitted to States Recovery Systems, Inc. by:

- Secure FTP connection
- Electronically through secure email
- Uploaded through our secure client web portal
- Facsimile through our secure fax server

States Recovery Systems, Inc. will accept automated or manual transfer of delinquent payment information from the City or other vendor's database. It is expected and States Recovery Systems, Inc. agrees to work at no additional cost, with the City and its software to ensure accurate and timely transmission of data.

Proposal Due:

May 18, 2022, 2:00 p.m.

Fee Schedule
(Attachment D)

Submitted By:

States Recovery Systems, Inc.

Cynthia A. Yaklin, President
phone (916) 631-7085
fax (916) 329-1251
www.statesrecovery.com
Duns Number: 19-636-0549

FEE SCHEDULE (Attachment D)

Provide a not-to-exceed fee proposal that includes all hourly rates, miscellaneous fees and other anticipated expenses associated with completing the project in addition to an estimated total project cost.

This proposal contains ***no up-front fees or costs*** to the City of West Covina for collection agency services. Our Assesed pricing includes letter services and all collection services under the proposed scope of work. States Recovery Systems, Inc. does not transfer any assigned accounts out of the area as we are licensed Nationwide to collect wherever the consumer resides.

a. Letter service	0%
b. Regular collection	17%
c. Court action, if required	24%
d. Transfer of account to an out of area agency for collection	0%
e. Any other costs Involved in the collection process Tax Offset Program	0%

b1. If City of West Covina allows States Recovery Systems, Inc. to use the Franchise Tax Board and money is collected as a result, the rate will reduce from the regular collection rate to 12% as described on page 19 and 20.

- There are no hourly rates.
- There are no miscellaneous fees.
- There are no other anticipated expenses.

Any applicable legal fees and costs will be advanced by States Recovery Systems, Inc. Written authorization is required from the City of West Covina prior to the commencement of any legal action. Any litigation costs advanced for filing fees and service of process by Agency shall be applied to the advanced costs first. The legal assessed rate shall only be applied for funds recovered once ***suit is filed***. Agency fees are recovered on a **assessed fee basis only**

The estimated total project cost will never exceed the contingency commission rates quoted in this proposal.

EXAMPLE ASSESSMENT OF COLLECTION FEE – BASED ON 17% FEE

When States Recovery Systems, Inc. is assigned an account for collection, we agree to be tasked with the collection of the balance owing on the delinquent account, late fee and the Collection Fee (“City Fee”). The City Fee is a fee imposed by the City on those who have allowed their accounts to become delinquent and the City turned it over for collection. The City Fee is equal to the cost to the City for the collection of the delinquent account. For example, if the amount collected on a delinquent account assigned to us is $100.00 we will be tasked to collect $117.00 which is the amount collected plus the City Fee (based on 17% of $100.00, which is equal to the Consultant’s charge for the collection service). We will retain $17.00 as its fee and tender $100.00 to the City.

The collection fee assessed will be based on the category of the account when paid.

Proposal Due:

May 18, 2022, 2:00 p.m.

Excluded or Subcontracted Services

NONCOLLUSION DECLARATION TO BE EXECUTED BY BIDDER AND SUBMITTED WITH BID

The undersigned declares:

I am the President of States Recovery Systems, Inc., the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct, and that this declaration is executed on 05-11-22 [date], at Rancho Cordova [city], CA [state]."

Exhibit 1 Sample Reports

All reports can be modified to meet the needs of the City of West Covina.

Adhoc reports are also available.

REPORT NAME	DESCRIPTION
Account Acknowledgement Report	Report is provided within 24-48 hours of new account submission. The report outlines the name, account number, amount referred of each account and provides a check-and-balance to the client as to the number of accounts and dollar amounts referred.
Monthly Client Trust Remittance	Report reflects payment activity on a monthly basis. It includes debtor name, your account number, our account number, current balance, age of account (in months), date of the payment, whether it was paid to us or directly to you, total commissions, and amount due to you. This report does not reflect the total inventory; only those with payment activity.
Actuary Report	Report may be generated monthly, quarterly and/or annually and is available online allowing for "real time" collection performance data. It will display the number of accounts referred, amount listed, dollars collected, number of accounts paid in full, total active accounts, and a recovery factor percentage, all broken down by the month the account was referred. This is a 12 month report which also gives a cumulative breakdown during that same period, as well as for the previous 2 years.
Client Status Report	Report may be generated monthly, quarterly, annually, or upon request and gives a reconciliation of inventory as a whole. This will include the status of each account including paid in full, cancelled inventory, and active inventory with the amount referred and current balance due.
Paid in Full Report	Report will be generated monthly along with scheduled payment remittance to the State.
Annual Report	Report will be created annually to comply with the State's fiscal year end.
Customized Reports	A multitude of customized reports may be created in various formats based on the State's preferences and/or requirements. Our collection software allows for easy customized reporting and exporting.

Account Acknowledgement Report*:* Report is provided within 24-48 hours of new account submission. The report outlines the name, account number; amount referred of each account and provides a check-and-balance to the client as to the number of accounts and dollar amounts referred.

Account#: 3780744
Pin#: 40656

STATES RECOVERY SYSTEMS, INC. is a debt collector. We are trying to collect a debt that you owe to ABC CLIENT - SAMPLE. This communication is from a debt collector, and any information obtained will be used for that purpose.

Our Information shows:

You had an account from ABC CLIENT - SAMPLE with account number 987654.

As of August 1, 2021 you owed:		$888.88
Between August 1, 2021 and today, May 3, 2022:		
You were charged this amount of interest:	+	$66.97
You were charged this amount of fees:	+	$0.00
You paid or were credited this amount towards the debt:	-	$0.00
Total amount of the debt now:		$955.85

How can you dispute the debt?:

Call or write to us by June 17, 2022, to dispute all or part of the debt. If you do not, we will assume that our information is correct.

If you write to us by June 17, 2022, we must stop collection on any amount you dispute until we send you information that shows you owe the debt. You may also include supporting documents. You may use the form below or write to us without the form.

What else can you do?

Write to ask for the name and address of the original creditor, if different from the current creditor. If you write by June 17, 2022, we must stop collection until we send you that information. You may use the form below or write to us without the form.

Go to www.cfpb.gov/debt-collection to learn more about your rights under federal law. For instance, you have the right to stop or limit how we contact you.

Contact us about your payment options or make your payment online at www.statesrecovery.com.

Notice: See reverse side for important information.

Mail this form to:
STATES RECOVERY SYSTEMS, INC.
2491 SUNRISE BLVD
RANCHO CORDOVA, CA. 95670

THOMAS 3 TEST
2491 SUNRISE BLVD
GOLD RIVER, CA 95670-4344

How do you want to respond?

Check all that apply:

- ☐ I want to dispute the debt because I think:
- ☐ This is not my debt.
- ☐ The amount is wrong.
- ☐ Other (please describe on reverse or attach additional information)
- ☐ I want you to send me the name and address of the original creditor.
- ☐ I enclosed this amount $_____

Make your check payable to STATES RECOVERY SYSTEMS, INC.. Include Account # 3780744 or pay online at www.statesrecovery.com

STATE OF CALIFORNIA SAMPLE - BACK OF REGULATION F LETTER

IMPORTANT DISCLOSURES

This communication is from a debt collector. This is an attempt to collect a debt and any information obtained will be used for that purpose. To ensure professional service and legal compliance, all incoming and outgoing telephone calls to States Recovery Systems, Inc. may be recorded and/or monitored.

The balance on this notice may vary from day to day. The amount due on the day that you pay may be greater due to accruing interest.

As required by law, you are hereby notified that a negative credit report reflecting on your credit record may be submitted to a credit reporting agency if you fail to fulfill the terms of your credit obligation. States Recovery Systems, Inc. will not submit a negative credit report to a credit reporting agency about this credit obligation until after June 17, 2022 .

This statement is sent for informational purposes only and is not intended to collect, assess or recover a discharged debt from you, or as demand for payment from any individuals protected by the United States Bankruptcy Code. If this account is active or has been discharged in a bankruptcy proceeding, be advised this communication is for informational purposes only and is not an attempt to collect a debt.

If your debt is past the statue of limitations, you are hereby notified of the following important consumer information:

The law limits how long you can be sued on a debt. Because of the age of this debt we will not sue you for it. In many circumstances you can renew the debt and start the time period over for filing a lawsuit to recover this debt if you take specific action such as making a payment, or a written promise to pay. You should determine the effect of any action you take with respect to this debt.

Correspondence Address: States Recovery Systems, Inc., 2491 Sunrise Blvd, Rancho Cordova, CA 95670.

FOR CALIFORNIA RESIDENTS:

The state Rosenthal Fair Debt Collection Practices Act and the federal Fair Debt Collection Practices Act require that, except under unusual circumstances, collectors may not contact you before 8 a.m. or after 9 p.m. They may not harass you by using threats of violence or arrest or by using obscene language. Collectors may not use false or misleading statements or call you at work if they know or have reason to know that you may not receive personal calls at work. For the most part, collectors may not tell another person, other than your attorney or spouse, about your debt. Collectors may contact another person to confirm your location or enforce a judgment. For more information about debt collection activities, you may contact the Federal Trade Commission at 1-877-FTC-HELP or www.ftc.gov.

The Rosenthal Act, California Civil code Section 1788.21, also requires that you notify your creditor of your change of name, address, or employment for any existing consumer credit.

For more information regarding our Privacy Policy, please visit www.statesrecovery.com.

THANK YOU

DEAR THOMAS 3 TEST,

Per our recent phone conversation you have agreed to pay $0.00 no later than . If you have any questions please contact this office.

This communication is from a debt collector. This is an attempt to collect a debt. Any information obtained will be used for that purpose.

Sincerely,

States Recovery Systems, Inc.

Payment of a debt by a check which is dishonored will be assessed a fee as authorized by state law.

Because the balance may vary from day to day, the balance on the day you pay may be greater.

Detach this portion and return with your payment in the envelope provided.

AGENDA STAFF REPORT

City of West Covina | Office of the City Manager

DATE: July 5, 2022

TO: Mayor and City Council

FROM: David Carmany
City Manager

SUBJECT: FISCAL YEAR (FY) 2022-2023 COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) ACTION PLAN

RECOMMENDATION:

It is recommended that the City Council take the following actions:

1. Approve the proposed Fiscal Year (FY) 2022-2023 CDBG Action Plan; and
2. Adopt the following Resolution:

RESOLUTION NO. 2022-65 – A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA, ADOPTING A BUDGET AMENDMENT FOR THE FISCAL YEAR COMMENCING JULY 1, 2022 AND ENDING JUNE 30, 2023 (FY 2022-2023 CDBG ACTION PLAN)

3. Designate the City Manager, or the City Manager's designee, as the official representative of the City to administer the programs and to execute and submit all required agreements, certifications, and documents required by HUD, and execute all subrecipient agreements for the use of funds approved in the 2022-2023 Annual Action Plan.

4. Approve the agreement between the City of West Covina and San Gabriel Council of Governments (SGVCOG) for homeless services funding and authorize the City Manager to execute the agreement; and

5. Authorize the City Manager to negotiate and execute all necessary documents, in such final form as approved by the City Attorney, to carry out the City Council's direction.

BACKGROUND:

The Community Development Block Grant (CDBG) program is a flexible program of the U.S. Department of Housing and Urban Development (HUD) that provides communities with resources to address a wide range of unique community development needs. Beginning in 1974, the CDBG program is one of the longest continuously run programs at HUD. The CDBG program provides annual grants on a formula basis to 1,209 general units of local government and states.

The CDBG program works to ensure decent affordable housing, to provide services to the most

vulnerable in our communities, and to create jobs through the expansion and retention of businesses. CDBG is an important tool for helping local governments tackle serious challenges facing their communities. The CDBG program has made a difference in the lives of millions of people and their communities across the nation.

The annual CDBG appropriation is allocated between states and local jurisdictions called "non-entitlement" and "entitlement" communities respectively. Entitlement communities are comprised of central cities of Metropolitan Statistical Areas (MSAs); metropolitan cities with populations of at least 50,000; and qualified urban counties with a population of 200,000 or more (excluding the populations of entitlement cities). States distribute CDBG funds to non-entitlement localities not qualified as entitlement communities.

HUD determines the amount of the City's grant by using a formula comprised of several measures of community need, including the extent of poverty, population, housing overcrowding, age of housing, and population growth lag in relationship to other metropolitan areas. West Covina is a direct entitlement community and uses these federal funds to create transformative impacts and to improve the lives of residents, especially those with low and moderate income levels.

According to 24 CFR 570.4, the policies and procedures used to determine CDBG allocations are described in Sections 106 and 107 of the Housing and Community Development Act of 1974. For the Entitlement Program, there are two formulas: "A" and "B". HUD calculates the amount of funds that each entitlement grantee would receive under each of the two formulas. Formula A calculates funds to a jurisdiction based on its metropolitan area's share of three factors across all US metropolitan areas. The factors are:

1. Population, weighted at 25%;
2. People in poverty, weighted at 50%; and
3. Overcrowded units, weighted at 25%

Formula B also calculates funds to a jurisdiction based on its metropolitan area's share of three factors across all US metropolitan areas, but the factors are somewhat different. The Formula B factors are:

1. Population growth lag since 1960, weighted at 20%;
2. People in poverty, weighted at 30%; and
3. Pre-1940 housing units, weighted at 50%.

In recent years, West Covina has utilized these funds for Code Enforcement, the Domestic Violence Victim Advocate (Police Department), Senior Meals Program, the Business Assistance Loan Program, the Housing Preservation Program, Public Infrastructure Projects, and to fund various public service providers (i.e., food banks, homeless advocates, meals on wheels, etc.).

As a condition of receiving the funds, HUD requires the City to prepare an annual Action Plan, which details the activities the City plans to undertake with the funds in the respective year. This Action Plan is to be consistent with the five-year CDBG Consolidated Plan, which is a strategic and visioning document on the use of these funds. The City Council adopted its most recent 5-year CDBG Consolidated Plan on April 6, 2021, which is valid through 2024. The City's proposed FY 2022-2023 CDBG Action Plan is included as Attachment No. 2 of this report.

As a basis for the Consolidated Plan, an assessment and prioritization of community needs, relative to the use of CDBG funds, was required. The categories of community need identified in the current Consolidated Plan are: (1) Economic Development, (2) Homelessness, (3) Infrastructure Improvements, (4) Owner Occupied Housing, (5) Public Facilities, (6) Non-Homeless Special Needs, (7) Public Services, and (8) Rental Housing. Attachment No. 1 describes each category.

To facilitate prioritization and to evaluate the categories, HUD utilizes four levels of priority: High, Medium, Low, and No Such Need. A High Priority means that activities in that category will be funded by

CDBG funds. A Medium Priority means activities in that category may be funded by CDBG funds. A Low Priority means CDBG funds will not be used to fund activities in a particular category.

The City Council established the FY 2020-2024 Consolidated Plan Priorities through actions at the April 6, 2021 City Council meeting, as outlined in Table 1. These priorities were affirmed, as amended, by the City Council on March 1, 2022 for the FY 2022-2023 Action Plan.

Table 1
FY 2020-2024 Consolidated Plan Priorities

Categories of Need	Priority Level
Economic Development	High
Homelessness	High
Infrastructure Improvements	High
Owner-Occupied Housing	High
Public Facilities	High
Rental Housing	High
Non-Homeless Special Needs	Medium
Public Services	Medium

The categories shown as ‘Medium’ and ‘Low’ do not indicate that these are not priorities of the City of West Covina; however, with limited CDBG funds, the City Council determined the other categories as a priority for use of CDBG funding during this term.

DISCUSSION:

As directed by the City Council on March 1, 2022, City staff drafted the proposed FY 2022-2023 CDBG Action Plan (Attachment No. 2) to incorporate the City’s approved FY 2020-2024 Consolidated Plan Priorities.

In FY 2022-2023, the City will receive $788,055 in CDBG funds. With additional program income estimated at $50,000 through repayments of CDBG-funded loans to the City’s Housing Preservation Program, staff estimates a total amount of available resources to be approximately $838,055. Previously unobligated funds in the amount of $217,185 are proposed to be utilized. The proposed budget is shown below in Table 2. Approved funding for FY 2021-2022 is shown for comparison.

Table 2
Proposed FY 2022-2023 CDBG Action Plan Budget

Project/Activity	FY 2021-2022 Approved	FY 2022-2023 Proposed
1. Neighborhood Improvement Program	$1,200,000	$755,157
2. Planning and Administration	$164,000	$167,611
3. Public Services	$133,000	$132,472
Total	**$1,497,000**	**$1,055,240**

1. ***Neighborhood Improvement Program:*** *Funds eligible capital improvements such as public facilities improvements, street rehabilitation, replacement of curbs and gutters, removal of barriers to accessibility, park improvements, etc.*
2. ***Planning and Administration****: By statute, capped at 20% of the sum of allocation and* ***current***

year (FY 2022-2023) program income. FY 2022-2023 program income, to be received through repayment to the Housing Preservation Program, is estimated at $50,000.

3. ***Public Services**: By statute, capped at 15% of the sum of allocation and **prior** year (FY 2021-2022) program income. FY 2021-2022 program income, received through repayment to the Housing Preservation Program, is $95,096 as of the writing of this report.*

Business Assistance and Housing Preservation Programs

The Business Assistance Program and Housing Preservation Program will occur in FY 2022-2023 with previously allocated funds and later amended in the FY 2021-2022 Action Plan process. The unexpended balances will be carried forward. Activities funding with carried over budgets are designated in Table 4 with an asterisk (*). As of the writing of the report, the Business Assistance Program, originally funded for $325,000, has a balance of $32,303 and the Housing Preservation Program, originally funded for $250,000, has a balance of $331,644. At the pre-development public hearing for the Action Plan on March 1, 2022, revising guidelines to increase loan amounts and expand eligible use for the Housing Preservation Program was discussed. Staff will be presenting revised guidelines for the program for City Council consideration at the August 16, 2022 City Council meeting.

Neighborhood Improvement Program

Funding for additional improvements to Friendship Park, the only park to currently meet the eligibility criteria for CDBG funding, is proposed. Necessary improvements include the park restroom rehabilitation, parking lot updates, among others. Improvements are being costed.

Public Services

The City published a Notice of Funding Availability in February 2022, and received 11 funding requests totaling $216,500 from public service providers serving West Covina residents. Descriptions of services provided are included as Attachment No. 3.

With an interest in mitigating impact to the General Fund, staff earmarked funding for City projects at the levels of request by the individual departments. This will offset City program expenses that would otherwise be supported by the City's General Fund. All City projects are designated with a double asterisk (**) in Table 4. A decrease in CDBG funding to these programs would result in an increased burden on the General Fund in order to maintain current service levels.

Housing Rights Center

Staff also recommends funding the Housing Rights Center. As a CDBG recipient, HUD requires grantees to provide services that promote and support fair housing in the community. Funding the Housing Rights Center addresses this HUD requirement.

Homeless Services

At the pre-development public hearing for the Action Plan on March 1, 2022, services for the homeless was emphasized. Following the public service application deadline, the City contracted the Los Angeles Centers for Alcohol and Drug Abuse (LA CADA) to provide homeless services in West Covina. When the contract was awarded, the first three months were funded. For FY 2022-2023, staff is recommending CDBG funds be used to fund $60,000 of the $250,000 annual cost of the project. An additional $50,000 from the San Gabriel Valley Council of Governments (SGVCOG) will further offset this cost. The balance of $140,000 will be funded by ARPA Local Fiscal Recovery funds (Fund 179). An additional $12,000 in a carry over of Measure H funds from the County is proposed to be used for the Motel Voucher Program. Overall, staff recommends allocating $262,000 in funding for homeless services:

Table 3
Funding for Homeless Services

Funding Source	Amount
CDBG	60,000
SGVCOG	50,000
ARPA Local Fiscal Recovery	140,000

Subtotal LA CADA Contract	**$250,000**
Measure H Funds for Motel Voucher Program	12,000
Total Funds for Homeless Services	**$262,000**

Staff recommends funding the projects (Projects Nos. 3 through 11) as shown below in Table 4.

Ad Hoc Committee Recommendations

The CDBG Ad Hoc Committee of the Community and Senior Services Commission (Ad Hoc Committee) evaluated the remaining applicants (Projects No. 12 through No. 17). Applicants made presentations to the Ad Hoc Committee on May 12, 2022. The Ad Hoc Committee then developed recommendations to allocate the balance of $37,472 in CDBG funds (shown in Table 4). The recommendations are included in the proposed Action Plan and presented for the consideration of the City Council.

Several activities (Project Nos. 7, 13, 15, and 16) were not recommended for regular CDBG funding. The City received CDBG-CV funds as a result of the CARES Act in response to COVID-19. The City Council previously approved $150,000 for food bank activities. The three providers, denoted by a triple asterisk (***), were awarded funding through CDBG-CV at the recommendation of the Ad Hoc Committee in FY 2020-2021 and FY 2021-2022. The Ad Hoc Committee recommended funding the FY 2022-2023 requests from the food banks from the balance of CDBG-CV funds. Sufficient funding remains from the $150,000 approval to fund the requests. Staff also recommends that the Senior Meals Program (Project No. 7) be funded using CDBG-CV funds; this frees up the $60,000 in CDBG funds historically earmarked for the Meals Program for the LA CADA program.

A funding request application was received from God's Pantry, a homeless services provider based in Pomona. The request was for $25,000 to purchase a vehicle that would serve as a mobile unit to launch a homeless outreach program in West Covina. The Committee felt that the application as well as the presentation lacked sufficient detail regarding the proposed activity. Further, pre-planning in the way of collaboration with the City's law enforcement outreach team or other local homeless providers was not demonstrated. Additionally, during the presentation to the Committee, agency representatives changed their request for funding to outfit a vehicle for outreach, as a vehicle had been donated. Several weeks later, on June 1, 2022, an agency representative emailed reverting the request back to the original purpose. As such, the potential for the successful launch and implementation of the activity was a concern. The Ad Hoc Committee did not recommend funding the request.

Temporary Housing Assistance

At the pre-development public hearing for the Action Plan on March 1, 2022, City Council discussed the need for a program to help those at-risk from becoming homeless by temporarily providing assistance with housing cost, i.e., rent, mortgage, utilities, etc. According to 24 CFR 570 (B)(4), "the general rule is that CDBG funds may not be used for income payments. For purposes of the CDBG program, “income payments” means a series of subsistence-type grant payments made to an individual or family for items such as food, clothing, housing (rent or mortgage), or utilities, but excludes emergency grant payments made over a period of up to three consecutive months to the provider of such items or services on behalf of an individual or family." Such a project would be eligible under CDBG, as a public service, a category which is subject to a statutory cap. Because the City has neither a program nor guidelines in place, it is not recommended that the activity be funded with CDBG funds at this time.

Alternatively, because the City has CDBG-CV funds available, which are not subject to the public service cap, the City Council may direct staff to return with guidelines for a program that would comport with the CDBG-CV requirements. That is, in addition to the regular CDBG requirements, be shown to prevent, prepare for, or respond to COVID-19. There is $733,055 in available funding that has not yet been allocated to the CDBG action plan but has been appropriated in CDBG - R Fund No. 225.

Table 4 details proposed FY 2022-2023 funding by activity, alongside approved funding for FY 2021-2022 for comparison.

Table 4
Proposed FY 2022-2023 CDBG and CDBG-CV Funding

Project/Activity	FY 2021-2022 Approved	FY 2022-2023 Proposed	Account
1. 22005 - Residential CDBG Street Improvements	$1,000,000	$0	131.80.7005.7200
2. 21035 - Friendship Park Improvements	$1,000,000	$0	131.80.7004.7700

17. Assistance League (Op School Bell)	$10,000	$16,500	131.61.5121.6462
Plan Total	**$2,741,924**	**$1,534,187**	

As required, the draft FY 2022-2023 CDBG Action Plan was available for a 30-day public review period, which began on June 3, 2022. As of the writing of this report, one written public comment was received, which provided a correction to the name of a County agency referenced in the Plan.

An approved Action Plan is due to HUD by July 13, 2022.

LEGAL REVIEW:

The City Attorney's Office has reviewed the resolution and agreement and approved them as to form.

OPTIONS:

The City Council has the following options:

1. Approve staff’s recommendation; or
2. Provide alternative direction.

ENVIRONMENTAL REVIEW:

This project is a General Exemption under the California Environmental Quality Act.

Prepared by: Kelly McDonald, Public Services Manager

Fiscal Impact

FISCAL IMPACT:

The proposed FY 2022-2023 Action Plan budget is $1,534,187. In FY 2022-23, the City is to receive $788,055 in CDBG funds. With additional program income estimated at $50,000, through repayments of CDBG-funded loans to the City's Housing Preservation Program, staff estimates a total amount of available resources to be approximately $838,055. Previously unobligated funds will make up the difference of $217,185.

Funding Source	FY2022-23 Amount
FY22-23 CDBG Funds	788,055
Housing Preservation Program Loan Repayments	50,000
Previously unobligated funds	217,185
CDBG Carryovers	373,947
CDBG-CV Carryovers	105,000
Total	**$1,534,187**

The attached budget amendment proposes to reallocate funding to implement the plan as stated. This includes a transfer of $140,000 from Project No. 22010, Fire Station Repairs, to Contract Services in the ARPA Local Fiscal Recovery Fund No. 179 to fund the LA CADA contract for homelessness services and an appropriation of $12,000 to carry over Measure H funds from the County for the Motel Voucher Program. The overall net impact of the proposed budget amendment is zero and does not have any impact to the City's General Fund.

CITY COUNCIL GOALS & OBJECTIVES: Protect Public Safety
Maintain and Enhance City Facilities and Infrastructure
Enhance City Image and Effectiveness
Achieve Fiscal Sustainability and Financial Stability
Expand Economic Development Opportunities

ATTACHMENT NO. 1

Descriptions of Categories of Need in Table 1, Consolidated Plan Priorities

This attachment describes the Categories of Need shown in Table 1 of the staff report.

1. Economic Development: Activities to address these needs will be funded by the Community & Economic Development non-housing funds. Community & Economic Development activities and the new Business Assistance Program will address this category of need.

2. Homelessness: The allocation of CDBG funds to public services can address a portion of these needs.

3. Infrastructure Improvements: Improvements such as street rehabilitation and replacement of curbs and gutters will be funded during the Consolidated Plan cycle. (For example, projects may include street improvements.)

4. Owner-Occupied Housing: Owner housing needs will be addressed by the Housing Preservation Program (HPP).

5. Public Facilities: Public facilities may be funded during the Consolidated Plan cycle – 2020 to 2024. (For example, projects may include: accessibility improvement or parks and recreation facilities and youth centers.)

6. Non-Homeless Special Needs: The allocation of CDBG funds to public services can address a portion of the non-homeless needs. (Non-homeless special needs populations include: the elderly, persons with HIV/AIDS, disabled, homebound, and mentally ill).

7. Public Services: A high priority was assigned to public services because CDBG funds can help to address the needs of the elderly, frail elderly, youth and other low/moderate income populations. These needs can be addressed by the 15% allocation of CDBG funds to public services. (For example, public services may include: youth services, transportation services, and crime awareness.)

8. Rental Housing: Rental housing needs are addressed by the Section 8 rental assistance program and the affordable housing developments funded by the CED Low and Moderate Income Housing Fund.

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

Located in the San Gabriel Valley, West Covina is a densely developed urban community encompassing 16 square miles. The US Census estimates the West Covina had a population of 109,501 persons as of April 1, 2020. This document constitutes the City of West Covina's third year Annual Action Plan to implement its Five-Year Consolidated Plan (FY 2020 – FY 2024) for the use of Community Development Block Grant (CDBG) funds. This FY 2022 Annual Action Plan was prepared using the eConPlanning Suite system developed by the U.S. Department of Housing and Urban Development (HUD). The system prescribes the structure and contents of this document, following HUD's Consolidated Planning regulations. This Action Plan covers the planning period of July 1, 2022 through June 30, 2023. A public hearing was conducted on March 1, 2022 to discuss the Draft FY 2022-2023 Action Plan, which was released for a 30-day public review on June 1, 2022.

2. Summarize the objectives and outcomes identified in the Plan

Listed below are City of West Covina's objective and outcome categories for CDBG funded activities in accordance with the Federal Register Notice dated March 7, 2006. During this Consolidated Plan period, the City will fund activities in two objective/outcome categories – SL-1 and SL-3.

SL–1 Improve Availability/Accessibility for the Purpose of Creating a Suitable Living Environment

- Fair Housing Services
- Child Care Services
- Senior Services
- Other Public Services

SL–3 Improve Sustainability for the Purpose of Creating a Suitable Living Environment

- Neighborhood Improvement Program

The Neighborhood Improvement Program supported improvements such as: street and alley improvements, sidewalks, and street lighting and accessibility improvements.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The 2015-2019 Consolidated Plan established the following high priorities for CDBG funding:

- Support a Neighborhood Improvement Program for infrastructure improvements
- Support public facilities funding
- Support funding for fair housing and tenant/landlord counseling services
- Address the needs of homeless families with children; homeless individuals; and chronically homeless persons
- Support public services funding

The City allocated CDBG funds to address each of the five high priorities listed above.

The City compared the cumulative proposed and actual accomplishments for Program Years 2015-2016 thru 2019-2020. Actual accomplishments over the four year-period exceeded the proposed accomplishments by a ratio of 1.33 to 1, when proposed accomplishments were weighted for actual funding. Three public services had accomplishments *slightly less* than the 4-year weighted accomplishments: Senior Meals Program, Careship Program, and Housing Rights Center. The Neighborhood Improvement Program supported improvements such as: street and alley improvements, sidewalks, and street lighting and accessibility improvements.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

Public Hearings: Citizen participation is one of the most important components of the planning process. To solicit public input during the development of the Consolidated Plan, the City Council conducted two public hearings.

The purpose of the first public hearing, which occurred on March 1, 2022, was to obtain the public's input on West Covina's housing and community development needs. The notice of the public hearing explained the CDBG Program, available funding and the scope of eligible activities. The City encouraged the participation of all residents. A summary of the meeting is presented in Table 4 – Citizen Participation Outreach. The purpose of the second public hearing, which will occur on July 5, 2022, will be to consider approval of the PY 2022-2023 Action Plan. A summary of the meeting is presented in Table 4 – Citizen Participation Outreach.

Housing and Community Development Needs Survey: The proposed Action Plan is intended to be consistent with the recently adopted Consolidated Plan. As part of the development of the PY 2020-

2024 Consolidated Plan, which was approved on April 6, 2021, The City conducted a survey as another means of obtaining public participation. The Survey was posted on the City's website. The survey results are included as an attachment to this Plan. Seventy-nine (79) responses were received. Seventy-six (76) responses were from West Covina residents, 61 of which indicate they have lived in West Covina for over 10 years. The survey asked respondents to indicate their priority housing and non-housing community development needs (High, Medium, Low, No Need, and Don't Know) for activities in the community under seven categories. CDBG funds are limited. With the limited funding, the City supports programs that provide resources to address some of the activities mentioned below. However, the City will seek other funds or partners to address the priority needs during the Consolidated Plan period.

In summary, the seven categories and top three activities receiving the most High Need ratings in the survey are listed below:

Infrastructure Activities

1. Water quality improvements
2. Tree planting
3. Street and road improvements

Housing Activities

1. First-time home-buyer assistance
2. Energy efficient home improvements
3. Heating/cooling HVAC replacement or repairs

Housing Types for Special Needs Populations

1. Rental assistance for persons at-risk of homelessness
2. Shelters for youth
3. Permanent supportive housing such as subsidized housing that offers services for persons with mental disabilities

Community and Public Facilities

1. Parks and recreational facilities
2. Homeless shelters
3. Facilities for abused/neglected children

Community and Public Services

1. Neighborhood crime prevention programs
2. Children afterschool/summer camp programs & services

3. Park and recreation programs

Services and Facilities for Special Needs Groups

1. Veterans
2. Seniors (65+)
3. Victims of domestic violence

Business and Economic Development Activities

1. Retention of existing businesses
2. Attraction of new businesses
3. Expansion of existing businesses

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

During the pre-development hearing on March 1, 2022. Comments regarding the use of CDBG funds included the following:

A Councilmember commented support for the Housing Preservation Program and expressed a desire for continued funding. Additionally, a request was made to reconsider the program guidelines to increase the current loan amount of $10,000 to $20,000 or more, as improvements such as central air, roof replacement, etc., are costly.

A Councilmember recommended that because the City intends to use CDBG funds to serve homeless persons, establishing a rental assistance program would be beneficial for preventing those a-risk of becoming homeless. As a result, Rental Assistance was re-prioritized to 'High' for the remainder of the Consolidated Plan period. Increasing the availability of motel vouchers for homeless persons was also discussed.

The draft Action Plan was available for a 30-day public review period beginning June 1, 2022 and ending on July 1, 2022. During a public hearing held on July 5, 2022, public comments included: TBD

The City of West Covina has undertaken diligent and good faith efforts in outreaching to all segments of the community that may benefit from the CDBG Programs.

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments received were accepted.

7. Summary

The City of West Covina has undertaken diligent and good faith efforts in outreaching to all segments of the community that may benefit from the CDBG Programs.

AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

1. Introduction

As part of the Action Plan development, the City undertook an outreach program to consult and coordinate nonprofit agencies, affordable housing providers, and government agencies regarding the needs of the low- and moderate-income community. The outreach program has been summarized in the Executive Summary.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l))

During the development of the Action Plan, the City coordinated with the Los Angeles County Development Authority. The Development Authority provided information on the number of families receiving Section 8 rental assistance; the number of elderly and disabled assisted families; and the number of families on the Section 8 Waiting List. The City also coordinated with the Baldwin Park Housing Authority.

The private and governmental health, mental health, and service agencies that were consulted included: United Way of America; Southern California Association of Governments; Los Angeles County Department of Public Health, (Childhood Lead Poisoning Prevention Program and Division of HIV and STD Programs); Los Angeles County Department of Mental Health; Los Angeles County Department of Public Social Services (DPSS); Office of Statewide Health Planning and Development; Substance Abuse and Mental Health Services Administration; Area Agency on Aging, State Independent Living Council (SILC); and Office of the California Attorney General. With regard to economic development, the City coordinated with the State Employment Development Department, County of Los Angeles Workforce Investment Board, West Covina Workforce Services Office, and the Community Development Commission's economic development efforts.

Specific agencies were also contacted to obtain data in preparation of this Action Plan. For example, the State Developmental Services Department and State Social Services Department were contacted to obtain data and housing resources for persons with disabilities.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Continuum of Care Strategy was consulted to provide information on homelessness and resources available. Several agencies that provide housing and supportive services for the homeless and those at risk of becoming homeless were identified. The City coordinates on an ongoing basis with the following

homeless providers: the East San Gabriel Valley Coalition for the Homeless Emergency Food and Shelter Program, YWCA – WINGS Women's Shelter, and San Gabriel Valley Council of Governments.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City's HUD entitlement allocation does not include ESG funds.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction's consultations with housing, social service agencies and other entities

Table 2 – Agencies, groups, organizations who participated

1	**Agency/Group/Organization**	Los Angeles County Development Authority
	Agency/Group/Organization Type	Housing
	What section of the Plan was addressed by Consultation?	Housing Need Assessment
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	The City requested information on Section 8 assisted households. Improved coordination is possible because baseline data provides the City a basis to monitor a reduction in rental assistance needs.
2	**Agency/Group/Organization**	LOS ANGELES HOMELESS SERVICES AUTHORITY
	Agency/Group/Organization Type	Housing
	What section of the Plan was addressed by Consultation?	Homeless Needs - Chronically homeless Homeless Needs - Families with children Homelessness Needs - Veterans Homelessness Needs - Unaccompanied youth Homelessness Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	2020 Homeless Count was used as a basis to estimate the City's unsheltered homeless. Baseline data provides improved way to monitor if homelessness is reduced over time. The 2021 Count was not conducted due to COVID-19. The results of the 2022 Count have not been released as the development of this draft.
3	**Agency/Group/Organization**	Los Angeles County Department of Public Health
	Agency/Group/Organization Type	Services-Children
	What section of the Plan was addressed by Consultation?	Lead-based Paint Strategy

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Agency's website was consulted for data on the incidence of LBP poisoning. Information collected can be shared with the community to warn families of the dangers of lead based paint.
4	**Agency/Group/Organization**	State Independent Living Council
	Agency/Group/Organization Type	Services-Persons with Disabilities
	What section of the Plan was addressed by Consultation?	Non-Homeless Special Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Agency's multi-year plan was reviewed to gather insights on priority needs, services, and planned programs. Improved coordination provides the City information to share with the disabled community.
5	**Agency/Group/Organization**	Los Angeles County Department of Public Health-Division of HIV and STD Program
	Agency/Group/Organization Type	Services-Persons with HIV/AIDS
	What section of the Plan was addressed by Consultation?	Homeless Needs - Chronically homeless Homelessness Strategy Non-Homeless Special Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Agency's was contacted to obtain data on the incidence of HIV and AIDS and programs directed at addressing these needs. Improved coordination allows the City information to share with the disabled community.

Identify any Agency Types not consulted and provide rationale for not consulting

The City consulted with all agencies that could provide valuable input to the development of the Action Plan.

Other local/regional/state/federal planning efforts considered when preparing the Plan

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Continuum of Care		
2021-2023 State Plan for Independent Living (SPIL)	State Independent Living Council (SILC)	The Strategic Plan has goals in support of SPIL because many of West Covina's senior are frail and disabled and on the Section 8 Waiting List.
HIV/AIDS Strategy 2020 and Beyond	Division of HIV and STD Programs, Los Angeles County Department of Public Health	The Strategic Plan has included information from this Plan.
Area Agency on Aging 2016-2021	Los Angeles County Workforce Development Aging and Community Services	The Strategic Plan has goals in support of the Area Plan which stated that the greatest economic need is among minority seniors with poverty incomes.

Table 3 – Other local / regional / federal planning efforts

Narrative (optional)

City of West Covina departments that may have an interest in the CDBG Program were invited to participate in the Consolidated Plan process.

Housing is a key element of the Consolidated Plan. The City cooperates and coordinates with the State Department of Housing and Community Development by submitting the Annual Housing Element Progress Report.

AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation

Summarize citizen participation process and how it impacted goal-setting

Citizen Participation Outreach

Sort Order	Mode of Outreach	Target of Outreach	Summary of response/attendance	Summary of comments received	Summary of comments not accepted and reasons	URL (If applicable)
1	Public Meeting	Non-targeted/broad community	Approximately 30 persons attended the Public Hearing held on March 1, 2022	Staff gave an overview of the Action Plan process and CDBG funding. Priorities to guide the PY 2022-2023 Action Plan were presented and approved. Public comments at the pre-development meeting on May 4, 2021 included support for the continued funding of the home rehabilitation loan program.	All comments were received and accepted.	www.westcovina.org

Sort Order	Mode of Outreach	Target of Outreach	Summary of response/attendance	Summary of comments received	Summary of comments not accepted and reasons	URL (If applicable)
2	Public Meeting	Non-targeted/broad community	Public Hearing will be held on July 5, 2022 to consider proposed Action Plan	Staff will give an overview of the Action Plan process and CDBG funding. Table 4 – Citizen Participation Outreach

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

For FY 2022-2023, the City is allocated $788,055 in CDBG funds. Estimated income in the amount of $50,000 in program income will result in total available resources of $838,088. The available CDBG funds have been allocated to projects that contribute to achieving the priority needs and goals established by the 5-Year Strategic Plan. The projects are consistent with the citizen input received during the development of the recently approved Consolidated Plan. The priorities have been approved by the City Council. The proposed budget for the listed projects is $1,055,240. The balance will be made up through unobligated funds in the line-of-credit with HUD ($217,185).

Anticipated Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan $	Narrative Description
			Annual Allocation: $	Program Income: $	Prior Year Resources: $	Total: $		
CDBG	public - federal	Acquisition Admin and Planning Economic Development Housing Public Improvements Public Services	788,055	50,000	217,185	1,055,240	1,670,000	The estimated amount of CDBG funds over the remaining two years of the 5-year ConPlan period is $1,670,000. This assumes annual allocations of $785,000 and Program Income of $50,000 in Program Years 4-5 estimated. Prior year resources include $217,185 in unobligated funds through PY 21-22. Not shown in the table are $___ million currently obligated to other open activities.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The City and HUD share an interest in leveraging HUD resources to the maximum extent feasible in order to address priority needs and associated goals.

The City will seek funds to leverage the Federal CDBG funds. The City's Capital Improvement Program (CIP) may leverage CDBG funds in street rehabilitation projects. State Gas Tax funds also assist with street rehabilitation.

Federal USDA, Older Americans Act, City General Fund, and participant donations augment funding for the CDBG-funded Senior Nutrition Program.

Local funds from Los Angeles County Proposition C, as well as Measure M and Measure R, assist the City in removing architectural barriers, providing Dial-A-Ride service, providing a citywide shuttle service, and performing street rehabilitation and other capital improvements.

Volunteer services and private donations provided additional resources to leverage CDBG funds.

If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City presently has no land that could be used to address the community's needs. However, the City does explore opportunities to partner with non-profits to address unmet housing needs. The Community and Economic Development Department does post on its webpage an Available Property List (APL) for businesses seeking to locate in West Covina.

Discussion

See discussion above.

Annual Goals and Objectives

AP-20 Annual Goals and Objectives

Goals Summary Information

Sort Order	Goal Name	Start Year	End Year	Category	Geographic Area	Needs Addressed	Funding	Goal Outcome Indicator
1	Improve/upgrade public infrastructure & facilities	2020	2024	Improve/upgrade public facilities and infrastructure	Area Benefit Neighborhoods	Improve/upgrade public facilities & infrastructure	CDBG: $1,000,000	Public Facility or Infrastructure Activities other than Low/Moderate Income Housing Benefit: 10000 Persons Assisted
2	Improve the well-being of low income persons	2020	2024	Non-Homeless Special Needs	City-Wide	Public Service Programs	CDBG: $130,530	Public service activities other than Low/Moderate Income Housing Benefit: 3898 Persons Assisted
3	Achieve fair housing for all	2020	2024	Eliminate housing discrimination	City-Wide	Eliminate housing discrimination	CDBG: $10,000	Public service activities other than Low/Moderate Income Housing Benefit: 75 Persons Assisted
4	Effective grant administration	2020	2024	Effective grant administration	City-Wide	Effective grant administration	CDBG: $173,500	Other: 1 Other

Table 6 – Goals Summary

Goal Descriptions

1	**Goal Name**	Improve/upgrade public infrastructure & facilities
	Goal Description	Improve neighborhood public infrastructure: Street rehabilitation of streets in CDBG-eligible areas
2	**Goal Name**	Improve the well-being of low income persons
	Goal Description	Improve the well-being of low income persons: The City will provide financial support to public service programs.
3	**Goal Name**	Achieve fair housing for all
	Goal Description	Achieve fair housing for all protected groups: The City will continue to fund a fair housing provider that will investigate housing discrimination complaints and tenant/landlord issues.
4	**Goal Name**	Effective grant administration
	Goal Description	Grant Administration: The City staff will continue to administer the CDBG program in compliance with HUD regulations.

Table 7 – Goal Descriptions

Projects

AP-35 Projects – 91.220(d)

Introduction

The City's planned actions include grant administration; providing fair housing services; providing services to low income persons including, the homeless and the frail elderly; and improving neighborhoods. Planned projects are listed in below.

Projects

#	Project Name
1	Neighborhood Improvement Program
2	Fair Housing
3	Grant Administration
4	Domestic Violence Victim Advocate
5	SGV YWCA Senior Citizens Assistance
6	ESGV Coalition for the Homeless
7	Assistance League of Covina Valley
8	Careship
9	LA CADA

Table 8 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The available CDBG funds have been allocated to projects that contribute to achieving the priority needs and goals established by the 5-Year Strategic Plan. The projects are consistent with the citizen input received during the development of the recently approved Consolidated Plan. The priorities have been approved by the City Council.

Further, based on anticipated need, two amendments to open activities are proposed. The amendment consists of modifying funding for the existing activities as summarized below. The amendments have a net zero effect on overall funding availability.

Applications for Funding: The Public Services Department solicited proposals from community-based organizations, nonprofits, City departments, and citizens interested in applying for funds and providing services to the West Covina community. The application form requests a description of the need and/or problem to be addressed by the project. This application process provides another means of identifying priority needs. Applications were reviewed by the CDBG Adhoc Committee of the Community and Senior Services Commission. The Committee heard presentations from applicants on May 12,

2022. Funding recommendations from the Committee were considered and approved by the City Council on July 5, 2022 as part of the proposed Action Plan.

One of the greatest challenges in meeting the underserved needs of low- and moderate-income persons is having limited financial resources. The City will continue to use CDBG funding to support public service agencies that address the special needs of the underserved, including the elderly and frail elderly and persons belonging to protected classes that have been the victims of housing discrimination.

The City also proactively seeks additional resources to better meet the underserved needs.

AP-38 Project Summary

Project Summary Information

1	**Project Name**	Neighborhood Improvement Program
	Target Area	Area Benefit Neighborhoods
	Goals Supported	Improve/upgrade public infrastructure & facilities
	Needs Addressed	Improve/upgrade public facilities & infrastructure
	Funding	CDBG: $755,157
	Description	Improvements to eligible neighborhoods and public facilities. Accessibility improvements.
	Target Date	6/30/2024
	Estimate the number and type of families that will benefit from the proposed activities	Based on the Pavement Management Plan, an activity is being scoped for residential streets in need of rehabilitation within eligible areas.
	Location Description	Based on the Pavement Management Plan, an activity is being scoped for residential streets in need of rehabilitation within eligible areas.
	Planned Activities	Based on the Pavement Management Plan, an activity is being scoped for residential streets in need of rehabilitation within eligible areas.
2	**Project Name**	Fair Housing
	Target Area	City-Wide
	Goals Supported	Achieve fair housing for all
	Needs Addressed	Eliminate housing discrimination
	Funding	CDBG: $10,000
	Description	The Housing Rights Center will offer West Covina residents services from our four program areas, (1) Discrimination Complaint Investigation, (2) Landlord Tenant Counseling, (3) Education and Outreach, and (4) Legal Services.
	Target Date	6/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	70 low- and moderate-income households
	Location Description	3255 Wilshire Blvd #1150, Los Angeles, CA 90010

	Planned Activities	The Housing Rights Center will offer West Covina residents services from our four program areas, (1) Discrimination Complaint Investigation, (2) Landlord Tenant Counseling, (3) Education and Outreach, and (4) Legal Services
3	**Project Name**	Grant Administration
	Target Area	
	Goals Supported	Effective grant administration
	Needs Addressed	Effective grant administration
	Funding	CDBG: $167,611
	Description	CDBG Program Administration
	Target Date	6/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	N/A
	Location Description	Admin office: 1444 W. Garvey Ave. So., West Covina, CA
	Planned Activities	Funding used for general management, monitoring, and oversight of CDBG Program, including the preparation of the Action Plan and CAPER
4	**Project Name**	Domestic Violence Victim Advocate
	Target Area	City-Wide
	Goals Supported	Improve the well-being of low income persons
	Needs Addressed	Public Service Programs
	Funding	CDBG: $20,000
	Description	This program follows up with victims of all domestic violence victim cases in West Covina.
	Target Date	6/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	An estimated 1,700 low- to moderate income persons will be assisted by the activity
	Location Description	Admin Office: 1444 W Garvey Ave S, West Covina, CA 91790

	Planned Activities	The City's Victim Advocate is responsible for following up with victims of all domestic violence cases that occur in West Covina, as well as some other crimes involving children and domestic situations. The Victim Advocate guides domestic violence victims through the criminal justice and social service networks.
5	**Project Name**	SGV YWCA Senior Citizens Assistance
	Target Area	City-Wide
	Goals Supported	Improve the well-being of low income persons
	Needs Addressed	Public Service Programs
	Funding	CDBG: $10,970
	Description	This program connects seniors with a broad array of services that enable them to stay at their homes for as long as possible.
	Target Date	6/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	An estimated 60 low- and moderate-income persons will be assisted by the activity.
	Location Description	101 S Barranca Ave, Covina, CA 91723
	Planned Activities	The activity aims to connect seniors with a broad array of services that enable them to remain in their homes for as long as possible. Activity provides case management, information, and referral assistance.
6	**Project Name**	ESGV Coalition for the Homeless
	Target Area	City-Wide
	Goals Supported	Improve the well-being of low income persons
	Needs Addressed	Public Service Programs
	Funding	CDBG: $10,000
	Description	Emergency assistance provided to homeless persons.
	Target Date	6/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	300 low- and moderate-income persons
	Location Description	1345 Turnbull Canyon Rd, Hacienda Heights, CA

	Planned Activities	ESGVCH operates the Emergency Assistance Center which provides walk-in emergency services to homeless and at-risk homeless individuals and families
7	**Project Name**	Assistance League of Covina Valley
	Target Area	City-Wide
	Goals Supported	Improve the well-being of low income persons
	Needs Addressed	Public Service Programs
	Funding	CDBG: $16,500
	Description	The program will provide school clothing, shoes and supplies to children and young people from low income families so they can attend school regularly
	Target Date	6/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	1,000 low- and moderate-income families
	Location Description	636 E San Bernardino Rd, Covina, CA 91723
	Planned Activities	The program will provide school clothing, shoes and supplies to children and young people from low income families so they can attend school regularly
8	**Project Name**	Careship
	Target Area	City-Wide
	Goals Supported	Improve the well-being of low income persons
	Needs Addressed	Public Service Programs
	Funding	CDBG: $5,000
	Description	This program assists with the cost of childcare.
	Target Date	6/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	7 low- and moderate-income families
	Location Description	Admin Office: 1444 W Garvey Ave S, West Covina, CA 91790
	Planned Activities	The activity provides a childcare subsidy.

9	**Project Name**	LA CADA
	Target Area	City-Wide
	Goals Supported	Improve the well-being of low income persons
	Needs Addressed	Public Service Programs
	Funding	CDBG: $60,000
	Description	Homeless services provided Los Angeles Centers for Alcohol and Drug Abuse (LA CADA) - outreach, engagement, case management, substance abuse harm reduction
	Target Date	6/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	An estimated 300 low-income persons will be assisted by this activity
	Location Description	12070 Telegraph Rd, Suite 207, Santa Fee Springs, CA 90670
	Planned Activities	Two full-time housing navigators with work with the City's law enforcement outreach team to provide outreach, engagement, case management, substance abuse harm reduction services for homeless persons

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

West Covina has two distinct geographic areas: City-wide and Area Benefit Neighborhoods.

CDBG investment for Fair Housing and Public Service Programs is made on a city-wide basis.

In prior years, CDBG investment for the Neighborhood Improvement Program has mostly been made in Area Benefit Neighborhoods; that is, in block groups where 51% or more of the population have low- and moderate-incomes. Based on the most recent data, the City has 22 block groups with 51% or more the population having low/moderate incomes. Please see the Appendices for a map that highlights these areas.

In PY 2022-2023, there is one activity under the Neighborhood Improvement Program: Residential Street Rehabilitation - CDBG Streets with proposed funding in the amount of $755,157.

The percentages below are based on estimated costs of proposed activities in Year 3. Of the entire budget of $1,055,240, Area Benefit Neighborhoods represent amount estimated for Street Rehabilitation. The balance of the budget is City-wide, through Fair Housing and Public Services. Administration, proposed at $167,611, is not considered in this calculation.

Amendments may occur during the program year that will redistribute funds to activities on an area benefit basis.

Geographic Distribution

Target Area	Percentage of Funds
City-Wide	15
Area Benefit Neighborhoods	85

Table 9 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

CDBG-eligible area benefit neighborhoods, within which area benefit basis projects are eligible are highlighted on the map, included in the appendices. Public services and Fair Housing are available on a

city-wide basis to low- and moderate-income persons. Eligible block groups are listed below.

Tract	Block Group(s)
CT 4053.01	BG 1, 2
CT 4053.02	BG 2
CT 4055.00	BG 2, 3

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

Section 8 provides rental assistance to 579 families through programs administered by the Los Angeles County Development Authority (474) and Baldwin Park Housing Authority (105).

Of the 579 families, 503 are disabled or elderly. There are 411 families on the Section 8 Waiting List of the two housing authorities.

One Year Goals for the Number of Households to be Supported	
Homeless	0
Non-Homeless	0
Special-Needs	0

Discussion

Refer to discussion above.

AP-60 Public Housing – 91.220(h)

Introduction

The City does not have public housing; however, Los Angeles County Development Authority and the Baldwin Park Housing Authority administer the Section 8 Housing Choice Voucher program within West Covina. There are currently 554 West Covina families receiving Section 8 rental assistance and approximately 413 more residents on the waiting list. The amount of time spent on the waiting list often varies and can be as long as several years

Actions planned during the next year to address the needs to public housing

Not applicable to the City of West Covina.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

Not applicable to the City of West Covina. The Los Angeles County Development Authority encourages the participation of public housing residents through Resident Councils. The role of a Resident Council (RC) is to improve the quality of life and resident satisfaction in self-help initiatives to enable residents to create a positive living environment for individuals and families living in public housing. The Baldwin Park Housing Authority (BPHA) owns and administers Mc Neil Manor, a “project-based public housing unit. Mc Neil Manor is a 12-unit low-income senior (62 years or older) housing development.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

The Los Angeles County Development Authority is not a troubled PHA. LACDA has officially achieved "High Performer" status under HUD's Section 8 Management Assessment Program (SEMAP); therefore, is not designated as a "troubled" agency. Units are inspected, repaired, and maintained on a regular basis.

Discussion

The Development and Housing Authorities have prepared five-year Strategic Plans and an Annual Plans. The Plans guide the actions of the Housing Authority in addressing the needs of extremely low and very low income families and include goals to increase the supply of affordable housing, promote self-sufficiency and asset development, ensure equal opportunity and affirmatively further fair housing, and in achieving consistency with each jurisdiction’s Consolidated Plan. The City will continue to monitor the Development and Housing Authority’s Plans and provide input as it pertains to West Covina residents in an effort to increase the supply of affordable housing.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The City plans to allocate CDBG public service funds to agencies that address the needs of the homeless such as emergency/transitional shelter, food insecurity and other basic needs. For the past several years, the City of West Covina has partnered with the Los Angeles Homeless Services Authority (LAHSA) to host and participate in the County-wide Homeless Count to better understand the number of homeless in our community as well as the region. In 2018, 277 unsheltered homeless persons were counted, up from the 158 counted in 2017 and the 48 counted in 2016. The results of the 2019 was 147 and the 2020 count results were 124. In 2021, HUD exempted the Los Angeles Continuum of Care from the Count. As of the writing of this report, the 2022 Count results have not been announced.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

In April 2022, the City contracted the Los Angeles Centers for Alcohol and Drug Abuse (LA CADA) to provide homeless outreach and case management services. In FY 2022-2023, the City will fund its contract with LA CADA, in part, with CDBG funding. LA CADA provides two full-time Outreach Navigators who work with the City's law enforcement outreach team to visit established encampments throughout the City, including all other designated homeless occupied areas, i.e., City Parks, abandoned buildings, parking lots etc.

Services include substance use harm reduction, providing hygiene assistance and supplies, necessary clothing, water and snacks. Outreach Team transports clients to non-emergency medical transportation, established shower facilities, etc.

The Outreach Team conducts an American Society of Addictive Medicine (ASAM) triage. After conducting an ASAM triage, clients may be transported to either detox or residential treatment based upon outcome of assessment. LA CADA furnishes the City eight treatment beds.

The Team provides on-going intensive case management, which focuses primarily on entering clients into HMIS and conducting necessary follow-up. Ancillary case management services include procuring required government documents and linkage to medical, dental and mental health care.

County Measure H funds will be administered by the SGV Council of Governments in FY 2022-2023. The City is member of a cohort of Cities that will receive outreach services from Union Station Homeless Services, the Coordinated Entry System (CES) Lead Agency in Service Planning Area (SPA) 3.

The City is currently a member of the Police Department Program's Mental Evaluation Team (MET)

which is comprised of four (4) cities: Azusa, Covina, Glendora, and West Covina, which provide mental health services to homeless in each of our communities. One day per week, a mental health professional is dedicated to the City of West Covina to assist individuals throughout the community that have been displaced temporarily or are permanently homeless.

The City funds a two police officers for homeless outreach. In addition to the parks-related duties, this team are the first responders to homeless calls, and proactively seek contacts with the homeless (building trust relationships, which can help deescalate crisis situations and help individuals to accept social services). The team received specialized training in crisis communication, social services, etc., and is connected to the local and regional social service network, expanding upon longstanding partnerships that the City of West Covina has with other agencies, hospitals, churches, etc. The target population will be primarily street level and sheltered homeless, as well as those in need of mental health services. The team is supplemented by an existing partnership with Los Angeles County, who assigns a County Mental Health Clinician to our area, rotating among cities regionally. Police Officers focus a portion of their time at City parks and in the community to provide outreach to those homeless individuals in need of supportive services. In addition, they enforce park operating hours, and be able to mitigate illegal activity in the parks.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City provides CDBG funds to the East San Gabriel Valley Coalition for the Homeless. This agency provides advocacy, motel vouchers, gas vouchers, hot meals, showers, lunches, clothing, travel needs, rehabilitation and mental health placements, Winter Shelter, mail and message service and refers clients to partner agencies for further assistance. Up until recently, the Coalition has administered a transitional housing program. The program was discontinued due to lack of funding.

The City applied for and received Measure H funding in the amount of $100,000 from Los Angeles County. The grant is for the purchase of motel vouchers in order to increase the availability of temporary beds in the area. Vouchers will be used by the housing navigator, on a case-by-case basis, for those working through a housing plan. A balance of $12,000 is estimated for FY 2022-2023.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The YWCA – WINGS Women's Shelter is located in West Covina. It is a 32-bed shelter for battered

women and their children.

The City of West Covina is not a direct provider of homeless services. It does refer homeless persons to emergency shelters, transitional housing and supportive housing operated by public and private agencies located near the city. The City also amended the Zoning Code to indicate the where emergency shelters may be located by right.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

The City of West Covina does not receive funding from the Federal sources that require the implementation of supportive housing programs for persons returning from mental and physical health institutions. The City does not receive funds from sources that require the development and implementation of a Discharge Coordination Policy. However, the City has knowledge of the County's discharge coordination policies.

The West Covina jail houses suspects awaiting court appearances or as long as it takes to book them and release on a citation. Currently, any suspect in custody displaying medical and/or mental illness is taken for appropriate care either to a hospital or County jail facility where services can be provided. Suspects are also allowed to utilize a phone to make arrangements to be picked up.

Los Angeles County Department of Mental Health (DMH) regulations require the discharge planning process for Acute Care Hospitals, State Mental Hospitals, and Institutions for Mental Disease programs must address all the individual needs of homeless clients at treatment initiation. Housing resources on discharge include: independent living with rental assistance, family reunification, living with roommates, PSH, and nursing homes.

California law requires hospitals/regional hospital associations to have protocols for homeless patients. The Hospital Association of Southern California, National Health Foundation, and Illumination Foundation's Recuperative Care Program must provide post-hospital healthcare services to homeless patients moving from acute care. Services include housing location assistance, residential medical and social support.

Los Angeles County Department of Health Services (DHS) regulations require health care facilities to provide appropriate housing location and supportive services to avoid discharge into homelessness. Programs include: the Recuperative Care Program, nursing facilities, board and care, family reunification, permanent supportive housing (PSH), and affordable housing. DHS also funds 24/7 ES

medical services where Case Managers work with patients to obtain housing, services, and benefits.

Discussion

See discussions above.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

The City's draft 2021-2029 Housing Element describes constraints and barriers to maintenance, development and preservation of affordable housing.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The City is committed to removing governmental constraints that hinder the production of housing and offers a "one-stop" streamlined permitting process to facilitate efficient entitlement and building permit processing. The draft 2021-2029 Housing Element recommends the following policies to mitigate the barriers to affordable housing:

- Support innovative public, private and non-profit efforts toward the development of affordable housing.
- Periodically review and revise the City's development standards, if necessary, to facilitate quality housing that is affordable to all income levels.
- When feasible, consider reducing, subsidizing, or deferring development fees to facilitate the provision of affordable housing.
- Continue the provision of incentives, including the density bonus incentive program, which encourages developers to include affordable units in their projects.
- Encourage production of accessory dwelling units as an additional source of infill housing opportunities.
- Identify funding to subsidize land costs of for housing developments that include affordable units.
- Provide flexibility in development standards to accommodate alternative approaches to provide affordable housing such as mixed-use projects.

Reduce Development Constraints: As part of the comprehensive Development Code update the City will review residential and mixed-use regulations to identify development standards or procedures that may constrain the development of affordable housing and housing for persons with special needs. Specific Code amendments will include:

- Supportive housing - AB 2162 (2018) amended State law to require that supportive housing be a use by-right in zones where multi-family and mixed uses are permitted, including non-residential zones permitting multi-family uses, if the proposed housing development meets specified criteria.
- Low barrier navigation centers - AB 101 (2019) added the requirement that low barrier

navigation centers meeting specified standards be allowed by-right in areas zoned for mixed use and in non-residential zones permitting multi-family uses pursuant to Government Code §65660 et seq

Priority Processing for Affordable and Special Needs Housing: Affordable housing developers often face constraints in developing affordable housing projects. One way the City can assist such developers is by providing fast-track/priority processing for low-income and special needs housing projects. This service can encourage affordable housing development by allowing developers to go through the approval and permitting process quicker keeping costs down and units affordable. It is important that following the construction of the project that units are monitored to ensure that subsequent tenants are households with special needs and/or lower income.

Accessory Dwelling Units: Allowing for the development of accessory dwelling units (ADUs) offers an important affordable housing option for lower-income households and others such as seniors, care-givers, or young adults. ADUs can also provide property owners with an additional source of income. Recent changes to State law encourage ADU production, and the City amended local ADU regulations in 2020 in conformance with State law. The City will continue to monitor legislation and update City ADU regulations as necessary to ensure consistency with State law. In addition, the City will promote ADU development in the following ways:

- Assist property owners with ADU applications
- Post informational ADU flyers in City Hall, on the Planning Department website and other public places

Discussion:

In April of each year, the City transmits an Annual Housing Element Progress Report to the State Department of Housing and Community Development. The Report describes all the actions taken to implement the programs included in the adopted Housing Element.

AP-85 Other Actions – 91.220(k)

Introduction:

The following narratives describe the actions the City will undertake in FY 2022-2023 to address underserved needs, foster and maintain affordable housing, reduce lead-based paint, reduce the number of poverty-level families, develop the institutional structure, and enhance coordination between public and private housing and social service agencies.

Actions planned to address obstacles to meeting underserved needs

The City will continue to use CDBG funding to support public service agencies that address the special needs of the underserved, including the elderly and frail elderly and persons belonging to protected classes that have been the victims of housing discrimination.

Actions planned to foster and maintain affordable housing

The City's housing stock contains six affordable multifamily projects and six affordable senior projects. These units should be monitored and discussions with the property managers and/or owners should occur to address the development's long-term affordability status. The following actions will be taken:

- Monitor the affordable housing projects to ensure compliance with rent restrictions
- Maintain a list of the affordable housing inventory

Actions planned to reduce lead-based paint hazards

To increase an awareness of lead-based paint hazards, the City will notify applicants to the Housing Preservation Program to the dangers of lead based paint hazards posts information through distribution of an informational pamphlet and required testing on rehabilitation projects where paint may be disturbed. The City will also post links on its website alerting homebuyers and renters to the dangers of lead based paint hazards.

Actions planned to reduce the number of poverty-level families

The City will carry out the following anti-poverty actions in coordination with its affordable housing plan:

- The City will continue to support the Section 8 Housing Choice Voucher Program and public housing units located within the community.
- The City will coordinate with the Los Angeles County Development Authority and Baldwin Park Housing Authority to increase the number of families that receive rental assistance.
- The City will work with the Housing Authorities to encourage families receiving Section 8 rental assistance to participate and graduate from the Family Self-Sufficiency Program (FSS). The City

will periodically request information from the Housing Authority on FSS participation and graduation levels.

The City will provide funding for child care services. Access to child care is a policy that contributes to helping the working poor to make ends meet and avoid poverty.

Actions planned to develop institutional structure

The Public Services Department, Community Development Department, and Police Department are the key departments involved in the Consolidated Plan and Action Plan process. The Public Services and Community Development Departments are responsible for capital improvements to facilities (i.e., senior center, parks, streets). The Police Department carries out a public service.

To strengthen internal coordination and timeliness of expenditures, the Public Services Department meets monthly with the Community Development Department and Finance Department. The purpose of the meetings is to strengthen the delivery of projects in neighborhoods so that there are tangible physical and quality of life benefits resulting from the expenditure of CDBG and other funds.

The City also coordinates on a regular basis with the following housing providers:

- Los Angeles County Development Authority (Section 8)
- City of Baldwin Park Housing Authority (Section 8)
- Community and Economic Development Department (Housing Rehabilitation/Preservation)
- Housing Rights Center (Fair Housing)

City activities include: collection of information regarding clients served, geographic distribution of clients served, and review and comment on Public Housing Agency Plans.

Coordination with health providers involves the periodic collection of lead-based incident statistics from the County of Los Angeles, Department of Health Services, Childhood Lead Poisoning Prevention Program. In addition, the City will continue to obtain information from the Los Angeles County Department of Health Services, Office of AIDS Programs and Policy.

Coordination with social service agencies is accomplished through the CDBG public service programs. This involves a notice of funding availability, evaluation of applications submitted including needs to be addressed, and monitoring and performance evaluation of funded social service agencies.

To strengthen the institutional structure for carrying out its Consolidated Plan and Action Plan, the City will strengthen the working relationship by providing input to and coordinating with the Los Angeles County Development Authority and Baldwin Park Housing Authority. Efforts to strengthen the

institutional structure involve review of the five-year and annual plans of each authority.

Actions planned to enhance coordination between public and private housing and social service agencies

During Program Year 3, the City will continue its coordination efforts with:

- Los Angeles County Homeless Services Authority (LAHSA)
- Southern California Association of Governments (SCAG)
- San Gabriel Valley Council of Governments (SGVCOG)
- Baldwin Park Housing Authority
- Los Angeles County Development Authority

In January 2018, LAHSA conducted a homeless count. 264 unsheltered homeless persons were counted in West Covina, up from the 165 counted in 2017. There were 147 persons counted in the 2019 Count and 124 in 2020. Due to COVID-19, there was no count in 2021. Results for the 2022 Count have not been released as of the writing of this report.

The City will continue to participate in the meetings and task forces of the SCAG and the SGVCOG.

The City will review the Annual Plans of the Development and Housing Authorities and provide input as appropriate.

Discussion:

Refer to the above narratives.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(l)(1,2,4)

Introduction:

Overall Benefit - PY 2022-2023 will be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income.

Community Development Block Grant Program (CDBG)
Reference 24 CFR 91.220(l)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	50,000
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	**50,000**

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income.Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	70.00%

PY 2022-2023 will be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income.

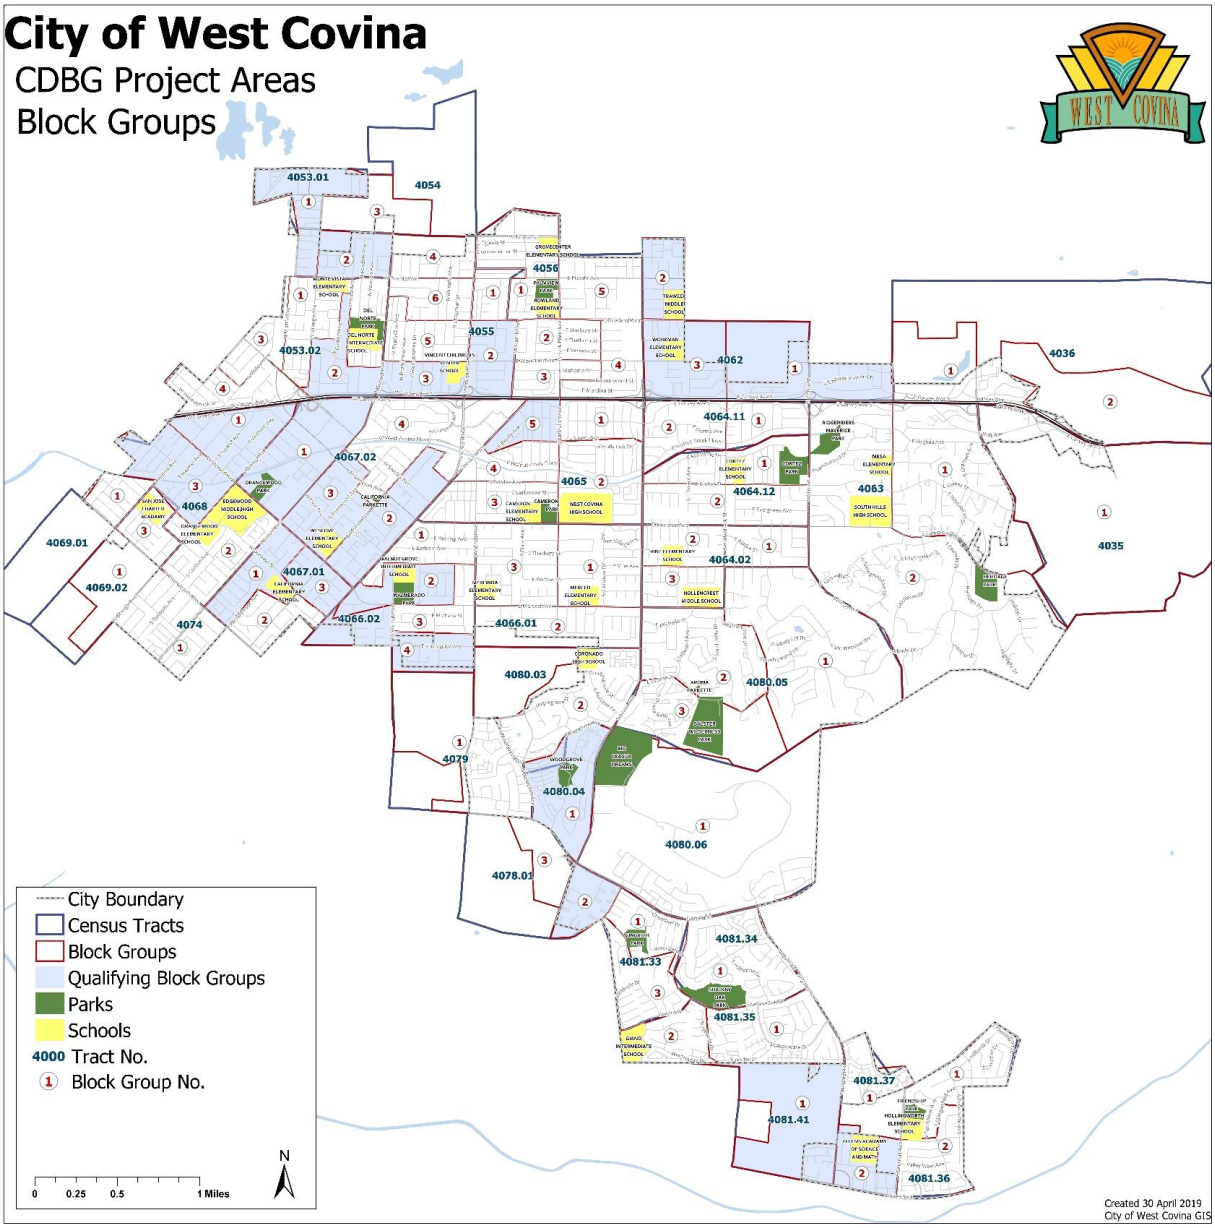
Grantee Unique Appendices



ATTACHMENT NO. 3

FY 2022-2023 CDBG PUBLIC SERVICE PROJECT APPLICANT DESCRIPTIONS

Note: Descriptions shown in italics were taken from the applications of the respective service providers in which they respond to the question, "Describe your program (purpose, goal, etc.)."

1. **Senior Meals Program - City of West Covina:** *The senior meals program serves meals in a congregate setting at the West Covina Senior Center 5 days a week. Meals served under the program must provide at least 1/3 of the recommended dietary allowances. Staff meets on a monthly basis with a County dietician to ensure this objective is met for participants. The seniors are receiving an estimated 40-50% of required nutrients from the meals provided by the program. Annually, the program serves over 35,000 meals to the seniors in the community. The program provides these meals to seniors at a suggested donation of $2.00. Participants are encouraged to donate what they can regardless of the amount. In previous years, the program has been recognized by the Los Angeles County Local Area on Aging as a distinguished site recipient. Due to the COVID-19 pandemic, the City has converted the in-person meal program to a home delivery and drive-thru program until current COVID-19 restrictions are lifted. Currently, senior nutrition program participants are receiving 7 frozen meals and a snack bag with milk, juice, and fruit weekly. Drive-thru senior nutrition program participants receive one hot meal weekly as well.*

2. **Domestic Violence Victim Advocate – West Covina Police Department:** *The City's Victim Advocate is partially funded from CDBG, and is responsible for following up with victims of all domestic violence cases that occur in West Covina, as well as some other crimes involving children and domestic situations. The Victim Advocate guides domestic violence victims through the criminal justice and social service networks. An independent evaluation conducted by Cal State Los Angeles validated the work, citing this as the most useful service offered to domestic violence victims at the Police Department. The Victim Advocate serves as the liaison to County Adult Protective Services, the Domestic Violence Council, and other agencies and service networks. This project is a public service eligible for CDBG funding under 24 CFR §570.201(e). Service amounts vary somewhat from year to year due to crime trends (beyond the Police Department's control).*

3. **Careship - City of West Covina:** *The Careship program's primary purpose is to assist moderate to low-income West Covina residents enrolled full-time in a licensed childcare facility operated by the City of West Covina will be considered for the program. A new and separate Application is required prior to each session plus the backup documentation.*

4. **Los Angeles Centers for Disease and Alcohol Abuse (LACADA):** *LACADA provides housing, outreach, and case management services for the City of West Covina. LACADA provides two full-time Outreach Navigators, who visit established encampments throughout the City, including all designated homeless*

occupied areas i.e. City Parks, abandoned buildings, parking lots etc. Outreach is focused on substance use harm reduction, providing hygiene assistance and supplies, necessary clothing, water, and snacks. LACADA provides on-going intensive case management, which focuses primarily on entering clients into HMIS and conducting necessary follow-up. After conducting an ASAM triage, clients are transported to either detox or residential treatment based upon outcome of assessment. LACADA furnishes eight treatment beds. If client requires psychiatric or medical assistance, Outreach Team contacts West Covina PD or the Fire Department. Ancillary case management services include procuring required government documents and linkage to medical, dental and mental health care. LACADA provides non-emergency medical transportation as well as transportation to established shower facilities. LACADA also maintains an on-going confidential database ensuring ALL client engagements are documented and tracked.

5. **Housing Rights Center:** *Since the establishment of the Federal Fair Housing Act in 1968, promoting equal access to housing has been a priority for the federal, state, and local governments. The Housing Rights Center ("HRC") proposes to further these interests by providing the City of West Covina with fair housing and landlord/tenant services. Through the Fair Housing Program, the HRC will actively support and promote freedom of residence to the end that all West Covina residents have the opportunity to secure the housing they desire and can afford, without discrimination based on their race, color, religion, gender, sexual orientation, national origin, familial status, marital status, disability, ancestry, age, source of income or other characteristics protected by law. A component of this program includes addressing problems that arise between landlords and tenants, (e.g., payment of rent, lease agreements, and habitability), which are often intertwined with issues of discrimination. HRC will offer West Covina residents services from our four program areas, (1) Discrimination Complaint Investigation, (2) Landlord/Tenant Counseling, (3) Education and Outreach, and (4) Legal Services.*

6. **Action Food Pantry:** *ACTION Food Pantry's purpose is hunger relief. Our goal is to provide food for the increasing number of needy in our community. Over 100 families are served each week. ACTION actively seeks monetary and food donations to supplement grant funds. Unlike some organizations who have time limits, we allow our clients to participate in the program as long as they need food. ACTION Food Pantry concentrates on food distribution from our facility and also through other small food banks in the San Gabriel Valley who do not have adequate storage or refrigeration facilities. We also provide food to organizations that provide meals to the needy and homeless. We have an exclusive agreement with Porto's Bakery, West Covina to distribute their day-old pastries. We distribute the bread and pastries to our clients as well as churches, senior citizen clubs, police departments, fire departments, city halls, and hospitals.*

7. **ESGV Coalition for the Homeless - Emergency Food and Shelter:** *The East San Gabriel Valley Coalition for the Homeless (ESGVCH) is a non-profit 501(c)3 charitable organization, incorporated since 1994, which operates under a voluntary Board of Directors to directly aid people experiencing homelessness. ESGVCH believes that all are called to turn attention beyond themselves to assist*

those who suffer especially the poor, the hungry, and the homeless. It is, our mission to bring hope and restore dignity to those in need by providing shelter, alleviating hunger, assisting with basic daily needs assisting to regain housing, raising community awareness, and by working collaboratively with others to end hunger and homelessness. ESGVCH operates the Emergency Assistance Center (EAC) in providing walk-in emergency services to families and/or vulnerable individuals without home or homeless. The Center is located in Hacienda Heights and is open daily, Monday through Friday, during the hours of 8:30 a.m. to 1:30 p.m. Each day EAC staff provides hot meals, sack lunches, clothing, hygiene kits, TAP cards w/a 20 ride a month subsidy, emergency shelter (in the form of motel vouchers for families with children), and referral services for those in need. The EAC also operates the Bridge Program, which provides longer-term emergency shelter in the form of motel vouchers to homeless families. While in the Bridge Program, clients are provided with the guidance they need to obtain their own permanent housing. A case manager works with the families in address areas that require immediate change. For example, if an adult in the family does not have a job, the Bridge Program case manager helps him/her with job hunting, assists the parents with obtaining childcare, etc. The case manager also assists the families with money management by looking at the family's monthly expenses and designing a plan to decrease debt. The goal of the program is for the families to save as much money as possible so that at the end of the program they can have money for a deposit towards their own permanent housing.

8. ***Project 29:11: Food Bank*** *– The Food Bank is open on Fridays. Because of so many clients being out of work and those that are working are having a hard time putting food on their family's table because of the increase in the cost of living, our clients can come once a week. Each family receives a cart of fresh produce, a variety of dairy products, pastries, breads, meats, and an assortment of other food. We are also able to provide diapers, baby formula, car seats, strollers, and other baby items. Last year we were able to help 8.913 families with food. This represents 32,632 family members.* ***Clothing Rack*** *– Our Clothing Rack is closed. We hope to reopen it again.* ***Turkey Giveaway****- On the Tuesday of the Thanksgiving week, we were able to help 275 families have a complete Thanksgiving dinner. Not only did they get a turkey and a bag of food, but also a roasting pan.* ***Community Christmas Party****- This past Christmas, we were able to hold our annual Community Christmas Party. We were able to give gifts to 250 children and a large back of food to 130 families.*

9. **Assistance League of Covina Valley:** *Assistance League® of Covina Valley (ALCV) is a nonprofit national philanthropic organization dedicated to improving literacy and helping to break the cycle of poverty in local communities by providing basic needs to economically disadvantaged students. ALCV became a chartered member of National Assistance League® in 1970. Operation School Bell® (OSB) has been a continuous program of ALCV since 1984. Through this program, underserved students in preschool through twelfth grade receive new school clothing, supplies for school and personal hygiene items. Studies show that the root cause of poverty is the lack of educational opportunities. In 2021, we are seeing an increase in poverty across America and an increase in unemployment rates due to the Pandemic. The average unemployment rate in America is 6.1%. According to the city website, West Covina's unemployment rate is 11.3%. 18.8% of individual West Covina residents make $30,000 or under per*

year. 6.7% make under $15,000 a year. The national poverty guidelines for 2022 is $17,130 per individual. The increase in unemployment equals an increase in poverty. Studies show that inadequate clothing can be one part of a sad equation that leads students to skip school and have academic and behavioral issues. The whole purpose of Operation School Bell is to provide students with proper attire so that they are able to attend school regularly. Studies show that inadequate clothing can be one part of a sad equation that leads students to skip school and have academic and behavioral issues. Elementary school children receive new pants/shorts, shirts, shoes, 6 pairs of socks and underwear, sweatshirts, a filled backpack, family hygiene kit and vouchers to the Assistance League Thrift Shop. Middle and high school students are treated to a shopping trip at a local Target. The students are allowed to select their own clothing, shoes, and accessories with help from their parent/guardian. ALCV volunteers also give these students hygiene kits. The Students' purchases are paid for at check-out by the Assistance League. Receipts are retained, labeled with the names of the students and then given to the treasurer to post. Our members put the purchased items into a reusable bag that contains the hygiene kit. Our organization is responding to the needs of our community by dressing more students each year. Due to the on-going effects of the pandemic and the increased need, the Assistance League of Covina Valley will budget to dress a minimum of 1,300 this year (2021-2022). The cost to dress an elementary student is $150.00. The cost to dress a middle and high school student is $175. We now need additional funding to purchase the supplies for the hygiene kits which were donated previously. The hygiene kits are requested more than any item OSB offers. The cost of the kits range from $18.00-$20.00. The number of students we are able to serve each year is limited by the success of our fundraising efforts and by the schools' commitment to identify and refer all students and families who are in need of assistance. Thanks to the Community Development Block Grant from West Covina, ALCV's goal is to dress 780 West Covina students this year (2021-2022). It's been a challenge with the pandemic but with restrictions lifting we are hoping to complete our goal. For 2022-2023 Assistance League of Covina Valley is confident that we can dress at least 1,000 West Covina students with the help of the Community Development Block Grant. According to the statistics and unemployment rates in West Covina the need for this is apparent.

10. **Shepherd's Pantry:** *Founded in 2004 as a free emergency food delivery service operated out of a rental storage unit, by 2005 Shepherd's Pantry needed a walk-in-food facility and leadership to help develop their pantry operations. The team looked to Cory's Kitchen which was established in 2001 in Irwindale. Cory's Kitchen's culture encompassed emotional and spiritual support in addition to providing food; this approach was incorporated into Shepherd's Pantry operations. In 2019 the two food pantries merged into the company now known as Shepherd's Pantry with three locations in Glendora, Irwindale, and Baldwin Park. Our mission is: To provide food, resources, and services from a faith-based perspective to those in need. We value the dignity of all individuals and strive to promote their independence. Our vision is: To alleviate hunger and to improve the well-being of those living in the San Gabriel Valley. We meet our mission by incorporating other services such as personalized case management, haircuts, homeless food support, home food delivery and a clothing pantry.*

11. **YWCA of San Gabriel Valley - Senior Citizens Assistance Program (SCAP):** *The goal of the YWCA SCAP (Case Management and Information & Referral/Assistance Services) is to connect seniors with a broad array of services that enable them to remain in their homes for as long as possible. These services include but are not limited to: Access to services such as transportation, case management, information and assistance; and in-home services such as personal care, chore, and homemaker assistance; Community services such as legal services, mental health services, and adult day care; and Community education and related programming that help to coordinate and integrate services for seniors such as health screening, exercise/health programs, etc. Due to Covid-19. our regular on-site service at the West Covina Senior Center is on hold. BSW Case Managers will provide service to seniors living in West Covina via telephone, telehealth and in person as needed. The YWCA San Gabriel Valley Senior Services' model of providing effective Case Management and Information and Referral/Assistance (I & RIA) Services is based on the concept of linking clients to a culturally competent, locally accessible, and cost-effective integrated continuum of supportive services. In addition, our agency has proven its ability to respond in a timely manner to client's requests for service, and within several hours if the request is urgent. Due to Covid-19. our regular on-site service at the West Covina Senior Center is on hold. BSW Case Managers will provide service to seniors living in West Covina via telephone, telehealth and in person as needed.*

12. **God's Pantry:** *The goal of this proposal is to raise funds and secure partnerships for the launch of our mobile outreach units and its ongoing support. The main objective of this project is to help clients out of homelessness by providing resources to overcome barriers in a compassionate and respectful manner. To be serve the population that is disconnection from resources, we plan to utilize a mobile unit that will be able to cover a significant portion of the high-need areas. The efforts we propose will schedule weekly routes for the outreach truck and advertise via social media, the times and locations where it will stop. Clients will be able to check the location and appointments for service, which will maximize the chances of compliance. The entirety of our efforts will be relational based aimed at building trust.*

ATTACHMENT NO. 4

RESOLUTION NO. 2022-65

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA, ADOPTING A BUDGET AMENDMENT FOR THE FISCAL YEAR COMMENCING JULY 1, 2022 AND ENDING JUNE 30, 2023 (FY 2022-2023 CDBG ACTION PLAN)

WHEREAS, on April 19, 2022, the City Manager presented to the City Council a proposed budget for Fiscal Year 2022-23 in compliance with Section 2-151(m) of the West Covina Municipal Code; and

WHEREAS, following the initial presentation of the proposed budget for Fiscal Year 2022-23, the City held meetings and community workshops and conducted an online budget survey in order to solicit input from the public regarding the proposed budget; and

WHEREAS, on June 7, 2022, the City Council adopted a budget for the 2022-2023 Fiscal Year; and

WHEREAS, amendments must periodically be made to the budget to conform to changed circumstances following adoption of the budget.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA DOES RESOLVE AS FOLLOWS:

SECTION 1. The City Council hereby approves Budget Amendment No. 2023-001, attached hereto as Exhibit A, for Fiscal Year 2022-23.

SECTION 2. The City Clerk shall certify to the adoption of this resolution and shall enter the same in the book of original resolutions and it shall become effective immediately.

APPROVED AND ADOPTED this 5th day of July, 2022.

MEMORANDUM OF AGREEMENT

CITY HOMELESS PROGRAM MEMORANDUM OF AGREEMENT BETWEEN THE CITY OF WEST COVINA AND THE SAN GABRIEL VALLEY COUNCIL OF GOVERNMENTS (SGVCOG)

This Memorandum of Agreement ("MOA") is by and between the City of West Covina (City) and the San Gabriel Valley Council of Governments (SGVCOG) to be effective as of the date signed by both Parties.

RECITALS:

A. The SGVCOG was established to have a unified voice to maximize resources and advocate for regional and member interests to improve the quality of life in the San Gabriel Valley within the jurisdictions of its member cities and its unincorporated areas;

B. The SGVCOG entered into a contract with the County of Los Angeles for Measure H funding for the purposes of providing homeless services in support of the County's Homeless Initiative (HI) strategies to combat homelessness in the San Gabriel Valley;

C. The SGVCOG allocated Measure H funding to support four programs, as approved by the SGVCOG Governing Board, to address homelessness in the San Gabriel Valley which include services to supplement existing homelessness programs, outreach and services for hard-to-reach populations, mobile crisis response program, and pilot programs;

D. The City intends to implement a jurisdiction-specific SGVCOG's High Acuity and Substance Use Disorder (SUD) Focused Outreach and Services for Persons Experiencing Homelessness (PEH) Program to serve its residents (the "Program"); and

E. The City and the SGVCOG desire to set forth the terms of their ongoing collaboration with respect to this effort in this MOA.

NOW, THEREFORE, the Parties agree to the following:

I. TERM:

The term of this MOA shall commence upon execution of the MOA by all Parties and shall continue through May 31, 2023, or through the date upon which all eligible expenditures have been reimbursed, whichever occurs first. The term of this MOA may be extended by mutual agreement of both Parties by way of an amendment to this MOA.

II. RESPONSIBILITIES OF EACH OF THE PARTIES:

A. SGVCOG
   1. Review submitted deliverables, reports, and invoices from the City and notify City as to any additional such documents that are required.

2. Coordinate conference calls and/or meetings with City as necessary.
3. Provide any updated point-of-contact described in Section III.B to serve as the SGVCOG's Project Manager with name, title, and contact information.
4. Review and approve procurement procedures for City's use of funds.
5. Hold monthly working group meetings with City to support information sharing.
6. Review City invoicing and reporting schedules and deadlines.
7. Provide payment to the City within 30 days of approval of City's invoice.
8. Reimburse the City up to $50,000 for eligible expenses as described in Exhibit B.

B. City
1. Manage the program, as described in Exhibit A.
2. Submit timely deliverables, reports, and invoices, including spend down reports and appropriate backup documentation in a form reasonably approved by the SGVCOG.
3. Respond to SGVCOG requests related to the Program in a timely manner.
4. Maintain membership in the SGVCOG during the entire term of this MOA.
5. Participate in monthly homeless working group meetings.
6. Provide any updated point-of-contact described in Section III.B to serve as the City's Project Manager with name, title, and contact information.
7. Submit procurement procedures for City's use of funds under this MOA for approval by the SGVCOG. Procure and administer contracts funded by the SGVCOG in accordance with the SGVCOG-approved procurement procedures.
8. Prior to performance of any work by third-party vendors for which the City will seek reimbursement, submit the final form of contracts or purchase orders executed with third-party vendors to the SGVCOG for authorization. SGVCOG shall have no obligation to reimburse City for contracts and purchase orders that do not receive its approval prior to performance of work and SGVCOG reserves the right to not reimburse work under contracts for which the approved procurement process is not followed or have not received the SGVCOG's prior approval.
9. Submit rates for City-employed staff for SGVCOG approval prior to City staff performing work for which the City will seek reimbursement. SGVCOG reserves the right to not reimburse staff time if rates are not submitted to the SGVCOG prior to performance of the work.
10. Notify SGVCOG prior to releasing press materials related to the Program.
11. Ensure that the Program works in coordination with other existing City programs.
12. Ensure that all funding is expended by the end of the MOA term and, if not, inform the SGVCOG as soon as practicable of delays in expending funds. The SGVCOG reserves the right to retain any funds that it deems will not be spent in accordance with this MOA by the MOA deadline.
13. Reimburse the SGVCOG for expenditures that are determined to be ineligible expenses, as outlined in Section III, and/or that are not in compliance with Measure H funding requirements.
14. Return all equipment purchased using funds secured through the MOA to SGVCOG upon the expiration or earlier termination of the MOA. City shall, at its sole expense, return the equipment in the same condition and appearance as when purchased by City (reasonable wear and tear excepted) and in good working order for the original intended purpose of the equipment.

III. INELIGIBLE EXPENSES

A. Work otherwise budgeted and funded by another source.
B. Work not completed during the term of the MOA, including work performed prior to the effective date of this MOA.
C. Advocacy and lobbying.
D. Grant preparation.
E. Participation in SGVCOG and/or other regional meetings.
F. Activities not defined in Exhibit A.

IV. INVOICING

A. City must submit invoices on a quarterly basis, no later than the 10th day of the month following the end of each quarter, in accordance with the schedule in Exhibit B. City must provide all necessary documentation, including but not limited to timesheets, invoices, and deliverables, as support for the invoice. Invoice must include all work completed during the previous quarter. City's final invoice for any eligible expenses not previously invoiced in the last quarterly invoice, shall be submitted within 30 days of the end of the MOA term.
B. City must submit a quarterly report with the invoice indicating outcomes during the invoicing period, consistent with the format identified in Exhibit C.
C. Any late-submitted invoices are subject to a 5% penalty for each month for which the invoice is late. If an invoice is more than 3 months late, the penalty will increase to 10% per month. Penalties will be deducted from payments made by the SGVCOG on the invoices.
D. Any funds that are not expended by the end of the MOA term and invoiced within 30 days thereof, may be retained by the SGVCOG for re-allocation to another program.

V. AMENDMENTS:

A. For any change which affects the scope of work, term, MOA, overall compensation, payments, or any term or condition included under this MOA, an amendment to the MOA shall be prepared and executed by the City and by the SGVCOG.
B. For any change which does not materially affect the statement of work as described in Exhibit "A", the City must receive prior approval by the SGVCOG's Project Manager.

VI. PROJECT MANAGEMENT:

A. For purposes of this MOA, the SGVCOG designates the following individual as its Project Manager to which any notices required under this MOA shall be sent:

Victoria Urenia
SGVCOG Management Analyst
San Gabriel Valley Council of Governments
1000 S. Fremont Ave, Unit 42

Bldg. A10-N, Suite 10210
Alhambra, CA 91803
626.457.1800
vurenia@sgvcog.org

B. For purposes of this MOA, the City of West Covina designates the following individual as its Project Manager to which any notices required under this MOA shall be sent:

Kelly McDonald
Public Services Manager
1444 W Garvey Ave. S
West Covina, CA 91790
626.939.8494
KMcDonald@westcovina.org

C. Additional Parties' contacts and copies of notices to whom shall be sent include the following individuals:

Marisa Creter
Executive Director
San Gabriel Valley Council of Governments
1000 S. Fremont Avenue, Unit 42
Bldg. A10-N, Suite 10210
Alhambra, CA 91803
mcreter@sgvcog.org

D. Either Party may change its Project Manager or contacts upon written notice to the other Party.

VII. TERMINATION:

A. This MOA may be terminated by either Party at any time without cause. Termination will occur 30 days after written notice is issued by a Party to the other Party's Project Manager. The City shall stop work and not incur any additional expenses upon receipt of or issuance of such notice, except that which is reasonable and necessary to effectuate the termination. The City shall be entitled to reimbursement for eligible expenses that are reasonably and necessarily incurred up to the date that such termination is effective.

B. This MOA may be terminated for cause at any time for a material default by one of the Parties upon written notice to the applicable Project Manager. In the event of termination for cause, termination will be in effect three days after deposit of the written notice in the U.S. Mail, postage pre-paid, unless otherwise stated at a later time in the written notice.

VIII. INDEMNITY:

A. Neither the SGVCOG, its member agencies, or their respective officers, employees, consultants or volunteers (the "SGVCOG Indemnitees), shall be responsible for any damage or liability occurring by reason of anything done or committed to be done by the City or its respective officers, agents, employees, or volunteers under or in connection with the performance of this MOA.

B. Neither the City or its respective officers, employees, consultants, or volunteers (the "City Indemnitees), shall be responsible for any damage or liability occurring by reason of anything done or committed to be done by the SGVCOG Indemnitees under or in connection with the performance of this MOA

C. The City shall indemnify, defend and hold the SGVCOG Indemnitees harmless from and against any liability, claims, losses, actions, and expenses, including without limitation, defense costs, any costs or liability on account of bodily injury, death or personal injury of any person or for damage to or loss of use of property, any legal fees and any claims for damages of any nature whatsoever arising out of or resulting from the City's obligations under this MOA, unless caused by the negligence or willful misconduct of the SGVCOG Indemnitees.

D. The SGVCOG shall indemnify, defend and hold the City Indemnitees harmless from and against any liability, claims, losses, actions, and expenses, including without limitation, defense costs, any costs or liability on account of bodily injury, death or personal injury of any person or for damage to or loss of use of property, any legal fees and any claims for damages of any nature whatsoever arising out of or resulting from the SGVCOG's obligations under of this MOA, unless caused by the negligence or willful misconduct of the City Indemnitees.

IX. OTHER TERMS AND CONDITIONS:

A. In performing this MOA, neither the City nor SGVCOG is a contractor, agent or employee of the other. Neither the City or SGVCOG shall represent themselves as contractors, agents or employees of the other Party and shall have no powers to bind the other Party in contract or otherwise.

B. This MOA, along with the applicable funding requirements of the SGVCOG's agreement with the County of Los Angeles, constitute the entire understanding between the Parties, with respect to the subject matter herein. The MOA shall not be amended except in writing signed by the Parties.

C. Neither Party hereto shall be considered in default in the performance of its obligations hereunder to the extent that the performance of any such obligation is prevented or delayed by unforeseen causes including acts of God, floods, earthquakes, fires, acts of a public enemy, pandemic, and government acts beyond the control and without fault or negligence of the affected Party. Each Party hereto shall give notice promptly to the other of the nature and extent of any such

circumstances claimed to delay, hinder, or prevent performance of any obligations under this MOA.

D. Neither Party shall assign this MOA, or any part thereof, without the prior written consent and prior approval of the other Party, nor any assignment without consent shall be void and unenforceable.

E. This Agreement shall be governed by California law and any applicable federal law.

F. If any provision of this MOA is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions shall nevertheless continue in full force without being impaired or invalidated in any way.

G. The terms of this MOA shall inure to the benefit of, and shall be binding upon, each of the Parties and their respective approved successors and assigns.

[Signature page follows]

In witness whereof, the Parties enter into this MOA on the date of last execution by the Parties.

Exhibit A – Scope of Services

City Program SOW: West Covina

This City currently operates a Program ("Program") focused on serving those persons experiencing homelessness (PEH) in the City that are the highest acuity, are experiencing substance use disorder (SUD), and that need the most support to be housed. The types of services provided through this Program are as follows:

- Intensive case management and peer support;
- Treatment services for substance use disorder (SUD), co-occurring disorders, and related supportive services;
- Medical and mental health treatment;
- Crisis housing and rapid re-housing assistance; and
- Connections to other services, such as those available through the Coordinated Entry System and the SGVCOG.

The City will support the implementation of this Program, meeting the following metrics:

Metrics	**Quarterly**	**Total**
Unique clients served/outreached-to	~13	50
Clients receiving supportive/housing services and/or referred to housing navigation	~4	16
Clients referred to interim housing	~3	10
Clients linked/referred to permanent housing	~3	10
Clients exiting interim housing to permanent housing	n/a	2
Clients receiving prevention/diversion services and/or diverted from homeless services system	5	20

The City should also report on the staffing provided as a result of this funding.

This Program should also coordinate with existing resources and services provided within the City, which include but are not limited to those provided through the Coordinated Entry System (CES), the County Department of Mental Health, and the County Department of Health Services.

The City will work with its service provider and the SGVCOG to compile additional data demographics, including unique clients served versus clients continuously served, to develop an understanding of the population of PEH accessing services in the cities.

Task 1
The City will implement the Program.

Deliverables:

- Quarterly report that includes a narrative on the successes and challenges of implementing the Program, demographics of the clients served, an overview of the specific services provided, outcomes towards meeting the key performance metrics as listed above, or, if the

metrics are not being met, the challenges in meeting the metrics, coordination with existing programs, and outcomes after intervention, in the format provided by the SGVCOG.

- Clients report forms, or equivalent data, in a format approved by the SGVCOG
- Final report that includes a narrative on the successes and challenges of the Program, demographics on the clients served, an overview of the specific services provided, outcomes after intervention, and overall performance metrics, in the format provided by the SGVCOG.

Basis of Billing: Time and Materials
The City must provide invoices, including timesheets, and receipts for payment.

Task 2
Administer the program funding.

Basis of Billing: Fixed Fee
The City will receive a fixed fee of 5% of each submitted invoice.

EXHIBIT B

Table 1. Budget

The City shall receive a maximum of $50,000 for implementation of the City's Program. Funding shall be disbursed on a reimbursement basis and in accordance with Table 1.

Task		Not to Exceed Amount	
Task 1	Program Implementation	$	47,500
Task 2	Project Administration (5%)	$	2,500
		$	**50,000**

Reports and invoices must be submitted quarterly by the following dates:

- October 10, 2022
- January 10, 2023
- April 10, 2023

The final report is due by June 13, 2023.

AGENDA ITEM NO. 12

AGENDA STAFF REPORT

City of West Covina | Office of the City Manager

DATE: July 5, 2022

TO: Mayor and City Council

FROM: David Carmany
City Manager

SUBJECT: CONSIDERATION OF DESIGNATION OF VOTING DELEGATE AND ALTERNATES FOR LEAGUE OF CALIFORNIA CITIES 2022 ANNUAL CONFERENCE

RECOMMENDATION:

It is recommended that the City Council designate a voting delegate and voting delegate alternatives for the League of California Cities 2022 Annual Conference and Expo, Annual Business Meeting (during General Assembly).

BACKGROUND:

The membership of the League of California Cites will cast votes on a number of municipal policy issues at the League's Annual Conference in September. It is necessary for the City Council to designate a voting delegate and alternate for this purpose.

DISCUSSION:

On September 9, 2022, the League of California Cities will conduct its annual business meeting during the Annual Conference (September 7, 2022 - September 9, 2022). At the Annual Business Meeting, the voting delegation will consider and take action on a number of resolutions that establish the League of California Cities' policies. The League of California Cities advocates on issues that matter to California's towns and cities.

In order for cities to vote at the Annual Business Meeting, a city council must designate a voting delegate. The League has requested each city to designate a voting representative and an alternate for this purpose. The deadline for notification of delegates is August 31, 2022.

OPTIONS:

The City Council has the following options:

1. Appoint a voting delegate and up to two alternate delegates, one of whom may vote in the event that the designated voting delegate in unable to serve in that capacity.

Prepared by: Lisa Sherrick, Assistant City Clerk

LEAGUE OF CALIFORNIA CITIES

Council Action Advised by August 31, 2022

DATE: June 1, 2022

TO: City Managers and City Clerks

RE: DESIGNATION OF VOTING DELEGATES AND ALTERNATES
League of California Cities Annual Conference & Expo – September 7-9, 2022

Cal Cities 2022 Annual Conference & Expo is scheduled for September 7-9, 2022 in Long Beach. An important part of the Annual Conference is the Annual Business Meeting (during General Assembly) on Friday, September 9. At this meeting, Cal Cities membership considers and acts on resolutions that establish Cal Cities policy.

In order to vote at the Annual Business Meeting, your city council must designate a voting delegate. Your city may also appoint up to two alternate voting delegates, one of whom may vote if the designated voting delegate is unable to serve in that capacity.

Please complete the attached Voting Delegate form and return it to Cal Cities office no later than Friday, September 2. This will allow us time to establish voting delegate/alternate records prior to the conference.

Please view Cal Cities' event and meeting policy in advance of the conference.

- **Action by Council Required.** Consistent with Cal Cities bylaws, a city's voting delegate and up to two alternates must be designated by the city council. When completing the attached Voting Delegate form, please attach either a copy of the council resolution that reflects the council action taken, or have your city clerk or mayor sign the form affirming that the names provided are those selected by the city council. Please note that designating the voting delegate and alternates **must** be done by city council action and cannot be accomplished by individual action of the mayor or city manager alone.

- **Conference Registration Required.** The voting delegate and alternates must be registered to attend the conference. They need not register for the entire conference; they may register for Friday only. Conference registration will open by June 1 on the Cal Cities website. In order to cast a vote, at least one voter must be present at the Business Meeting and in possession of the voting delegate card. Voting delegates and alternates need to pick up their conference badges before signing in and picking up the voting delegate card at the Voting Delegate Desk. This will enable them to receive the special sticker on their name badges that will admit them into the voting area during the Business Meeting.

LEAGUE OF CALIFORNIA CITIES

- **Transferring Voting Card to Non-Designated Individuals Not Allowed.** The voting delegate card may be transferred freely between the voting delegate and alternates, but *only* between the voting delegate and alternates. If the voting delegate and alternates find themselves unable to attend the Business Meeting, they may *not* transfer the voting card to another city official.

- **Seating Protocol during General Assembly.** At the Business Meeting, individuals with the voting card will sit in a separate area. Admission to this area will be limited to those individuals with a special sticker on their name badge identifying them as a voting delegate or alternate. If the voting delegate and alternates wish to sit together, they must sign in at the Voting Delegate Desk and obtain the special sticker on their badges.

The Voting Delegate Desk, located in the conference registration area of the Long Beach Convention Center, will be open at the following times: Wednesday, September 7, 8:00 a.m. – 6:00 p.m.; Thursday, September 8, 7:00 a.m. – 4:00 p.m.; and Friday, September 9, 7:30 a.m.–12:30 p.m. The Voting Delegate Desk will also be open at the Business Meeting on Friday, but will be closed during roll calls and voting.

The voting procedures that will be used at the conference are attached to this memo. Please share these procedures and this memo with your council and especially with the individuals that your council designates as your city's voting delegate and alternates.

Once again, thank you for completing the voting delegate and alternate form and returning it to Cal Cities office by Friday, September 2. If you have questions, please call Darla Yacub at (916) 658-8254.

CITIES

Annual Conference Voting Procedures

1. **One City One Vote.** Each member city has a right to cast one vote on matters pertaining to Cal Cities policy.

2. **Designating a City Voting Representative.** Prior to the Annual Conference, each city council may designate a voting delegate and up to two alternates; these individuals are identified on the Voting Delegate Form provided to the Cal Cities Credentials Committee.

3. **Registering with the Credentials Committee.** The voting delegate, or alternates, may pick up the city's voting card at the Voting Delegate Desk in the conference registration area. Voting delegates and alternates must sign in at the Voting Delegate Desk. Here they will receive a special sticker on their name badge and thus be admitted to the voting area at the Business Meeting.

4. **Signing Initiated Resolution Petitions.** Only those individuals who are voting delegates (or alternates), and who have picked up their city's voting card by providing a signature to the Credentials Committee at the Voting Delegate Desk, may sign petitions to initiate a resolution.

5. **Voting.** To cast the city's vote, a city official must have in their possession the city's voting card and be registered with the Credentials Committee. The voting card may be transferred freely between the voting delegate and alternates, but may not be transferred to another city official who is neither a voting delegate or alternate.

6. **Voting Area at Business Meeting.** At the Business Meeting, individuals with a voting card will sit in a designated area. Admission will be limited to those individuals with a special sticker on their name badge identifying them as a voting delegate or alternate.

7. **Resolving Disputes.** In case of dispute, the Credentials Committee will determine the validity of signatures on petitioned resolutions and the right of a city official to vote at the Business Meeting.

LEAGUE OF CALIFORNIA CITIES

CITY: _____

2022 ANNUAL CONFERENCE
VOTING DELEGATE/ALTERNATE FORM

Please complete this form and return it to Cal Cities office by Friday, September 2, 2022. Forms not sent by this deadline may be submitted to the Voting Delegate Desk located in the Annual Conference Registration Area. Your city council may designate one voting delegate and up to two alternates.

To vote at the Annual Business Meeting (General Assembly), voting delegates and alternates must be designated by your city council. Please attach the council resolution as proof of designation. As an alternative, the Mayor or City Clerk may sign this form, affirming that the designation reflects the action taken by the council.

Please note: Voting delegates and alternates will be seated in a separate area at the Annual Business Meeting. Admission to this designated area will be limited to individuals (voting delegates and alternates) who are identified with a special sticker on their conference badge. This sticker can be obtained only at the Voting Delegate Desk.

AGENDA ITEM NO. 13

AGENDA STAFF REPORT

City of West Covina | Office of the City Manager

DATE: July 5, 2022

TO: Mayor and City Council

FROM: David Carmany
City Manager

SUBJECT: CONSIDERATION OF REQUEST FROM MAYOR CASTELLANOS TO REVIEW CITY PARK AND FIELD USE POLICIES & PROCEDURES

RECOMMENDATION:

It is recommended that the City Council review, discuss, and direct staff to prepare for City Council consideration a Park and Field Use Policy and Procedures Manual.

BACKGROUND:

The City of West Covina has 16 parks in its jurisdiction that have amenities for both organized and non-organized use by the public. Chapter 16, Article II of the West Covina Municipal Code sets forth the rules and regulations that govern the public parks and facilities that are in West Covina. Further, the Municipal Code allows for the implementation of additional regulations and procedures that support the City's operation in carrying out the intent of the Municipal Code. This includes the establishment of permit application procedures, reservation system for use of recreations facilities, permit fees, liability insurance requirements and regulations for specific park amenities such as trails, the equestrian center, tennis clouts, athletic fields, and picnic areas of the City. Currently, the City relies on the West Covina Sports Council bylaws, facility fee schedules, and the utilization of the DASH recreation software.

DISCUSSION:

Per the City Council Standing Rules, Mayor Castellanos is seeking the City Council's consensus to instruct staff to look into establishing a comprehensive City of West Covina Park and Field Use Policy and Procedures Manual.

Prepared by: Roxanne E. Lerma, Assistant City Manager

CITY COUNCIL GOALS & OBJECTIVES: Enhance City Image and Effectiveness
A Well-Planned Community
A Creative and Active Communuty

Chapter 16 - PARKS AND RECREATION[1]

ARTICLE I. - IN GENERAL

Secs. 16-1—16-15. - Reserved.

ARTICLE II. - CONDUCT IN PUBLIC PARKS[2]

Sec. 16-16. - Scope of article.

The rules and regulations set forth in this article shall govern the public parks and public places of the city.

(Ord. No. 2129, § 1, 2-15-05)

Sec. 16-17. - Definitions.

For purposes of this article, the following terms shall have the indicated meanings:

Alcoholic beverage concession facility shall refer to any facility, stand, booth, table, counter, or similar structure located in a public park where alcoholic beverages are offered, sold, consumed, purchased, or prepared.

Director shall refer to the city community services director or authorized designee.

Electronic smoking device means an electronic or battery-operated device, the use of which may resemble smoking, which can be used to deliver an inhaled dose of nicotine or other substances, whether as a vapor or a gas. Electronic smoking device includes any such device, whether manufactured, distributed, or sold as an electronic cigarette, electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, or any other product name or descriptor. Electronic smoking device does not include any product specifically approved by the United States Food and Drug Administration for use in the mitigation, treatment, or prevention of disease.

Maintenance district open spaces means the hillsides adjacent to residential developments that are maintained by the city with tax funds provided by the residential developments and that are open to the public.

Marijuana shall have the same meaning as that set forth in California Health and Safety Code section 11018.

Medical marijuana means marijuana used for medical purposes in accordance with California Health and Safety Code section 11362.5.

Open spaces means the paseos, maintenance district open spaces and green spaces, with or without walking paths, accessible to the public, and that are owned, operated or maintained by the City of West Covina or any of its related bodies, or over which the public has an easement, license or other right to access and use.

Paseos means the sidewalk/green belt systems that connect parts of communities and city parks within the Woodside Village Master Plan.

Public facility means any building or structure that is owned, leased or operated by the City of West Covina, and shall include the building or structure's outdoor areas and parking.

Public park shall include every park, roadside rest, golf course, riding and hiking trail and public recreation facility owned, managed or controlled by the city.

Public place shall include but not be limited to the West Covina Civic Center, open spaces and public facilities.

Smoke or *smoking* means and includes any of the following:

(1) The consumption of tobacco, marijuana, medical marijuana, or any other weed, plant, or substance by intentionally burning, inhaling, or ingesting the tobacco, marijuana, medical marijuana or other weed, plant or substance. The definition of smoking also includes the intentional consumption of gases, particles or vapors released into the air as a result of combustion, electrical ignition or vaporization, including from an electronic smoking device, when the purpose of the combustion, electrical ignition or vaporization is the intentional inhalation of the gases, particles or vapors for the consumption of tobacco, marijuana, or any other weed, plant, or substance. Smoke does not mean the combustion of material solely for olfactory purposes that does not contain any tobacco, nicotine or marijuana. It also does not mean the emissions from a product specifically approved by the United States Food and Drug Administration for use in mitigating, treating or preventing disease.

(2) The holding or carrying of a lighted smoking device; or

(3) Emitting or exhaling the smoke directly from a cigar, cigarette, pipe, any other lighted smoking device or an electronic smoking device.

Special alcoholic beverage permit shall refer to the required city-issued permit for the lawful operation of an alcoholic beverage concession facility in a public park.

Traffic authority shall mean the Traffic Committee of the City of West Covina as established by section 22-46 of this Code.

(Ord. No. 2129, § 1, 2-15-05; Ord. No. 2314, §§ 1, 2, 3-7-17)

Sec. 16-18. - Unlawful acts.

Within the limits of any of the public parks or public places of the city, no person shall do any of the following acts:

(a) Remain, stay or loiter in any public park, public place or building therein, between the hours established by resolution of the city council and posted, except with the written permission from the director;

(b) Light or maintain any fire except in a stove, fire circle or other place provided for that specific purpose;

(c) Possess, carry or discharge any firearms, firecrackers, rockets, explosives or any other fireworks, air gun, bow and arrow, or sling shot;

(d) Throw, project or propel any object capable of causing personal injury or damage to personal property;

(e) Ride upon, propel or park a skateboard, roller skates, coaster, scooter or bicycle where the traffic authority has posted signs in the manner set forth in section 22-82 of this Code, to prohibit such activity.

(f) Throw, discard, place or dispose of any garbage, or refuse in any place other than a garbage can or other receptacle maintained for that specific purpose;

(g) Discard any large items, such as sofas, mattresses, appliances or construction materials in public trash bins;

(h) Pick, dig, remove, destroy, injure, mutilate or cut any tree, plant, shrub, bloom or flower, or any portion thereof growing therein; or cut, break, deface, or injure any building, monument, sign, fence, bench, equipment, or property therein; or cut or remove any wood, turf, grass, soil, rock, sand, or gravel;

(i) Swim, bathe, wade in or pollute the water of any fountain, pond, lake, or stream, or commit any nuisance in water or in any manner pollute the same;

(j) Camp or lodge therein, except with written approval from the community services director, requested ten (10) working days prior to the camping date; and

(k) Erect and operate mechanical rides or devices.

(l) Violate any rules or regulations posted in compliance with section 16-19 in a public park, recreation facility or public place established pursuant to chapter 16, article II, or promulgated by the director following the adoption of this chapter pursuant to section 16-29.

(m) Smoking is prohibited in public parks and public places within the City of West Covina, which have been designated and posted as a no smoking area by the city by signs of sufficient number and posted in such locations as to be readily seen by persons within such area, except for areas which have been designated by the city council and posted as "Smoking Area."

(Ord. No. 2129, § 1, 2-15-05; Ord. No. 2152, § 1, 9-5-06; Ord. No. 2314, § 3, 3-7-17)

Sec. 16-18.1. - Dog park rules and regulations.

Within the limits of any City of West Covina Dog Park, individuals are required to obey the following acts, as well as those listed in section 16-18. Any person violating these rules may result in the loss of use of the dog park and/or citation per West Covina Municipal Code sections 16-30:

(a) No more than three (3) dogs per person are allowed in the park at one (1) time.

(b) Users must monitor and control their dogs at all times.

(c) Dogs must never be left unattended.

(d) Owners must pick up their dog's waste and dispose of it in the receptacles provided.

(e) Dogs must wear a collar with current tags visible. No pronged, spiked or choke collars allowed.

(f) Users must keep their dogs on leashes going to and from the leash-free area.

(g) Dogs must have current licenses and vaccinations and be free from contagious diseases.

(h) Aggressive behavior by dogs is not permitted. Dogs exhibiting aggressive behavior are subject to removal.

(i) Puppies under four (4) months of age are not permitted.

(j) Only spayed/neutered dogs are allowed.

(k) Children twelve (12) years and under must be closely supervised by an adult at all times. Infants and toddlers are not recommended. Parents must ask permission from the dog owner [f]or children to play with a dog.

(l) Excessive barking is not allowed.

(m) Food, beverages, snacks or treats of any kind, whether for human or dog consumption, are not permitted.

(n) Animals other than dogs are not permitted.

(o) Users must prevent their dogs from digging and must fill holes made by their dogs.

(p) Smoking and alcohol are prohibited in the dog park.

(q) Users must obey all other park rules.

(r) Commercial/professional dog training or classes are not permitted unless approved by the city.

(s) The city reserves the right to refuse patron access.

(Ord. No. 2234, § 1, 8-1-12)

Note— See editor's note following § 16-30.

Sec. 16-18.2. - Splashpad rules and regulations.

Within the limits of any City of West Covina Splashpad, individuals are required to obey the following acts, as well as those listed in section 16-18. Any person violating these rules may result in a citation per West Covina Municipal Code section 16-30:

(a) Running, jumping, pushing, rough playing, and covering drains is not allowed.

(b) Parents must supervise children at all times.

(c) Appropriate swimwear and clothing must be worn. Diapers are not allowed.

(d) Animals are not allowed in the splashpad area.

(e) The following items are prohibited from the splashpad area: food, drinks, glass bottles, bicycles, skateboards, roller blades, scooters, strollers, pool toys (i.e. pool noodles, boats, etc.), soap, detergents, rocks, tree branches, or any other foreign objects.

(f) Smoking and alcohol are prohibited in the splashpad.

(g) Users must obey all other park rules.

(h) The city reserves the right to refuse patron access.

(Ord. No. 2234, § 1, 8-1-12)

Sec. 16-19. - Hours for public usage of city parks, signage and posting requirements.

(a) Park hours shall be established by resolution of the city council, upon recommendation of the community services commission.

(b) Signage clearly specifying the hours during which a park is open to the public shall be placed and prominently posted and visible at all park entrances, parking lots and areas of high public usage, such as picnic sites, sports fields and courts.

(c) Said signage shall specify the rules and regulations established pursuant to this Article II, and the activities described as prohibited in this article. Signage required pursuant to this section shall cite the respective West Covina Municipal Code section being invoked.

(d) It is unlawful for any person to remain, stay or loiter in a municipal park beyond the hours of operation unless such person or entity is so authorized by a special permit issued by the department of community services.

(Ord. No. 2129, § 1, 2-15-05)

Sec. 16-20. - Public address systems.

No person shall set up, use, operate or maintain a public address system within any public park or public place without obtaining a permit from the director. The person shall apply for the permit by application to the director a minimum of five (5) working days prior to the date requested. The director is expressly given the authority to determine the maximum amplification permissible consistent with other persons' enjoyment of the public parks and public places.

(Ord. No. 2129, § 1, 2-15-05)

Sec. 16-21. - Alcoholic beverages in public parks.

(a) As set forth in section 15-5 of this Code, no person shall, within the limits of any public park or public place, consume any alcoholic beverage except at locations and times approved by special permit.

(b) This section 16-21 duly recognizes that a separate permit process exists for the issuance of a special alcoholic be permit for the consumption of alcoholic beverages during a private event that is held within the confines of a par or enclosed structure. This special permit for a private event is processed administratively through the departme community services and requires the approval of the city manager.

(c) Special alcoholic beverage permits for city-sponsored or co-sponsored events. the city council may grant a special alcoholic beverage permit for an alcoholic beverage concession facility to be located outdoors in a city park and operated in association with a special city-sponsored or city co-sponsored event. The alcoholic beverage concession facility shall be duly authorized by resolution of the West Covina City Council and the sponsoring organization must be properly licensed by the State of California Department of Alcoholic Beverage Control to serve and/or sell alcoholic beverages. Requests for special alcoholic beverage permits shall be submitted to the city council at least three (3) months prior to the event date in order to allow sufficient time for administrative processing by designated city departments and council considerations as appropriate.

(1) Contents of request for special alcoholic beverage permit. Requests for special alcoholic beverage permits shall contain the following:

a. The date and purpose of the event and the name of the city park where the event shall be held.

b. The name of the sponsoring organization and its designated officer(s) who shall be responsible for the event and alcohol beverage sales.

c. Proposed hours of operation for alcoholic beverage concession facility.

d. A description of the proposed premises for the alcoholic beverage concession facility (tents, enclosures, fences, etc.).

e. A floor plan or diagram depicting the alcoholic beverage concession facility and the exact location where the facility will be situated in the park. This diagram shall include a clearly designated perimeter for the operation of the facility and an area for the consumption of alcoholic beverages.

f. The names and current identification of all individuals who will work or provide services in the operation of the alcoholic beverage concession facility.

g. Proof of liability insurance for alcoholic beverage and liquor liability coverage in an amount no less than one million dollars ($1,000,000.00). Said policy shall name the City of West Covina as an additional insured and shall protect the city against claims that result from the selling, serving, preparing, giving or consumption of alcoholic beverages during the special event.

(2) City departmental review.

a. Review and commentary on a request for a special alcoholic beverage permit shall be required from the administration, city attorney, community services, fire, police, risk management and building departments prior to submittal for council consideration.

b. Staff commentary and suggestions shall be compiled in a report prior to council consideration of the special alcoholic beverage permit request.

c. The purpose of the departmental review is to thoroughly address specific concerns prior to council consideration of said request. Said review may include concerns regarding the safety of event participants, limiting access to the alcoholic beverage concession facility, fencing to prevent unauthorized persons from entering the designated area, capacity restrictions according to proposed square footage, ingress and egress considerations, restrictions to ensure alcoholic beverages are not taken beyond the established perimeter of the facility.

(3) Established perimeter. No person shall be allowed to possess or consume alcoholic beverages outside of

the established perimeter of the alcoholic beverage concession facility.

(4) Age restriction. Patrons and workers of the alcohol beverage concession facility must be twenty-one (21) years of age or older. The sponsoring organization shall ensure that entrance to the designated perimeter is monitored at all times, and that all patrons purchasing or consuming alcoholic beverages are of the legal age of twenty-one (21) years.

(5) Proof of licenses and permits. At least fifteen (15) days prior to the special event, the sponsoring organization must provide the city council with proof of all special permits and licenses required by the State of California Department of Alcoholic Beverage Control in order to operate an alcoholic beverage concession facility.

(6) Posting of license and permits. If approved by the city council, an alcoholic beverage concession facility shall prominently display the special city permit and all permits and licenses required and issued by the State of California Department of Alcoholic Beverage Control. Said permits and licenses shall remain posted during the entire operation and function of the facility.

(7) Rules and regulations. Any permittee operating an alcoholic beverage concession facility shall abide by all federal, state and local laws, rules, regulations and ordinances regarding the use, sale, purchase and consumption of alcoholic beverages. The failure of any permittee to abide by any and all such laws, rules, regulations or ordinances shall constitute grounds for the immediate revocation of the special alcoholic beverage permit.

(Ord. No. 2129, § 1, 2-15-05)

Sec. 16-22. - Vehicle regulation.

(a) *Speed.* No person shall drive any vehicle within any public park or public place at a speed that is greater than is reasonable or prudent, having due regard for the traffic and traffic pattern and the surface and width of the roadway, and in no event in excess of ten (10) miles per hour unless a greater speed is posted.

(b) *Parking.* No person shall park any vehicle within any public park or public place except in designated parking areas; however, the traffic authority is hereby authorized to permit parking along roads and in undeveloped areas within the public park or public place when it is the opinion of traffic authority personnel that such parking will not interfere with the operation of the public park or public place.

(c) *Erection of speed, traffic and parking signs.* The traffic authority is authorized to erect and maintain signs at locations deemed appropriate indicating the speed limits established by the city council for public parks and public places along the roadways or streets therein. The traffic authority is also authorized to designate parking areas and traffic patterns and to erect and maintain signs indicating such areas and patterns.

(d) *Removal of vehicles.* Vehicles may be removed and stored at the owner's expense by peace officers where the vehicle has been parked for a period of time or more than twenty-four (24) hours in a location where parking is prohibited and appropriate signs have been posted.

(e) *Vehicle access.* No person shall ride or drive any horse or other animal or propel any vehicle, cycle or automobile within any public park or public place except on roads, trails or driveways the traffic authority has designated for that purpose.

(Ord. No. 2129, § 1, 2-15-05)

Sec. 16-23. - Commercial solicitation and sales.

No person shall, within the limits of any public park or public place, solicit primarily for commercial purposes in any manner, or sell or offer for commercial sale any goods, wares, merchandise or food products, or distribute or pass out any primarily commercial handbills or advertising material without permission granted by the city council.

(Ord. No. 2129, § 1, 2-15-05)

Sec. 16-24. - Noncommercial solicitation and sales.

No person shall, within the limits of any public park or public place, solicit funds, or sell or offer for sale any goods, ware, merchandise or food products for any noncommercial purpose without written approval from the director, or authorized designee.

(Ord. No. 2129, § 1, 2-15-05)

Sec. 16-25. - Domestic animals.

(a) No person having custody of a cat, dog or other domestic animal shall allow such animal in any public park or public place without the ability to produce evidence that the animal is currently licensed as required by any other provision of law and unless such animal is restrained by a substantial leash not to exceed six (6) feet in length and is in the charge of a person competent to restrain such animal. Further, the director may designate areas where animals are required to be restrained and enclosed in a car, cage or similar enclosure, except for guide dogs for blind persons.

(b) The director may issue permits for group activities wherein dogs or cats shall be under the responsible care of a person while not restrained by a leash or enclosed in a car, cage or similar enclosure while participating in the permitted event.

(c) Exemptions.

(1) Dogs used for law enforcement purposes by law enforcement personnel shall be exempt from these provisions.

(2) Horses are permitted at the Ridge Riders Equestrian Center, but are otherwise not allowed on any other city park without the express permission of the director of community services.

(Ord. No. 2129, § 1, 2-15-05)

Sec. 16-26. - Athletic activities.

No person shall conduct or participate in any sport or in any organized athletic activities within any recreational area other than in such areas as may be designated for such sports, games or athletic activities, nor in any areas where the director has posted signs prohibiting such activities.

(Ord. No. 2129, § 1, 2-15-05)

Sec. 16-27. - Exemptions.

The provisions of this article shall not be construed to prohibit persons from engaging in organized recreation activities conducted and scheduled by the city, nor to prohibit the city from conducting such activities.

(Ord. No. 2129, § 1, 2-15-05)

Sec. 16-28. - Damage or destruction of park property; rewards.

(a) The city council hereby finds and declares that there has been a substantial increase in vandalism and the destruction of city property in public parks and public places. This has materially increased the cost to the public of maintaining public parks and public places and has discouraged public contributions of time and property to the development and improvement of public parks and public places.

(b) The city council hereby authorizes a reward to be offered and paid to any person who furnishes to the City of West Covina Police Department information leading to the apprehension and conviction of any person who willfully destroys or damages property of the city in any public park or public place. The reward amount shall be set by resolution of the city council.

(c) Claims for rewards under this section shall be filed with the city clerk as are other claims against the city. Each claim shall:

(1) Specifically identify the date, location and kind of property damaged or destroyed.

(2) Identify by name the person convicted of the damage or destruction thereof.

(3) Identify the court and the date upon which the conviction occurred.

(d) No claim shall be allowed by the city council unless the chief of police certifies to the accuracy of the claim and recommends that it be allowed.

(e) The director is authorized to cause signs containing the offer of reward to be posted at appropriate locations on public parks and public places.

(Ord. No. 2129, § 1, 2-15-05)

Sec. 16-29. - Community services director's authority.

The community services director shall have the authority to issue additional regulations to implement the intent of this article. This authority shall include, but not be limited to, the establishment of the permit application procedures, a reservation system for use of recreational facilities, permit fees, liability insurance requirements, and the promulgation of additional rules, and regulations for specific park amenities such as trails, the equestrian center, tennis courts, athletic fields, and picnic areas.

(Ord. No. 2129, § 1, 2-15-05; Ord. No. 2152, § 1, 9-5-06)

Sec. 16-30. - Violations and penalty provisions.

Violation of any provision of this Article II shall be deemed an infraction or misdemeanor as appropriate, and punishable as set forth in sections 1-37, General penalty; continuing violations; 1-37.1, Violation; infraction; and 1-38, Penalty not exclusive, of Chapter 1, General Provisions, of this Municipal Code.

(Ord. No. 2129, § 1, 2-15-05; Ord. No. 2234, § 2, 8-1-12)

Editor's note— Ord. No. 2234, § 2, adopted Aug. 1, 2012, renumbered § 16-18.1 as a new section 16-30. See Code Comparative Table for derivation.

Secs. 16-31—16-39. - Reserved.

ARTICLE III. - PUBLIC SKATE PARKS[3]

Sec. 16-40. - Statement of purpose.

The purpose of this article is to establish a comprehensive set of rules and regulations for the use of the skate park facility in the City of West Covina. This article shall apply to the use and operation of skateboards, in-line skates, and common roller skates in the city's owned and operated skate park facility.

(Ord. No. 2129, § 1, 2-15-05)

Sec. 16-41. - Reserved.

Sec. 16-42. - Definitions.

For the purpose of carrying out the intent of this article, words, phrases and terms used herein shall have their ordinary meaning, unless otherwise indicated as follows:

In-line skate including roller blades shall mean a common roller skate with wheels attached thereto in a manner so that all wheels are aligned on a single line, and foot propelled without a steering apparatus.

Roller skates shall mean a shoe, boot, or an apparatus worn on a shoe or boot with wheels attached to such shoe, boot or apparatus.

Scooter shall mean a plank or board, whether made of wood, plastic, metal, or any other material, with wheels and steering apparatus attached and is foot propelled or motorized.

Skate park facility shall mean the public facility that is designated for, and maintained by the City of West Covina for the purpose of skateboarding, in-line skating and roller skating as permitted pursuant to the provisions of this article.

Skateboard shall mean all wheeled objects, coasters, toys, conveyances, or similar devices used for transportation or sport which are propelled by human power and which are not classified as bicycles or two-wheel scooters.

(Ord. No. 2129, § 1, 2-15-05)

Sec. 16-43. - Reserved.

Sec. 16-44. - Hours of operation.

A skate park facility shall be open from 5:00 a.m. until 10:00 p.m. daily, or as otherwise posted by the director of community services. It shall be unlawful for any person to use or remain in the facility in violation of this section without written consent of the department of community services.

(Ord. No. 2129, § 1, 2-15-05)

Sec. 16-45. - Reserved.

Sec. 16-46. - Prohibited conduct.

With respect to any City of West Covina skate park facility, it shall be unlawful for any person to do any of the acts hereinafter specified:

(1) No person shall skate or skateboard at times other than those established by the director of community

services or authorized designee;

(2) No person shall use a skate park facility for uses other than skateboarding and skating;

(3) No person shall use or enter the fenced area of a skate park facility unless he/she wears proper safety equipment including a helmet, elbow pads, and knee pads. All such safety equipment must be functional and protective, properly sized and designed for its intended use at the skate park facility;

(4) No person shall ride or use any items other than roller skates, in-line skates or skateboards on the skating surface of a skate park facility. The use of all other items, including but no limited to, bicycles, unicycles, scooters, go-carts, and wagons, on the skating surface of a skate park facility is strictly prohibited;

(5) No person shall possess or use alcohol or drugs in a skate park facility;

(6) No person(s) shall litter in a skate park facility. All persons using a skate park facility shall place any trash they create at or bring to a skate park in refuse containers provided by the city. If no refuse container is provided by the city, all persons shall be responsible for removing and disposing of such items in an appropriate manner;

(7) No person shall cause graffiti or tagging in a skate park facility;

(8) No person shall ride any skateboard or skates in a skate park facility in a reckless manner or with willful disregard for the safety of persons or property, or cause such items to be ridden in such a manner;

(9) No person shall skate on the curbs, sidewalk, fences, railings, and/or driveway of a city-owned area surrounding a skate park facility;

(10) No glass containers shall be used in a skate park facility;

(11) No additional obstacles shall be placed in a skate park facility;

(12) No skate park facility shall be used if a hazardous condition exists, including but not limited to inclement weather conditions and significant cracks, breaks, or other irregularities in the skating surface of a skate park facility;

(13) All organized events shall have written approval from the director of community services or authorized designee; and

(14) Animals are prohibited in a City of West Covina skate park facility.

(Ord. No. 2129, § 1, 2-15-05)

Sec. 16-47. - Reserved.

Sec. 16-48. - Protective gear; regulations.

It is unlawful for a person to ride a skateboard or to skate in a skate park facility without the use of a helmet, elbow pads and knee pads. This covers skating with roller skates and in-line skates.

(Ord. No. 2129, § 1, 2-15-05)

Sec. 16-49. - Reserved.

Sec. 16-50. - Signage and posting requirements.

In order to provide notice to the public, the director of community services, or authorized designee shall post signs in one (1) or more conspicuous and visible area(s) of a skate park facility that specify the rules and regulations established pursuant to this article, and the activities described as prohibited in this article. The signs required pursuant to this section shall cite the respective West Covina Municipal Code section being invoked.

(Ord. No. 2129, § 1, 2-15-05)

Sec. 16-51. - Reserved.

Sec. 16-52. - Violation and penalties.

A violation of this article shall constitute an infraction punishable by:

(a) A fine not to exceed fifty dollars ($50.00) for the first violation;

(b) A fine not exceeding one hundred dollars ($100.00) for the second violation of the same provision occurring within one (1) year of the first violation;

(c) A fine not exceeding one hundred seventy-five dollars ($175.00) for each additional violation of the same provision occurring within one (1) year of the first violation;

(d) Any violation of the provisions of this article shall be deemed an infraction and punishable as such, notwithstanding the fact that at the discretion of the city council, the violation may be filed as a misdemeanor;

(e) Repeat violators of the skate park rules may be prohibited from using the skate park facility; and

(f) Violations of any provisions of this section shall constitute a nuisance and may be abated by the city through civil process by means of restraining order, preliminary or permanent injunction or in any other manner provided by law for the abatement of such nuisances.

(Ord. No. 2129, § 1, 2-15-05)

Sec. 16-53. - Confiscation and impoundment of personal property.

(a) Violation of any provisions of this article or any violation pursuant to section 22-80 relating to skateboard, roller skate, coaster, and scooter restrictions may also result in the impounding of a skateboard, in-line skates, roller skates, coaster, toy vehicle, bicycle or similar device to determine identity of the user and/or to facilitate contact with a parent in the case of a juvenile violator.

(b) Failure to comply with this article may result in a citation and penalties as set forth in section 16-52 above and the impoundment of the skateboard, in-line skates, roller skates, coaster, toy vehicle, bicycle or similar device and may also require restitution for damages to property, if applicable.

(c) All skateboards, in-line skates, roller skates, coasters, toy vehicles, bicycle or similar devices impounded pursuant to this article shall be properly identified, catalogued and stored according to the West Covina Police Department's procedures for impounded property.

(d) Skateboards, in-line skates, roller skates, coaster, toy vehicles, bicycle or similar devices shall not be impounded or stored as criminal evidence unless the item is used in connection with a criminal incident falling outside this general order.

(e) The city council hereby establishes the right to charge impound fees for property confiscated pursuant to this section. The amount of said impound fees shall be set by resolution of the city council.

(f) Unclaimed property. Articles impounded pursuant to this section which are not claimed and released within sixty of the initial impoundment date, shall be disposed of according to the West Covina Police Department's establish procedures for the impoundment of unclaimed property.

(g) For individuals under eighteen (18) years of age, the signature of a parent or legal guardian shall be required for the release of impounded property.

(h) Dispositions and releases of impounded property shall only be processed by authorized personnel of the West Covina Police Department during normal business hours.

(Ord. No. 2129, § 1, 2-15-05; Ord. No. 2157, § 1, 3-20-07)
